## THIRD ROW SEAT THEFT ALERT

May 22, 2015

**Don't be a victim, lock and secure your 3rd row seats.**

- Suspects have recently been targeting the 3rd row seats from **CHEVY**, **CADILLAC**, and **GMC** full size SUVs.
- The suspects break into the vehicles by punching the door locks or prying open the rear latch and within seconds remove the 3rd row seat.
- SUV owners are encouraged to secure their 3rd row seat by locking or removing it when not in use.
- 3rd row seats are not serialized and it is recommended they be engraved with an identifiable number (i.e. License Plate or Vehicle Identification Number).
- Areas targeted are malls, parking structures, parking lots, and residential neighborhoods.
- Take precautions and secure your vehicle. Don't be a victim.

**SECURE IT, ENGRAVE IT, or REMOVE IT**
