(a) Inmates serving a determinate term of imprisonment may waive the right to receive credit and thereafter be eligible to earn milestone completion credits in the amounts provided for in section 3043 (c).

(1) Inmates serving an indeterminate term of imprisonment of 15 years-to-life, or 25 years-to-life shall not be entitled to waive

their right to behavior and participation credits to earn Penal Code section 2933 worktime credits to reduce their minimum eligible parole dates.

(2) Inmates sentenced under Penal Code section 190 to an indeterminate term of imprisonment of 15 years-to-life or 25 years-to-life received by the department prior to May 27, 1987, who waived their right to behavior and participation credits shall not be entitled to earn Penal Code section 2933 worktime credits after February 15, 1989 to reduce their minimum eligible parole date.

(b) All credit attributable to the portion of the inmate's sentence served prior to the effective date of the waiver shall be retained by the inmate unless such credit has been forfeited for a disciplinary offense. This credit includes all pre-sentence custody and good behavior credit; credit granted under Penal Code Section 4019; post-sentence credit; actual days in custody from date of reception and behavior and participation credit attributable to that actual custody.

(c) Eligible inmates wishing to receive credits pursuant to PC sections 2933 and 2933.05 shall present a signed, CDCR Form 916 (Rev. 09/09), Time Credit Waiver, which is hereby incorporated by reference, to their caseworker who shall:

In instances where any inmate serving a sentence prior to January 1, 1983 was not provided with an opportunity to sign a credit waiver, the waiver shall be effective on the date the inmate would otherwise have been eligible because of a qualifying work/training assignment. Accepted waivers shall be irrevocable.

(e) A waiver shall not be accepted from an inmate within 30 days of their release date or if the waiver is retroactive and recomputation of sentence credits would make the inmate overdue for release, or if granting the credit waiver will prevent notification to local law enforcement officials of the release of inmates described in section 3327(c)(2) in the 45-day time frame required by law.

Based on the information of the CDC Form 128-C and working in conjunction with staff from the affected work area, academic/vocational program, and the Inmate Assignment Lieutenant, the classification committee shall evaluate the inmate's ability to

participate in work, academic, vocational, or other programs and make a determination of the inmate's program assignment and work group status.

(2) Only when the inmate's documented limitations are such that the inmate, even with reasonable accommodation, is unable to perform the essential functions of any work, academic, vocational or other such program, will the inmate be placed in one of the two following categories by a classification committee:

(A) Temporary medical/psychiatric unassignment. Except as provided in section 3043.5(e)(2)(A), when a disabled inmate is unable to participate in any work, academic, vocational or other program, even with reasonable accommodation, because of a medically determinable physical or mental impairment that is expected to last for less than six months, the classification committee shall place the inmate on temporary medical/psychiatric unassignment. Inmates on temporary medical/psychiatric unassignment status shall be scheduled for classification review any time there is a change in his/her physical/mental impairment or no less than every six months for reevaluation. When an inmate is unable to participate in any assigned work, academic, vocational, or other such program activity, even with reasonable accommodation, because of a medically determinable physical or mental impairment that is expected to result in death or last six months or more, the classification committee shall place the inmate on medically disabled status. (1) Light duty: Inmates determined to have long-term medical or psychiatric work limitations shall be processed in the following manner:

If the inmate is deemed capable of only a partial work program, full credit shall be awarded for participation in such a program.

(B) A classification committee shall review the evaluation and determine the inmate's assignment.

1. A committee concurring with an evaluation's light duty recommendation shall refer the matter to the facility's assignment office which shall attempt to provide an assignment within the inmate's capabilities. Inmates assigned to such light duty shall be scheduled for semi-annual review.

(A) Only designated medical/psychiatric staff are authorized to approve such lay-ins and unassignments. Reasons for the approval

and the expected date of return to their regular assignment shall be documented by the medical/psychiatric staff making the decision.

(B) Inmates shall notify their work or training supervisor of their lay-in or unassignment status. The work or training supervisor shall record each day of the inmate's approved absence as an "E".

(C) Medical/psychiatric staff determining an inmate should continue on lay-in or unassigned status for more than 29 days shall refer the case to a classification committee.

(D) The inmate shall continue to use ETO time while on short-term medical/psychiatric lay-in or unassigned status.

(f) On-the-job injuries. The chief medical officer shall document inmate injuries occurring on the job. With the exception of inmates assigned to Work Group F, such injured inmates shall retain their existing work group status until medically approved to return to their work assignment. Inmates assigned to Work Group F shall revert to Work Group A-1 effective on the date the chief medical officer determines the on-the-job injury excludes the inmate from conservation camp placement providing the chief medical officer's exclusion determination is within 29 days following the date of the inmate's removal from the conservation camp assignment. If the chief medical officer's exclusion determination is not within 29 days following the date of the inmate's removal from the conservation camp assignment, the inmate shall revert to Work Group A-1 effective the 30th day following the date of the inmate's removal from the conservation camp assignment.

(g) Medical or psychiatric treatment categories "H", "I", and "N". An inmate assigned to category "H", "I", or "N" is not capable of performing a work or training assignment and shall, except where otherwise prohibited by law, be placed in Work Group A-1.

3043.6. Impact of Transfer on Credit Earning.

(a) Non-adverse transfers.

(1) A non-adverse transfer is movement of an inmate to a less restrictive institution or program where the security level is the same or lower, movement to a secure perimeter from a non-secure camp or Level 1 (Minimum Support Facility) setting by order of the prison administration for non-adverse reasons or transfers from reception centers.

(2) With the exception of inmates assigned to Work Group F, an inmate transferred for non-adverse reasons shall retain their work and privilege group status. Inmates assigned to Work Group F shall revert to Work Group A-1 effective the date removed from camp or institution fire fighter assignment.

(3) An inmate in a work assignment at the sending institution shall be placed on an existing waiting list at the receiving institution. If eligible, inmates on waiting lists at sending institutions shall be merged into the receiving institution's waiting list based on credit earning status, release date, and the length of time they have spent on the sending institution's waiting list. Inmates who are day-for-day eligible per Penal Code section 2933 shall be given priority for assignment with the exception of Senate Bill (SB) 618 Participants who, as defined in section 3000, pursuant to the provisions of subsection 3077.3(b)(1), and subject to the provisions of 3077.3(f), shall be placed at the top of an institution's waiting list and given priority for assignment. Inmates shall be merged into the receiving institution's waiting list in the following manner:

(A) First, SB 618 Participants. Those SB 618 Participants having the earliest release date shall be given first priority.

(B) Second, those inmates who are day-for-day credit eligible, approved for the program and are not assigned, Work Group A-2. Inmates eligible to earn credits per Penal Code section 2933 shall

be given second priority for placement on waiting lists and the inmate with the earliest release date shall be given priority.

(C) Third, inmates who are day-for-day credit eligible and are already designated Work Group A-1. Inmates eligible to earn credits per Penal Code section 2933 shall be given next priority for placement on waiting lists and the inmate with the earliest release date shall be given priority.

(D) Fourth, those inmates who are not Penal Code section 2933 day-for-day credit eligible and are already designated Work Group A-1. Inmates will be placed on waiting lists based upon the work group effective date.

(E) Fifth, those inmates who are not Penal Code section 2933 day-for-day credit eligible and are not assigned, Work Group A-2. Inmates will be placed on waiting lists based upon the work group effective date.

(4) An inmate in an OCE approved academic, vocation program, or SAP at the sending institution shall be placed on the waiting list for the same or similar program, at the receiving institution if available. If the receiving institution's program is unavailable, the inmate shall be placed on an existing waiting list at the receiving institution. California Static Risk Assessment (CSRA) as described in Section 3768.1 shall be the primary determination for priority placement. Inmates with a CSRA of moderate to high shall take priority over those with a low risk assessment. Inmates shall be merged into the receiving institution's waiting list based on their CSRA and in accordance with subsection (3) above.

(b) Transfers to Department of Mental Health (DMH).

(1) Penal Code (PC) sections 2684 and 2690 transfers. An inmate transferred to the DMH pursuant to PC sections 2684 and 2690 is not capable of performing a work or training assignment. Such an inmate shall be classified by the sending facility before the transfer and placed in Work Group A-1.

(2) Penal Code section 1364 transfers. An inmate transferred to DMH to participate in the voluntary experimental treatment program pursuant to Penal Code section 1364 shall participate in a full-time credit qualifying work/training assignment in order to earn full worktime credit.

(c) Adverse transfers.

(1) Adverse transfers are defined as a transfer resulting from any in-custody documented misbehavior or disciplinary that may or may not have resulted in an inmate's removal from current program.

(2) If an inmate is removed from a program for adverse reasons and is subsequently exonerated of the charges, the credit earning status shall be designated as though the inmate had not been removed from the assignment.

