News Release

Leroy D. Baca, Sheriff

Thanksgiving, for most, is a time of joy, family and feast. However, for many that County Services Bureau serves, the hope for good health, family, and friends is a true Thanksgiving wish.

While recognizing the value and significance of these wishes, County Services Bureau, South Health Services rallied together, as a small gesture, to ensure that families in need will not miss having a turkey on the table with all the fixings come Thanksgiving Day.

These teams of committed Deputies and Security Officer's, are the hallmark of what it means to selflessly partner with the community they serve at their healthcare facilities.
