

Congressman Adam Schiff is hosting a forum on **IDENTITY THEFT**

Identity theft happens when someone steals your personal information and uses it without your permission. It's a serious crime that can wreak havoc with your finances, credit history, and reputation — and can take time, money, and patience to resolve.

Representatives from the IRS, FBI, Federal Trade Commission, Social Security Administration and the US Postal Inspection Service will discuss concrete ways that you can protect your identity.

Monday August 4, 2014
7:00 p.m. – 8:30 p.m.