(3) Effective on the date of transfer an inmate in Work Group A-1 or F who receives an adverse transfer shall be reclassified to Work Group A-2 by the sending institution. The inmate shall remain in Work Group A-2 until reclassified by the receiving institution.

(4) An inmate in Work Group A-2, C or D at the time of transfer shall be retained in that group status until reclassified at the receiving institution.

(d) Reception center or layover status.

(1) Inmates being processed in reception centers, who are ineligible to earn day-for-day credits per Penal Code section 2933, can be assigned to half-time assignments. Inmates on layover (en route) status in any institution shall only be assigned to half-time assignments. Exception to this policy requires approval from the director, division of adult institutions.

(2) An inmate's participation in a full or half-time assignment while undergoing reception center processing shall be recorded on timekeeping logs. The inmate's timekeeping log shall be completed by the work supervisor on a daily basis. A copy shall be issued to the inmate upon written request.

(e) Special housing unit transfers.

(1) Inmates found guilty of a credit loss offense which could result in a security housing unit (SHU) determinate term shall be evaluated for SHU assignment by a classification committee.

(2) Inmates placed in a SHU, PSU, or in ASU for reasons specified in section 3043.4 shall be placed in workgroup D-2. All other inmates in SHU, PSU, or ASU shall be placed in Work Group D-1. BMU inmates shall be placed in the appropriate workgroup, as designated by committee. The effective date of both workgroups shall be the first day of placement into SHU, PSU, BMU or ASU.

(f) Community Correctional Center (CCC) transfers. Transfers of inmates approved for a CCC program are considered non-adverse. With the exception of inmates assigned to Work Group F, inmates shall retain their current work group status while en route to a program. Inmates assigned to Work Group F shall revert to Work Group A-1 effective the date removed from the camp or institution fire fighter assignment.

(b) ETO shall be authorized by the work supervisor/employer in no less than 15-minute increments. The inmate shall not be required

to use excused time off for any service that the department requires. An inmate who is ill and requires a medical lay-in or is short term medically unassigned for 29 days or less shall use ETO.

(c) Inmates who are ill may use ETO, but will be responsible for notifying the work/training supervisor. Sick time must be approved/authorized by the appropriate institution medical authority. Upon becoming capable of performing medically unrestricted work activities the inmate will be given priority to resume his/her previous assignment. If the assignment is not immediately available, the inmate will be placed in an assignment in his/her previous work group category.

(d) Authorized uses of ETO. Excused time off may be approved by work/training supervisors only for the below stated reasons. A proposal to use ETO for any other reason requires approval by the secretary.

(2) Regular visiting under extraordinary circumstances. Following are extraordinary circumstances for which use of ETO is authorized:

(A) Out-of-state visitors. Upon substantiation that the visitor(s) resides out-of-state and is in California for a temporary stay of 30 days or less, and the visitor(s) has not visited with the particular inmate for four months. (B) Excessive distance. When a visitor must travel a distance of 250 miles or more, and has not visited the inmate within the last 30 days.

(C) Weddings. When an inmate marries, the inmate may, with five working days prior approval, use ETO for a visit on the wedding day.

(D) Handicapped. When a visitor is handicapped as defined by California law and must rely on special transportation to the institution. Approval is required five working days prior to the visit.

(E) Family emergencies. When death, serious illness or injury occurs to an inmate's immediate family member as defined in Section 3000, clergymen, family members or close friends may visit the inmate to offer condolences or inform the inmate of the occurrence.

(F) Infrequent visits. When a visitor unexpectedly arrives who has not visited in the last six months, the visit will be considered an infrequent visit.

(G) Visiting during authorized absence. An inmate shall be permitted to visit using ETO during approved periods away from assignment involving circumstances beyond the inmate's control. (Refer to section 3045.3 of these regulations.)

(H) Work assignment conflicts. When the inmate has not received a visit in the last 30 days and would otherwise be prohibited from visiting because of a conflict in work, training, or education assignment.

(3) Temporary community leave.

(4) Attendance at approved religious services or approved religious functions. For routine religious services, the use of ETO shall be limited to instances where it is unduly burdensome to change the conflicting work/education assignment.

(5) Non-routine recreation and entertainment activities.

3084.1. Right to Appeal.

The appeal process is intended to provide a remedy for inmates and parolees with identified grievances and to provide an administrative mechanism for review of departmental policies, decisions, actions, conditions, or omissions that have a material adverse effect on the welfare of inmates and parolees. All appeals shall be processed according to the provisions of Article 8, Appeals, unless exempted from its provisions pursuant to court order or superseded by law or other regulations.

(a) Any inmate or parolee under the department's jurisdiction may appeal any policy, decision, action, condition, or omission by

the department or its staff that the inmate or parolee can demonstrate as having a material adverse effect upon his or her health, safety, or welfare.

(b) Unless otherwise stated in these regulations, all appeals are subject to a third level of review, as described in section 3084.7, before administrative remedies are deemed exhausted. All lower level reviews are subject to modification at the third level of review. Administrative remedies shall not be considered exhausted relative to any new issue, information, or person later named by the appellant that was not included in the originally submitted CDCR Form 602 (Rev. 08/09), Inmate/Parolee Appeal, which is incorporated by reference, and addressed through all required levels of administrative review up to and including the third level. In addition, a cancellation or rejection decision does not exhaust administrative remedies.

(c) Department staff shall ensure that inmates and parolees, including those who have difficulties communicating, are provided equal access to the appeals process and the timely assistance necessary to participate throughout the appeal process.

(d) No reprisal shall be taken against an inmate or parolee for filing an appeal. This shall not prohibit appeal restrictions against an inmate or parolee abusing the appeal process as defined in section 3084.4, nor shall it prohibit the pursuit of disciplinary sanctions for violation of department rules.

(e) The department shall ensure that its departmental appeal forms for appeal of decisions, actions, or policies within its jurisdiction are readily available to all inmates and parolees.

(f) An inmate or parolee has the right to file one appeal every 14 calendar days unless the appeal is accepted as an emergency appeal. The 14 calendar day period shall commence on the day following the appellant's last accepted appeal.

(g) An appellant shall adhere to appeal filing time constraints as defined in section 3084.8.

3084.2. Appeal Preparation and Submittal.

(a) The appellant shall use a CDCR Form 602 (Rev. 08/09), Inmate/Parolee Appeal, to describe the specific issue under appeal and the relief requested. A CDCR Form 602-A (08/09), Inmate/Parolee Appeal Form Attachment, which is incorporated by reference, shall be used if additional space is needed to describe the issue under appeal or the relief requested.

(1) The inmate or parolee is limited to one issue or related set of issues per each Inmate/Parolee Appeal form submitted. The inmate or parolee shall not combine unrelated issues on a single appeal form for the purpose of circumventing appeal filing requirements. Filings of appeals combining unrelated issues shall be rejected and returned to the appellant by the appeals coordinator with an explanation that the issues are deemed unrelated and may only be submitted separately.

(2) The inmate or parolee is limited to the space provided on the Inmate/Parolee Appeal form and one Inmate/Parolee Appeal Form Attachment to describe the specific issue and action requested. The appeal content must be printed legibly in ink or typed on the lines provided on the appeal forms in no smaller than a 12-point font. There shall be only one line of text on each line provided on these forms.

(3) The inmate or parolee shall list all staff member(s) involved and shall describe their involvement in the issue. To assist in the identification of staff members, the inmate or parolee shall include the staff member's last name, first initial, title or position, if known, and the dates of the staff member's involvement in the issue under appeal. If the inmate or parolee does not have the requested identifying information about the staff member(s), he or she shall provide any other available information that would assist the appeals coordinator in making a reasonable attempt to identify the staff member(s) in question.

(4) The inmate or parolee shall state all facts known and available to him/her regarding the issue being appealed at the time of submitting the Inmate/Parolee Appeal form, and if needed, the Inmate/Parolee Appeal Form Attachment.

(b) The inmate or parolee shall submit the signed original appeal forms and supporting documents. If originals are not available, copies may be submitted with an explanation why the originals are not available. The appeals coordinator shall have the discretion to request that any submitted copy is verified by staff.

(1) Only supporting documents, as defined in subsection 3084(h), necessary to clarify the appeal shall be attached to the appeal. Attachments shall not raise new issues, but shall only serve to clarify the present appeal issue and action(s) requested as stated in Parts A and B of the Inmate/Parolee Appeal form. New issues raised in the supporting documents shall not be addressed and any decision rendered will pertain only to the present appeal issue and requested action(s).

(2) Inmates or parolees shall submit their appeal documents in a single mailing and shall not divide their appeal documents into separate mailings.

(3) Inmates or parolees shall not deface or attach dividers or tabs to their appeal forms.

(4) Inmates or parolees shall not contaminate or attach physical/organic objects or samples to their appeal documents. Examples of these objects or samples include, but are not limited to, food, clothing, razor blades, books, magazines, tape, string, hair, blood, and/or bodily fluids/excrement.

