This PRELIMINARY INFORMATION is used on an ongoing basis by the LASD for strategic planning and as a tactical early warning system. This data is not final and thus is not the crime data that is reported to the FBI Uniform Crime Index (UCI). This is because some of the most recent reports have not been written yet, nor reviewed by investigators. Once it is reported by investigators and supervisors, the crime data is reported to the FBI/UCI and is available via the pertinent LASD patrol station, pending publication by the FBI/UCI. Once it is reported by the LASD to the FBI, the FBI/UCI crime data is considered the most accurate.
