News Release

Classification : Animal Cruelty/597(b)PC/F/339

Incident Date : 09/04/14

A Compton resident, unable to sleep due to a barking dog outside his window, looked outside only to be confronted with the sight of another man savagely beating the dog. He recorded the incident and notified the Compton Sheriff's Station. The responding deputies viewed the evidence presented by the witness, who was also able to positively identify the suspect, and determined that immediate action had to be taken. They then confronted the suspect and arrested him for Animal Cruelty without any incident.

The beaten dog was removed by Animal Control and its injuries are now being looked after.