(c) First and second level appeals as described in section 3084.7 shall be submitted to the appeals coordinator at the institution or parole region for processing.

(d) If dissatisfied with the second level response, the appellant may submit the appeal for a third level review, as described in section 3084.7, provided that the time limits pursuant to section 3084.8 are met. The appellant shall mail the appeal and supporting documents to the third level Appeals Chief via the United States mail service utilizing his or her own funds, unless the appellant is indigent in which case the mailing of appeals to the third level of review shall be processed in accordance with indigent mail provisions pursuant to section 3138.

(e) If the appeal has been accepted and processed as an emergency appeal and the appellant wishes a third level review, the appellant must forward the appeal to the appeals coordinator who shall electronically transmit it to the third level Appeals Chief. The third level review shall be completed within five working days.

(f) An inmate or parolee or other person may assist another inmate or parolee with preparation of an appeal unless the act of providing such assistance would create an unmanageable situation including but not limited to: acting contrary to the principles set forth in sections 3163 and 3270, allowing one offender to exercise unlawful influence/assume control over another, require an offender to access unauthorized areas or areas which would require an escort, or cause avoidance or non-performance in assigned work and program activities. Inmates or parolees shall not give any form of compensation for receiving assistance or receive any form of compensation for assisting in the preparation of another's appeal. The giving or receiving of compensation is considered misconduct and is subject to disciplinary action.

(g) An inmate or parolee shall not submit an appeal on behalf of another person.

(h) Group appeal. If a group of inmates/parolees intend to appeal a policy, decision, action, condition or omission affecting all members of the group, one CDCR Form 602, Inmate/Parolee Appeal, shall be submitted describing the appeal issue(s) and action requested, accompanied by a CDCR Form 602-G (08/09), Inmate/Parolee Group Appeal, which is incorporated by reference, with the legible name, departmental identification number, assignment, housing, and dated signature of the inmate or parolee who prepared the appeal. Each page of the CDCR Form 602-G must contain the appeal issue, action requested, and a statement that all the undersigned agree with the appeal issue/action requested.

(1) The legible names of the participating inmates/parolees, departmental identification numbers, assignments, housing, and dated signatures shall be included in the space provided on the Inmate/Parolee Group Appeal form and no other signature page shall be accepted by the appeals coordinator.

(2) The inmate or parolee submitting the appeal shall be responsible for sharing the appeal response with the inmates or parolees who signed the appeal attachment.

(3) If the inmate or parolee submitting the appeal is transferred, released, discharged, or requests to withdraw from the group appeal, responses shall be directed to the next inmate or parolee listed

on the appeal attachment who remains at the facility/region, and who shall be responsible for sharing the response with the other inmates or parolees identified on the appeal.

(4) An appeal shall not be accepted or processed as a group appeal if the matter under appeal requires a response to a specific set of facts (such as disciplinary and staff complaint appeals) that are not the same for all participants in the appeal. In such case, the group appeal shall be screened out and returned to the inmate or parolee submitting the appeal with directions to advise all those who signed the appeal attachment to submit individual appeals on their separate issues.

(5) Every inmate or parolee who signs a group appeal is ineligible to submit a separate appeal on the same issue.

(6) A group appeal counts toward each appellant's allowable number of appeals filed in a 14 calendar day period.

(i) Multiple appeals of the same issue. When multiple appeals are received from more than one inmate or parolee on an identical issue, each such appeal shall be individually processed. However, if other issues in addition or extraneous to the multiple appeal issue are contained in the submitted appeal, this particular complaint shall not be processed as a multiple appeal, but will be subject to processing as a separate, individual appeal.

(1) The original inmate or parolee, and as needed for clarification of issues, one or more of the other inmates or parolees, shall be interviewed.

(2) The appellant shall be provided with an appeal response. A statement shall be included in the response indicating that the appeal has been designated as one of multiple identical appeals for processing purposes and the same response is being distributed to each appellant.

3084.4. Appeal System Abuse.

(a) The following are deemed misuse or abuse of the appeals process and may lead to appeal restriction as described in subsection 3084.4(g).

(1) The submittal of more than one appeal for initial review within a 14 calendar day period is considered excessive, unless the inmate or parolee is submitting an emergency appeal.

(2) The repeated filing of appeals that have been cancelled pursuant to subsection 3084.6(c).

(3) The appeal submission contains information the appellant knows to be false or consists of a deliberate attempt at distorting the facts.

(4) The appeal contains threatening, grossly derogatory, slanderous or obscene statements and/or organic contamination is included in or makes up any part of the appeal package.

(5) The description of the problem and/or requested action deliberately exceeds the space provided on the 602 forms or the appeal is intentionally filed contrary to instructions.

(b) When an inmate or parolee submits appeals as described above in subsections 3084.4(a)(1)–(a)(5):

(1) The first appeal received shall be screened for routine processing.

(2) All subsequent non-emergency appeals submitted by that individual shall be screened and the appeals coordinator shall begin documenting any abuse as evidenced by the screening results.

(c) If an inmate or parolee persists in submitting excessive, demonstrably false, noncompliant or abusive appeals, as described in subsection 3084.4(a), he or she shall receive a warning letter from the appeals coordinator that will document the history and nature of appeal system abuse.

(d) If the abuse of process continues after the issuance of a warning letter, the appeals coordinator shall meet with the inmate or parolee in a timely manner before imposition of any restriction to provide instruction for the appropriate use of the appeals process and to rule out any unintended basis for non-compliance. If a face-to-face meeting is not possible, an agent acting on behalf of the appeals coordinator shall conduct the meeting.

(e) Excessive, demonstrably false, noncompliant or abusive appeals, as described in subsection 3084.4(a), submitted by an inmate or parolee after the issuance of a warning letter, pursuant to subsection 3084.4(c) above, shall be screened by the appeals coordinator to ensure they do not contain qualifying emergency issues.

(1) If the appeal contains emergency issues, as described in subsection 3084.9(a)(1), it shall be processed as an emergency appeal.

(2) If no such issue is determined to be present, the appeal shall be retained by the appeals coordinator pending placement of the appellant on appeal restriction by the third level Appeals Chief. The appellant shall be informed in writing why the appeal constitutes abuse of the appeal process and informed that appeal processing has been suspended pending determination of appeal restriction status.

(f) If the appeal abuse continues after the issuance of a warning letter and a face-to-face meeting, the request for placement on restriction shall be referred to the third level Appeals Chief for approval.

(g) Upon confirmation of continued abuse and verification that a face-to-face interview and warning letter have occurred, the third level Appeals Chief shall have the discretion to authorize preparation of a notice by the Appeals Coordinator restricting the inmate or

parolee to one non-emergency appeal every 30 calendar days for a period of one year. Any subsequent violation of the appeal restriction shall result in an extension of the restriction for an additional one-year period upon approval by the third level Appeals Chief.

(h) If the third level Appeals Chief makes a decision not to place the inmate or parolee on appeal restriction, any appeal submitted by the inmate or parolee and retained pursuant to subsection 3084.4(e)(2) shall be returned to the inmate or parolee who may then resubmit a returned appeal if he or she desires to do so. Resubmitted appeals are not exempt from the standard submittal requirements set forth in this Article, except that the appellant's original submittal date of the appeal may serve to satisfy filing time requirements.

3084.6. Rejection, Cancellation, and Withdrawal Criteria.

(a) Appeals may be rejected pursuant to subsection 3084.6(b), or cancelled pursuant to subsection 3084.6(c), as determined by the appeals coordinator.

(1) Unless the appeal is cancelled, the appeals coordinator shall provide clear and sufficient instructions regarding further actions the inmate or parolee must take to qualify the appeal for processing.

(2) An appeal that is rejected pursuant to subsection 3084.6(b) may later be accepted if the reason noted for the rejection is corrected and the appeal is returned by the inmate or parolee to the appeals coordinator within 30 calendar days of rejection.

(3) At the discretion of the appeals coordinator or third level Appeals Chief, a cancelled appeal may later be accepted if a determination is made that cancellation was made in error or new information is received which makes the appeal eligible for further review.

(4) Under exceptional circumstances any appeal may be accepted if the appeals coordinator or third level Appeals Chief conclude that the appeal should be subject to further review. Such a conclusion shall be reached on the basis of compelling evidence or receipt of new information such as documentation from health care staff that the inmate or parolee was medically or mentally incapacitated and unable to file.

(5) Erroneous acceptance of an appeal at a lower level does not preclude the next level of review from taking appropriate action, including rejection or cancellation of the appeal.

(b) An appeal may be rejected for any of the following reasons, which include, but are not limited to:

(1) The appeal concerns an anticipated action or decision.

(2) The appellant has failed to demonstrate a material adverse effect on his or her welfare as defined in subsection 3084(c).

(3) The inmate or parolee has exceeded the allowable number of appeals filed in a 14 calendar day period pursuant to the provisions of subsection 3084.1(f).

