The Jail Enterprises Unit is a part of the Los Angeles County Sheriff's Department's Inmate Services Bureau Custody Services Division.

# PDC Nursery

The nursery has approximately 40,000 trees and plants in stock. These are provided to the Department's facilities, saving the Department the cost of purchasing these items from outside vendors. Additionally, the Jail Enterprises Unit is able to generate additional revenues for the Department by selling the nursery products to other government agencies, non profit organizations, and Department members at significant savings. Nursery products are not sold to the public.

The nursery is open Monday through Friday from 0830 hours to 1300 hours, except holidays. The nursery is located on jail property. Customers should contact JEU to obtain clearance prior to their visit. After selecting your trees and plants, you will need to come to the JEU office to pay.
