On Thursday, August 9, 2012, Cerritos Sheriff's Station celebrated National Night Out at Heritage Park in Cerritos. The event was held in conjunction with the City's "Concerts in the Park" series. While the community enjoyed live music by the band "Film at Eleven," law enforcement deputies, explorers and volunteers from Cerritos Sheriff's Station helped inspire community awareness and shared crime prevention information to those in attendance. National Night Out is an event that is held once a year that brings the community and law enforcement together for one common cause: to make the community safer.