(4) The appeal contains threatening, obscene, demeaning, or abusive language.

(5) The inmate or parolee has attached more than one CDCR Form 602-A (08/09), Inmate/Parolee Appeal Form Attachment.

(6) The appeal makes a general allegation, but fails to state facts or specify an act or decision consistent with the allegation.

(7) The appeal is missing necessary supporting documents as established in section 3084.3.

(8) The appeal involves multiple issues that do not derive from a single event, or are not directly related and cannot be reasonably addressed in a single response due to this fact.

(9) The appeal issue is obscured by pointless verbiage or voluminous unrelated documentation such that the reviewer cannot be reasonably expected to identify the issue under appeal. In such case, the appeal shall be rejected unless the appellant is identified as requiring assistance in filing the appeal as described in subsection 3084.1(c).

(10) The inmate or parolee has not submitted his/her appeal printed legibly in ink or typed on the lines provided on the appeal forms in no smaller than a 12-point font or failed to submit an original.

(11) The appeal documentation is defaced or contaminated with physical/organic objects or samples as described in subsection 3084.2(b)(4). Appeals submitted with hazardous or toxic material that present a threat to the safety and security of staff, inmates, or the institution may subject the appellant to disciplinary action and/or criminal charges commensurate with the specific act.

(12) The appellant has attached dividers or tabs to the appeal forms and/or supporting documents.

(13) The appeal is incomplete; for example, the inmate or parolee has not provided a signature and/or date on the appeal forms in the designated signature/date blocks provided.

(14) The inmate or parolee has not submitted his/her appeal on the departmentally approved appeal forms.

(15) The inmate or parolee has submitted the appeal for processing at an inappropriate level bypassing required lower level(s) of review, e.g., submitting an appeal at the third level prior to lower level review.

(16) The appeal issue or complaint emphasis has been changed at some point in the process to the extent that the issue is entirely new, and the required lower levels of review and assessment have thereby been circumvented.

(c) An appeal may be cancelled for any of the following reasons, which include, but are not limited to:

(1) The action or decision being appealed is not within the jurisdiction of the department.

(2) The appeal duplicates an inmate or parolee's previous appeal upon which a decision has been rendered or is pending.

(3) The inmate or parolee continues to submit a rejected appeal while disregarding appeal staff's previous instructions to correct the appeal including failure to submit necessary supporting documents, unless the inmate or parolee provides in Part B of the CDCR Form 602 (Rev. 08/09), Inmate/Parolee Appeal, a reasonable explanation of why the correction was not made or documents are not available.

(4) Time limits for submitting the appeal are exceeded even though the inmate or parolee had the opportunity to submit within the prescribed time constraints. In determining whether the time limit has been exceeded, the appeals coordinator shall consider whether the issue being appealed occurred on a specific date or is ongoing. If the issue is ongoing, which may include but is not limited to, continuing lockdowns, retention in segregated housing, or an ongoing program closure, the inmate or parolee may appeal any time during the duration of the event; however, the inmate or parolee is precluded from filing another appeal on the same issue unless a change in circumstances creates a new issue.

(5) The appeal is submitted on behalf of another person.

(6) The issue is subject to a department director level review independent of the appeal process such as a Departmental Review Board decision, which is not appealable and concludes the appellant's departmental administrative remedy pursuant to the provisions of section 3376.1.

(7) The appellant is deceased before the time limits for responding to an appeal have expired and the appeal is not a group appeal.

(8) The appellant refuses to be interviewed or to cooperate with the reviewer.

(A) The appellant's refusal to be interviewed or to cooperate with the reviewer shall be clearly articulated in the cancellation notice.

(B) If the appellant provides sufficient evidence to establish that the interviewer has a bias regarding the issue under appeal, the appeals coordinator shall assign another interviewer.

(9) The appeal is presented on behalf of a private citizen.

(10) Failure to correct and return a rejected appeal within 30 calendar days of the rejection.

(11) The issue under appeal has been resolved at a previous level.

(d) Group appeals shall not be cancelled at the request of the submitting individual unless all of the inmate signatories are released, transferred, or agree to withdraw the appeal.

(e) Once cancelled, an appeal shall not be accepted except pursuant to subsection 3084.6(a)(3); however, the application of the rules provided in subsection 3084.6(c) to the cancelled appeal may be separately appealed. If an appeal is cancelled at the third level of review, any appeal of the third level cancellation decision shall be made directly to the third level Appeals Chief.

(f) An appeal may be withdrawn by the appellant by requesting to have the processing stopped at any point up to receiving a signed response. The request for the withdrawal shall identify the reason for the withdrawal in section H of the CDCR Form 602, Inmate/Parolee Appeal and shall be signed and dated by the appellant. If there is an agreed upon relief noted in writing at the time of a withdrawal and the relief is not provided when and as promised, then the failure to provide the agreed upon relief may be appealed within 30 calendar days of the failure to grant the promised relief. The withdrawal of an appeal does not preclude further administrative action by the department regarding the issue under appeal. A withdrawn staff complaint shall be returned to the hiring authority to review for possible further administrative action.

3084.7. Levels of Appeal Review and Disposition.

(a) All appeals shall be initially submitted and screened at the first level unless the first level is exempted. The appeals coordinator may bypass the first level for appeal of:

(1) A policy, procedure or regulation implemented by the department.

(2) A policy or procedure implemented by the institution head.

(3) An issue that cannot be resolved at the division head level such as Associate Warden, Associate Regional Parole Administrator, PIA manager or equivalent.

(4) Serious disciplinary infractions.

(b) The second level is for review of appeals denied or not otherwise resolved to the appellant's satisfaction at the first level, or for which the first level is otherwise waived by these regulations. The second level shall be completed prior to the appellant filing at the third level as described in subsection 3084.7(c).

(1) A second level of review shall constitute the department's final action on appeals of disciplinary actions classified as "administrative" as described in section 3314, or of minor disciplinary infractions documented on the CDC Form 128-A (rev. 4-74), Custodial Counseling Chrono, pursuant to section 3312(a)(2), and shall exhaust administrative remedy on these matters.

(2) Movies/videos that have been given a rating of other than "G", "PG", or "PG-13" by the Motion Picture Association of America are not approved for either general inmate viewing pursuant to section 3220.4 or for viewing within the classroom, and will not be accepted for appeal at any level. The first level shall be waived for appeals related to the selection or exclusion of a "G", "PG", or "PG-13" rated or non-rated movie/video for viewing and the second level response shall constitute the department's final response on appeals of this nature.

(3) Civil addict/releasee exclusion appeals. Civil addicts or releasees may appeal a staff recommendation for exclusion from the civil addict program, unless the recommendation is based upon a commitment to prison, deportation, or releasee-at-large status. A second level review shall constitute the department's final response on appeals of this type.

(c) The third level is for review of appeals not resolved at the second level, or:

(1) When the inmate or parolee appeals alleged third level staff misconduct or appeals a third level cancellation decision or action.

(2) In the event of involuntary psychiatric transfers as provided in subsection 3084.9(b).

(d) Level of staff member conducting review.

(1) Appeal responses shall not be reviewed and approved by a staff person who:

(A) Participated in the event or decision being appealed. This does not preclude the involvement of staff who may have participated in the event or decision being appealed, so long as their involvement with the appeal response is necessary in order to determine the facts or to provide administrative remedy, and the staff person is not the reviewing authority and/or their involvement in the process will not compromise the integrity or outcome of the process.

(B) Is of a lower administrative rank than any participating staff. This does not preclude the use of staff, at a lower level than the staff whose actions or decisions are being appealed, to research the appeal issue.

(C) Participated in the review of a lower level appeal refiled at a higher level.

(2) Second level review shall be conducted by the hiring authority or designee at a level no lower than Chief Deputy Warden, Deputy Regional Parole Administrator, or the equivalent.

(3) The third level review constitutes the decision of the Secretary of the California Department of Corrections and Rehabilitation on an appeal, and shall be conducted by a designated representative under the supervision of the third level Appeals Chief or equivalent. The third level of review exhausts administrative remedies; however, this does not preclude amending a finding previously made at the third level.

(e) At least one face-to-face interview shall be conducted with the appellant at the first level of review, or the second level if the first level of review is bypassed, unless:

(1) The appellant waives the interview by initialing the appropriate box on the CDCR Form 602 (Rev. 08/09), Inmate/Parolee

Appeal. An appellant's waiver of the interview shall not preclude staff from conducting an interview in the event of staff determination that an interview is necessary.

(2) The reviewer has decided to grant the appeal in its entirety.

(3) The appeal is a request for a Computation Review Hearing, in which case the initial interview shall occur at the second level of review.

(4) The appellant is not present at the institution or parole region where the appeal was filed.

(A) In such case, a telephone interview with the appellant shall meet the requirement of a personal interview. If the appeal concerns a disciplinary action, the telephone interview may be waived if the appeals coordinator determines an interview would not provide additional facts.

