Malibu/Lost Hills Station Volunteer Appreciation Bar-B-Q – 2012

In order to show our appreciation for our station volunteers, a Bar-B-Q at our new station patio was held for our station volunteers last month to honor volunteer appreciation month.

Our station volunteers are an invaluable asset to the community and station. Our volunteer functions include, but are not limited to: Disaster Communication Services, Volunteers on Patrol, and Arson Watch. They additionally assist with daily station functions.

We thank you very much for the countless hours of service you dedicate each and every month to the citizens of our community and to our station.

Deputies Brownell and DeSantis
