MEN'S CENTRAL JAIL

Members of the general public may visit inmates at any Los Angeles County Sheriff's Department jail facility. Visiting hours vary and are subject to change without prior notice. Inmates are provided with at least two visits totaling at least one hour per week. At Men's Central Jail (MCJ), inmates receive two thirty (30) minute visits per week totaling one hour. A total of three (3) visitors are allowed per inmate.

<p>Inmate Visitation Scheduling System</p>	<p>Men's Central Jail is currently transitioning to the new scheduling system for inmate visitation. To determine if your inmate can receive scheduled visits, logon here to the: Inmate Visitation System. https://visit.lasd.org/app You will be able to make an appointment with the inmate if his scheduling screen shows a list of time slots. Visitors must register in the Inmate Visitation System prior to scheduling an appointment with the inmate</p>
<p>Walk-in visits</p>	<p>Walk-in visits are still welcome but are available on a first come first serve basis and are subject to availability. All registered visitors with a scheduled appointment must arrive one hour before their visit for check-in. You must bring your visit confirmation number/receipt, proper ID for every visitor, and all personal items must be stored in the outside lockers before lining up outside the visiting area. Visiting personnel will announce when to enter the visiting center for the check-in process.</p>
<p>NOTE: Scheduled visits are subject to cancellation at any time</p>	<p>Visiting personnel will stop processing appointments 40 minutes after the hour. If anyone arrives late, please inform the officer immediately of your scheduled appointment as the visit is now subject to cancellation. Due to the high volume of visits at MCJ, we will try to accommodate as best as possible to re-schedule your visit for another time block on the same day or other date/time.</p> <p>Visiting personnel will stop processing appointments 40 minutes after the hour.