(B) The response must note that the interview was conducted by telephone, explain the extraordinary circumstances that required it, and state why a face-to-face interview was not possible under the circumstances.

(C) If the appellant is not available for a telephone interview, the reviewer may request that a suitable employee in the jurisdiction where the appellant is located complete the interview and provide a report.

(f) An interview may be conducted at any subsequent level of review when staff determine that the issue under appeal requires further clarification.

(g) When a group or multiple appeal is received, one or more of the participating inmates/parolees shall be interviewed to clarify the issue(s).

(h) At the first and second level of review, the original appeal, within the time limits provided in section 3084.8, shall be returned to the appellant with a written response to the appeal issue providing the reason(s) for each decision. Each response shall accurately describe the matter under appeal and fully address the relief requested. If the decision is a partial grant, the response shall clarify for each requested action whether it is granted, granted in part, or denied, and shall also state the action taken.

(i) Modification orders issued by the institution, parole region, or by the third level of review shall be completed within 60 calendar days of the appeal decision which determined the need for a modification order. Reasonable documented proof of completion of the modification order shall accompany the completed order, or a statement shall be added by the responder clarifying the action taken and why documentation is not available.

(1) If it is not possible to comply with the modification order within 60 calendar days, staff responsible for complying with the modification order shall advise the local appeals coordinator every 30 calendar days of the reason for the delay and provide a projected date of completion. If the modification order was imposed by the third level of review, the local appeals coordinator shall notify the third level Appeals Chief every 30 calendar days of the reason for the delay and provide a projected date of completion.

(2) When it is clear that the modification order cannot be completed in the allotted time, the appeals coordinator shall advise the appellant of the reason for the delay and the anticipated date of completion. This process shall occur every 30 calendar days until the modification order is completed. All time constraints for an appellant to submit an appeal to the next level are considered postponed up to 120 days until the completion of a previous level modification order. Thereafter, the appellant must submit his/her appeal to the next level within 30 calendar days of receiving the modification order response.

(3) If the modification order is not completed after 120 calendar days of the issuance, the appellant may submit the appeal to the next level for administrative review within 30 calendar days.

(4) If the appellant transfers prior to the completion of the modification order, the originally assigned institution or parole region shall retain responsibility for completion of the modification order as specified in subsection 3084.7(i), including cases where the receiving institution or parole region provides the actual relief.

(5) In cases where a modification order is issued on an emergency appeal, the order shall specify the timeframe for the completion of the action granted. The appeals coordinator, if granted at the second level of review, and the third level Appeals Chief or designee, if granted at the third level of review, shall notify the hiring authority by electronic transmission of the emergency timeframe for completion of the granted action.

3084.9. Exceptions to the Regular Appeal Process.

(a) Emergency appeals. Emergency appeals should not be used by inmates or parolees as a substitute for verbally or otherwise informing staff of an emergency situation requiring immediate response.

(1) When circumstances are such that the regular appeal time limits would subject the inmate or parolee to a substantial risk of personal injury or cause other serious and irreparable harm, the appeal shall be processed as an emergency appeal. Emergency circumstances include, but are not limited to:

(A) Threat of death or injury due to enemies or other placement concerns.

(B) Serious and imminent threat to health or safety.

(2) An emergency appeal shall be submitted directly to the appeals coordinator and shall include a clear description of the circumstances warranting emergency processing. A request for emergency processing of an appeal that clearly does not meet the criteria for emergency processing or is made for the purpose of circumventing normal procedures or obtaining an expedited response may be considered misuse or abuse of the appeals process.

(3) If the appeals coordinator determines emergency processing is unwarranted, the inmate or parolee shall be notified and the appeal shall be processed pursuant to subsection 3084.5(b)(2).

(4) If emergency processing is warranted, the first level shall be waived and the second level review shall be completed within five working days.

(b) Involuntary psychiatric transfers. An inmate or parolee may appeal the written decision of an involuntary psychiatric transfer, pursuant to subsection 3379(d), directly to the third level. A copy of the hearing decision shall be attached to the CDCR Form 602 (Rev. 08/09), Inmate/Parolee Appeal, but the absence of such documentation shall not be cause for rejection of the appeal.

(c) Joint Venture Program (JVP) employer related grievances.

(1) Any current or former Joint Venture inmate-employee who believes he/she has a grievance regarding a wage and hour or retaliation claim against a JVP employer shall submit the written grievance to the JVP Chief.

(2) The JVP Chief shall attempt to resolve all complaints.

(3) Time frames for filing grievances will be governed by the Division of Labor Standards Enforcement's (DLSE) statutes of limitations, including but not limited to, Labor Code section 98.7 and Code of Civil Procedure sections 337, 338, and 339, for the appropriate type of complaint.

(4) If the inmate is dissatisfied with the JVP Chief's decision, the inmate may file a complaint with the Labor Commissioner.

(d) Parole period and term computation appeals. Parole period and term computation appeals shall be reviewed at the first level by the department's records staff. The inmate or parolee must state in detail the alleged error or reason for disputing the calculation of his or her release date.

(1) Records staff shall research the relevant case factors and document the findings. If the appeal is denied, the denial shall be delivered by records staff or by the appropriate caseworker to the

appellant who shall sign and date a CDC Form 1031 (8-88), Acknowledgement of Receipt.

(2) The inmate or parolee may request a Computation Review Hearing that constitutes the second level review. The inmate or parolee shall be notified at least 24 hours prior to the hearing via the CDC Form 1032 (12/86), Notice of Time, Date, and Place of Computation Review Hearing, but may sign a voluntary waiver of such notice.

(3) The inmate or parolee shall be provided a copy of the CDC Form 1033 (8-88), Computation Review Hearing Decision, at the conclusion of the hearing.

(e) California Prison Industry Authority (CALPIA) health and safety complaints.

(1) A health and safety complaint should not be used by inmates as a substitute for verbally or otherwise informing staff of an urgent health or safety situation requiring immediate response.

(2) Pursuant to Labor Code and Industrial Relations regulations, an inmate who believes a health or safety hazard exists in a CALPIA operation shall deposit a written complaint in a readily accessible complaint box or give the complaint to any CALPIA staff member who shall submit it to the CALPIA health and safety committee for review and response. The committee shall undertake all authorized levels of review and referral.

(f) Property appeals. All property loss or damage arising from the same event or action for a single appellant shall be included in one appeal.

(1) An inmate or parolee who is appealing missing/damaged property that he or she believes occurred as a result of an error made by the receiving entity or by the transportation unit during the transfer of his/her property shall submit the appeal to the appeals coordinator of the receiving institution/region.

(2) An inmate or parolee who is appealing missing/damaged property that he or she alleges occurred as a result of an error made by the sending entity during the transfer from one institution/region to another institution/region, shall submit the appeal to the appeals coordinator of the receiving institution/region who will forward it to the sending institution/region for processing.

(3) The appeals coordinator shall process the appeal for a first level response.

(A) An attempt shall be made by staff to assess the damaged property and/or conduct a thorough search to locate the missing property.

(B) An attempt shall be made by staff to research the appellant's claim utilizing departmental inmate property records.

(4) If an administrative decision is made that the department is responsible for loss or damage to the appellant's property pursuant to section 3193, an attempt by staff to use donated property to substitute for or replace lost property at no cost to the state, or any effort to repair damaged property at institution expense, will be made prior to awarding monetary compensation for the loss.

(5) An appellant's refusal to accept repair, replacement, or substitution of like items and value shall be cause to deny the appeal. When denying an appeal on this basis, the reviewer must state why the replacement offered to the appellant is considered an equivalent item and value.

(6) The provisions of subsection 3193(b) shall apply when monetary compensation is determined to be the appropriate remedy.

(7) Before payment of any granted claim, the inmate or parolee shall discharge the state from further liability for the claim if required pursuant to Government Code section 965.

(8) The document denying a property claim appeal shall inform the appellant of the right to submit a claim directly with the Victim Compensation and Government Claims Board and shall provide the mailing address for such filing.

(9) An inmate or parolee who intends to submit a claim with the Victim Compensation and Government Claims Board shall adhere to the rules and timeframes governing those claims, which may be more restrictive than those of the CDCR appeals process.

(g) Disciplinary Appeals.

(1) A disciplinary action cannot be appealed until the hearing process is completed, including any re-hearing.

(2) Inmates who wish to exhaust their administrative remedies for “serious” disciplinary issues pursuant to section 3315 must appeal through the third level of review.

(h) Transfer Appeals. A decision for transfer to another institution may be appealed by the affected inmate after the transfer endorsement by the classification staff representative.

(1) Filing of an appeal of a transfer decision shall not normally be cause to stay or delay a transfer except in extraordinary circumstances and at the discretion of the Warden or designee.

(2) Regular transfer appeals:

(A) The first level of appeal shall be waived.

(B) If the appeal is granted at second level, the appellant’s case shall be presented to a second classification staff representative for reconsideration.

(C) If the second classification staff representative disagrees with institution’s recommendation, the institution head may submit the case to the departmental review board for final decision.

(D) If the appeal is denied at second level or the institution head does not refer the case to the departmental review board, the appellant may appeal at the third level.

(3) Reception center transfer appeals:

(A) First level review shall be conducted by the reception center’s correctional administrator.

(B) If the appeal is granted, the appellant may be retained at the reception center until the case is presented to a second classification staff representative only if the proposed transfer poses a threat to the health or safety of the appellant.

(C) If the second classification staff representative disagrees with the first level appeal decision, the appellant may resubmit the appeal for second level review.

(D) Second level review shall be conducted by the institution head, who may retain the appellant at the reception center as a second level review action and refer the appeal to the departmental review board for resolution. The board’s decision shall constitute final review.

(i) Staff complaints. A staff complaint filed by an inmate or parolee shall be processed as an appeal pursuant to this Article, not as a citizen’s complaint. However, any appeal alleging misconduct by a departmental peace officer as defined in subsection 3291(b) shall be accompanied by the subsection 3391(d) Rights and Responsibility Statement.

(1) An inmate or parolee alleging staff misconduct by a departmental employee shall forward the appeal to the appeals coordinator. Only after the appeal has been reviewed and categorized as a staff complaint by the hiring authority or designee at a level not below Chief Deputy Warden, Deputy Regional Parole Administrator, or equivalent level shall it be processed as a staff complaint. If the hiring authority makes a determination that the complaint shall not be accepted as a staff complaint, it shall be processed as a routine appeal pursuant to subsection 3084.5(b)(4)(A).

(2) When an appeal is accepted alleging staff misconduct that also includes any other issue(s), the appeals coordinator at the time the appeal is accepted as a staff complaint shall notify the inmate or parolee that any other appeal issue(s) may only be appealed separately and therefore resubmission of those issues is required if the intention is to seek resolution of such matters. Upon receiving such

a notice, the inmate or parolee has 30 calendar days to submit separate appeal(s) regarding the other issue(s).

(3) All appeals alleging staff misconduct will be presented by the appeals coordinator to the hiring authority or designee within five working days. The hiring authority will review the complaint and determine if:

(A) The allegation warrants a request for an Internal Affairs investigation as the alleged conduct would likely lead to adverse personnel action. The case will be referred for an Internal Affairs investigation as instructed by the hiring authority.

(B) The allegation does not warrant a request for an Internal Affairs investigation in which case a confidential inquiry shall be completed by the reviewer. An inquiry shall be conducted whenever the appeal is designated as a staff complaint but is not referred to the Office of Internal Affairs (OIA) or when the matter is declined by the OIA.

1. A confidential report shall summarize the review and include a determination of the findings concerning the allegation. This document shall not be provided to the appellant. It shall be kept in the appeal file in the Appeals Office and no other copies shall be kept or maintained except as herein described or as needed for Third Level review or litigation. This document is strictly confidential to all inmates and any staff except those involved in the inquiry process or litigation involving the department.

2. The accused staff may review the confidential report in the appeals office upon approval of the litigation coordinator, but if any information relating to other staff is contained in the confidential document, a copy shall be made and that information redacted prior to the review. Neither the original nor the copy shall leave the appeals office except as required for litigation and any redacted copy shall be placed with the original after review.

3. The assigned reviewer will interview the appellant and as many witnesses as necessary to reach a determination concerning the allegation. The subject(s) of the staff complaint may be interviewed by a person trained to conduct administrative interviews and will be given notice of the interview at least 24 hours prior to the interview. If the subject chooses to waive the 24-hour requirement, he/she must indicate this at the time they are given notice. If waived, the subject may be interviewed immediately.

4. A confidential inquiry shall review the information available to determine whether policy was violated.

(4) The institution’s appeal response to a staff complaint shall inform the appellant of either:

(A) The referral for investigation and the status of the investigation. Additionally, the appellant shall be notified of the outcome at the conclusion of the investigation.

(B) The decision to conduct a confidential inquiry and whether the findings determined that the staff in question did or did not violate departmental policy with regard to each of the specific allegation(s) made.

(5) A staff complaint alleging excessive or inappropriate use of force shall be addressed pursuant to the procedures described in sections 3268 through 3268.2.

(6) An appeal alleging staff misconduct by an appeals coordinator shall be reviewed by the hiring authority for determination of processing.

Article 8.5. Written Request Process

3086. Inmate/Parolee Request for Interview, Item or Service.

(a) Inmates and parolees may request interviews with staff and/or request items and services via a written request process. The objectives of timely resolution of routine matters through an effective and non-conflictive communication process shall be facilitated by the practices set forth in this article, which shall be henceforth applied uniformly toward that end. Department staff shall attempt to resolve inmate and parolee issues expeditiously.

(b) The written request process may be used when the inmate or parolee seeks a response to an issue or concern related to his or her confinement or parole.

(c) The department shall ensure that inmates and parolees will have access to the CDCR Form 22 (10/09), Inmate/Parolee Request for Interview, Item or Service, which is incorporated by reference. This form shall be made readily available in:

- (1) All inmate housing units, general or segregated.
- (2) All institutional libraries.
- (3) Any facility under the department's jurisdiction, whether residential or medical, where inmates are required to remain more than 24 hours.
- (4) All parole field offices.

(d) The Inmate/Parolee Request for Interview, Item or Service form will provide:

(1) A written method for an inmate or parolee to address issues and concerns with staff and/or to request items and services.

(2) A record of the date the form was first presented to staff, and the date of each staff response.

(e) When seeking response to a written request for an interview, item, or service, the inmate or parolee shall complete the Request for Interview, Item or Service form to describe his or her request. The inmate shall deliver or mail via institutional mail the completed form to any staff member who is able to respond to the issue. The parolee shall deliver or mail via the United States Postal Service the completed form to his or her parole agent, who shall respond to the issue or, as appropriate, route the form to another staff member who is able to respond to the issue.

(1) If the inmate or parolee mails the form, the receipted copy of their request may also be returned by staff via the mail.

(2) As the written request process does not stay the time constraints for filing an appeal, the inmate or parolee is not precluded from filing an appeal on the same issue prior to receiving a response to their written request. However, the appeal may be rejected by the appeals coordinator or designee with instructions to complete the request form process before resubmitting the appeal.

(f) Upon receipt of an inmate or parolee completed Request for Interview, Item or Service form, the employee shall:

(1) Accept, date and sign the form.

(2) Provide to the inmate or parolee the bottom copy of the employee signed form, which shall serve as the inmate's or parolee's receipt to verify the date of submittal. The employee, at his or her discretion, can respond to the request at this time or wait until he or she has more time to respond within the constraints of this article.

(3) The receipt of an inmate- or parolee-completed form does not preclude a staff member from forwarding the document to a more appropriate responder; however, employees shall either deliver the form to the staff member or place it in institutional mail addressed to the intended staff member within 24 hours.

(4) Within three working days after receipt of the form, the responding employee shall:

(A) Note his or her decision or action on the form.

(B) Sign and date the form.

(C) Retain a copy for his or her records.

(D) Return the original and remaining copy of the form to the inmate or parolee.

(g) If the inmate or parolee is dissatisfied with or disagrees with the staff member's response, he or she may submit the Request for Interview, Item or Service form to the employee's supervisor for review, while retaining a copy for his or her records. Only in the absence of the staff member's supervisor may the inmate or parolee submit the form to another supervisor of the office or unit in question.

(h) Within seven calendar days of receipt of the Request for Interview, Item or Service form, the supervisor shall:

(1) Indicate a decision or action on the form.

(2) Sign and date the form.

(3) Ensure a copy is made and retained in the facility records for a period no less than prescribed for inmate correspondence in the approved departmental records retention schedule.

(4) Return the original to the inmate or parolee.

(i) An inmate or parolee's documented use of a Request for Interview, Item or Service form does not constitute exhaustion of administrative remedies as defined in subsection 3084.1(b).

3122. Inmate Law Library.

(a) Each facility shall provide legal materials through its law library to provide inmates with meaningful access to the courts.

(b) Inmates who have established court deadlines may apply for Priority Legal User (PLU) status to the prison law libraries. Inmates who are granted PLU status based on their application shall receive higher priority to prison law library resources than other inmates. All inmates who are not on PLU status are on General Legal User (GLU) status.

(1) An established court deadline may be either a court imposed deadline for an active case or a statutory deadline. Inmates who apply for PLU status based on a court imposed deadline must show documentation from the court to verify that deadline. Inmates who apply for PLU status based on a statutory deadline must identify the legal rule that compels the deadline.

(2) An inmate who is represented by an attorney for a case shall not be eligible for PLU status for any established court deadline pertaining to that case. An inmate with attorney representation for the established court deadline shall be entitled to GLU status only.

(3) Inmates shall complete and sign a CDCR Form 2171 (Rev. 9/09), Priority Library User (PLU) Request and Declaration, which is incorporated by reference, to apply for PLU status. The Form 2171 shall include check boxes for inmates to designate their established court deadlines. The Form 2171 shall also include a check box for inmates to confirm that they do not have attorney representation for their listed deadline.

(4) Except under extraordinary circumstances beyond staff control, law library staff shall have seven calendar days after receipt of the completed and signed Form 2171 to process an inmate's application for PLU status and make a decision to approve or disapprove the application. Staff members who disapprove an inmate's application shall provide the reasons for their disapproval on the form and shall provide a copy of that document to the inmate.

(5) An inmate who is found to have provided false information on his or her application for PLU status shall be guilty of an administrative rule violation and shall not be able to obtain PLU status based on that application.

(6) An inmate may receive PLU status within 30 calendar days of his or her established court deadline unless the inmate can demonstrate need for a longer period of PLU status based on extraordinary circumstances beyond the inmate's control.

(7) PLU status is intended to assist inmates to do legal work in a quiet law library setting. An inmate on PLU status who, while in the law library, is observed by staff to act in an unreasonably disruptive manner or to engage in non-legal work shall be removed from the PLU list and shall be dismissed from the library for that day. Inmates who are removed from the PLU list for these reasons shall be ineligible to reapply for PLU status for 30 calendar days, but may continue to use the law library on GLU status.

(c) Inmates may not in any way trade, transfer, or delegate their PLU status to other inmates. An inmate who assists another inmate in the preparation of legal documents, as described in section 3163, may not use the PLU status of the inmate being assisted.

(d) An inmate in a facility without a law library and requesting access to such resources shall be transferred to a facility with a law library of departmental choosing for the period of time needed to complete legal work.

3123. Access to Law Libraries.

(a) Physical law library access means physical entry into a facility law library for the purpose of using its legal resources. A facility law library includes, but is not limited to, a print law library or the Law Library Electronic Delivery System (LLEDs) with any necessary print supplements.

(b) All inmates, regardless of their classification or housing status, shall be entitled to physical law library access that is sufficient to provide meaningful access to the courts. Inmates on PLU status may receive a minimum of 4 hours per calendar week of requested physical law library access, as resources are available, and shall be given higher priority to the law library resources. Inmates on GLU status may receive a minimum of 2 hours per calendar week of requested physical law library access, as resources are available.

(c) When unable to physically access the law library, an inmate may request access to legal material through delivery of those materials to the inmate by library staff. This process is referred to as law library paging. An inmate shall not be limited to law library paging for access to legal materials except under extraordinary circumstances including, but not limited to, the following:

(1) The inmate is directly under a prison lockdown or modified program.

(2) The inmate is under restricted movement due to his or her medical status.

(3) The inmate has been suspended from physical access to the law library pending investigation of a serious rule violation.

(d) Inmates who are limited to law library paging due to a lock-down or modified program shall, whenever possible, have their law library access restored within 16 calendar days unless a high security risk continues to exist to prohibit physical law library access.

(e) When inmates are limited to law library paging for any reason as described in section 3123(c), law library staff must deliver the requested legal material to their cells as soon as possible, but no later than 16 calendar days from the date of the paging request.

(f) Disciplinary action for an inmate who is found to be guilty of a serious rule violation pertaining to law library resources, facilities, or staff may include a suspension of all physical law library access for up to 90 calendar days. This action does not preclude an inmate from pursuing legal research through the reasonable use of law library paging, beginning three calendar days after the date of suspension until the suspension period ends.

All persons corresponding with inmates must comply with existing laws, regulations and local rules. Any violation of laws governing mail will be referred to postal authorities and to appropriate criminal authorities. Violations of law, the policies and regulations set forth in this article, or of approved facility mail procedures may result in the temporary suspension or denial of correspondence between the persons involved.

HISTORY:

1. Amendment of subsection (a) filed 7-17-2008; operative 7-17-2008 pursuant to Government Code section 11343.4 (Register 2008, No. 29).

3133. Definitions and Disposition of Mail.**(a) Definitions:**

(1) First-Class Mail is all mail wholly or partly in writing or typewriting, all actual and personal correspondence, all bills and statements of account, and all matter sealed or otherwise closed against inspection. The maximum weight for a First-Class letter is 13 ounces. All First-Class Mail shall be delivered to the inmate as soon as possible, but not later than seven calendar days from receipt of the mail at the facility mailroom.

(2) Standard Mail, formerly called Bulk Mail, is used for advertising mail, catalogues, and newsletters of a non-personal nature that are not required to be mailed as First-Class Mail. The maximum weight for Standard Mail is 16 ounces.

(3) Periodicals are a class of mail consisting of magazines, newspapers or other publications formed of printed sheets that are published at least four times a year at regular, specified intervals from a known office of publication. The known office of publication must be a public office for transacting the business of the publication during normal business hours, and must also be the office where the publication's circulation records are available for USPS examination.

(4) Package Services are Parcel Post, bound Printed Matter, Media Mail, and Library Mail. With the exception of parole clothes and third party special purchase health appliances, inmates shall not be allowed to receive package services directly from personal correspondents. Packages containing parole clothes or third party special purchase health care appliances must be clearly marked with either "Parole Clothes" or "Health Care Appliance" on the outside of the package. Personal correspondents do not include the Courts, Law Firms, County, State and Federal Agencies, Publishers, Bookstores, Book Distributors, Religious Organizations that provide written materials only, etc.

(5) For purposes of this article, the definition of indigent inmate is an inmate who has \$1.00 or less in their Inmate Trust Account for 30 consecutive days.

(b) All incoming and outgoing mail shall be handled in accordance with the following:

(1) All incoming mail shall be properly addressed. Appropriately addressed mail shall include the inmate's name and department identification number. The mail should also include the address designated by the institution for inmate mail. The receiving institution is required to update any mail piece that does not reflect accurate

housing or institutional location. Standard Mail must be addressed to an individual inmate, showing their name, CDCR number and the address for the applicable institution.

(2) All outgoing mail shall be properly addressed, and shall be marked indicating that it originated from a California State Correctional Facility. If addressed to an inmate, it must contain the sender's name, department identification number and the return address designated by the institution for inmate mail, including housing. It shall also contain the recipient's name, address, city, state, and zip code.

(3) All incoming packages and non-confidential mail addressed to an inmate will be opened and inspected before delivery to the inmate. The purpose of inspection will be to receive or receipt any funds enclosed for deposit to the inmate's trust account, to verify and record the receipt of permitted personal property, and to prevent the introduction of contraband. All non-confidential inmate mail, incoming or outgoing, is subject to being read in its entirety by designated staff. All non-confidential inmate mail that is "returned to sender" shall be opened and inspected before being returned to the inmate.

(4) Facilities shall not require incoming books, magazines or newspapers to have an institution pre-approved "vendor approved" label affixed to the packaging. A departmentally approved vendor is any publisher, book store, or book distributor, that does mail order business. Books, periodicals or other publications that are mailed from a religious organization shall be considered as coming from an authorized vendor.

(c) Confidential Mail with Inmate Trust Account Withdrawals. Inmate confidential mail submitted with a CDC Form 193, Inmate Trust Withdrawal (Rev. 1/88), to pay for filing fees or other costs may be left unsealed so that the voucher (check) can be enclosed after the trust account withdrawal has been processed. Inmates who do not wish to forward this type of mail unsealed should attach a stamped, appropriately addressed envelope to the confidential mail so the check can be enclosed and forwarded in the extra envelope.

(d) Undelivered Mail. All undelivered letters and packages returned to a facility by the post office shall be opened and inspected before being returned to the inmate. This inspection is to determine if the content originated with the inmate sender identified on the letter or package, and to prevent the transmission of contraband, material, substances, and property that an inmate is not authorized to possess in the correctional facility. The inspection of returned mail includes regular mail and letters that were mailed as confidential correspondence. In the case of returned confidential correspondence, the envelope shall be opened in the presence of the inmate. It shall be examined and read to the degree necessary to determine if it was sent by the inmate and opened or tampered with before its return to the facility. Upon completion of this examination, the returned correspondence shall be given to the inmate. Any contraband found in the returned correspondence shall be confiscated and processed, and appropriate disciplinary action taken.

(e) Unmailed Correspondence. If any First-Class Mail is not accepted for mailing, or is accepted for mailing but is not properly mailed, the inmate shall be notified in writing of the reason for refusal to accept or to promptly mail the item(s). When the delay in mailing exceeds 5 business days, the notice shall be sent and include the disposition of such mail. Unless retention of such mail is required in administrative, legal, or disciplinary proceedings against the inmate or other persons, it shall be promptly mailed or returned to the inmate.

(f) Forwarding Mail. Mail received for an inmate who has been transferred from the facility where the mail is received shall be immediately forwarded to the facility or agency that has current custody of the inmate. Mail addressed to an inmate who has

been transferred or released shall not be returned to the sender as "Addressee Unknown" unless the individual has been discharged from CDCR. First-Class Mail and Periodicals addressed to an inmate who has been transferred within the CDCR shall have a label affixed with the current address and shall be forwarded via the USPS. For inmates who have paroled, the affixed label shall state "Paroled Region #____", and shall show that Parole Regions' address. Standard Mail with a "Mailer Endorsement" that was appropriately addressed, but is undeliverable because the inmate is no longer housed at the facility, shall be returned to the USPS for processing. Mailroom staff shall affix a label to the Standard Mail piece showing the correct address before returning it to the USPS for processing. For inmates who have paroled, the label affixed to the Standard Mail piece shall state "Paroled Region #____" and shall show that Parole Regions' address. The Mailer Endorsement will appear either near the address block or below the return address in the top left corner of the mail piece. A Mailer Endorsement may read "Address Service Requested", or "Forwarding Service Requested", or "Change Service Requested", or "Return Service Requested". Staff may dispose of any Standard Mail piece that does not have a Mailer Endorsement, and is undeliverable because the inmate is not currently housed at the institution. Daily newspapers that are delivered by courier will not be forwarded nor will they be held for an inmate who is temporarily away from the facility for longer than 72 hours. Exceptions will be made when the absence results from the inmate's participation in facility approved activities such as a community release program, firefighting or other disaster control assignments. Newspapers that are delivered by the USPS will have a forwarding address affixed and shall be returned to the USPS for processing.

(g) Forwarding Confidential Correspondence. All confidential correspondence for inmates that must be forwarded will be done on a daily basis. If delivery of confidential correspondence from the courts is impeded because the addressee's name and CDCR number do not conform to each other, the mailroom will contact the Litigation Coordinator who will telephone the court to clarify the identification of the addressee in order to expedite delivery of confidential correspondence. Staff will document their efforts to identify the addressee when confidential correspondence from the courts cannot be delivered.

(h) Temporary Absence. Mail shall be held for an inmate who is temporarily away from the facility when the inmate's return is anticipated within one week.

Inmates shall obtain written authorization from the Warden/Regional Parole Administrator or their designee/assigned probation officer, person in charge of the County Jail and/or other State Correctional Systems, at a level not less than Correctional Captain/Facility Captain or Parole Agent III, to correspond with any of the following:

(1) Inmates under the jurisdiction of any county, state or federal, juvenile or adult correctional agency.

(2) Persons committed to any county, state or federal program as a civil addict.

(3) Persons on parole or civil addict outpatient status under the jurisdiction of any county, state or federal, juvenile or adult correctional agency.

(4) Persons on probation.

Inmates may be allowed to correspond with the persons described in subsections 3139(a)(1) through (4) provided those persons meet

the criteria of approval of no known gang affiliation, or involvement with a known terrorist group or racketeering enterprise.

(c) The CCI/PA shall interview the inmate/parolee and/or review their C-file/Field File to obtain the information required to process an inmate's Request for Correspondence Approval, CDC Form 1074 (Rev. 08/87). If an inmate's request to correspond with another inmate/parolee is denied, the CCI/PA shall advise the inmate in writing.

(1) When reviewing the initiating inmates C-file, staff shall ascertain whether prior approval exists. If prior approval exists, a copy of the previously approved CDC Form 1074 shall be forwarded to both institutional mailrooms.

(2) When an initiating inmate's request to correspond with another inmate meets the criteria for approval per section 3139(b), and no prior approval exists, the CCI/PAI shall ensure that a CDC Form 1074 is completed.

(3) If the request is approved, staff shall retain the fifth page in the C-File/Field/File at the requesting institution/parole office. The remaining four pages shall be forwarded, intact, to the institution/parole office/probation office/other county, state or federal facility where the other requested correspondent is housed. Neither a photocopy of the CDC Form 1074, nor the fifth page, shall be forwarded to the C-File or mailroom while the correspondence approval is pending.

(4) If the request to correspond is denied at the institution/parole office/probation office/other state correctional facility, the reason for denial shall be annotated on the CDC Form 1074, and it shall be returned, in its entirety, to the sending institution/parole office.

(5) Copies/photocopies shall not be delivered to the requested inmate, the receiving institutions mailroom, or the housing unit.

(6) Upon receipt of the disapproved CDC 1074, staff at the sending institution/field office shall ensure that the 2nd page is returned to the initiating inmate.

(7) If correspondence is approved at the institution/parole office, staff shall ensure that the CDC Form 1074 is completed. They shall retain the third and fourth pages for distribution. If the third page and fourth pages are not legible, the CCI/PAI shall make photocopies of the first page prior to forwarding the completed CDC Form 1074 to the sending institution. The approved CDC Form 1074 will be distributed as directed on the form.

(8) Photocopies of the CDC Form 1074 shall not be made for the housing unit(s). The housing units shall not keep records of approved correspondents.

(9) The mailroom supervisor shall establish and maintain a record of approved CDC Form 1074s.

(10) When a CDCR inmate requests to correspond with an inmate in a county, state, or federal facility, or if the request is from a county, state, or federal inmate, the CCI shall ensure that a CDC Form 1074 is completed along with a cover letter that thoroughly explains the need for the CDC Form 1074. If the request is denied, the CCI shall ensure that a letter is forwarded to the requesting agency thoroughly explaining the denial.

(d) There shall be no limits set on the number of times approved inmates/parolees/probationers can correspond with one another unless revoked. The approval to correspond may be revoked due to disciplinary violations involving correspondence between the inmates/parolees or as a result of a classification action based on safety and security. Any such restriction, or revocation of approval, shall be communicated to inmate(s)/parolee(s) and to the warden(s)/parole administrator(s) of the institution/facility where the inmate(s)/parolee(s) are housed.

(e) Wardens at institutions where there are segregated housing units such as, but not limited to, Security Housing Units (SHU), Administrative Segregation Units (ASU), and Psychiatric Services

Units (PSU), shall outline in their local procedure any further restrictions on correspondence due to safety and security concerns, limited to those specific housing units.

(f) The most restrictive a facility can be with respect to inmate mail privileges is to limit correspondence between inmates to only the following:

- (1) Immediate Family Members as defined in section 3000.
- (2) Co-litigants on active cases, until the case is resolved.
- (3) Incarcerated natural parent of the inmate's child.

A facility may not restrict mail privileges between an inmate and any of the above three types of correspondents, unless the inmate or the correspondent violates section 3006 or other CCR section.

(g) Approval to correspond shall remain in effect upon transfer to another departmental facility or another parole office.

(h) If an inmate's transfer is based on case factors that create security concerns, such as, but not limited to, placement in SHU, ASU, or PSU, a reexamination by committee of all approved correspondence shall be conducted. The CCI shall review and recommend to committee whether to continue approval of the correspondence.

(i) If an institution/parole office receives mail from an unapproved inmate/parolee correspondent, staff shall mark the envelope with "Not an Approved Correspondent" or equivalent language and return it to the sender.

(j) Inmates confined in departmental facilities may correspond with former inmates. Prior approval of the warden, superintendent, or person in charge of the correctional facility is required if the person was discharged from a facility within the past twelve months.

(b) The inmate's full name, department identification number, and the address of the facility shall be included in the return address appearing on the outside of the envelope.

(c) The word "confidential" shall appear on the face of the envelope. Failure to do this will result in the letter being processed as regular mail or being returned to the inmate if for any reason the mail cannot be processed as regular mail.

(d) Inmates shall post confidential mail by presenting the mail unsealed to designated staff. In the presence of the inmate, the staff shall remove the contents of the envelope upside down to prevent reading of the contents. Staff shall remove the pages and shake them to ensure there is no prohibited material, consistent with these regulations. If no prohibited material is discovered, the contents shall be returned to the envelope and sealed. Staff shall place their signature, badge number and date across the sealed area on the back of the envelope. Staff shall then deposit the confidential mail in the appropriate depository.

(e) If prohibited material is found in the confidential mail, the prohibited material shall be confiscated; however, the letter may be returned to the inmate or mailed following the process outlined above. If the prohibited material indicates a violation of the law or intent to violate the law, the matter may be referred to the appropriate authorities for possible prosecution. An attorney's return address must match the address listed with the State Bar. A notice or request for confidentiality is not required on the envelope. Correspondence that is appropriately addressed with a return address that indicates it may be confidential shall be processed and treated as confidential correspondence whether or not it is stamped as such.

(a) Designated staff shall open the letter in the presence of the addressed inmate at a designated time and place. Staff shall not read any of the enclosed material. Staff shall remove the pages and shake them to ensure the absence of prohibited material.

(b) Inmates shall sign for all confidential mail at the time of delivery. This shall be accomplished by use of a permanent logbook or use of receipts. If receipts are used, the receipts shall be forwarded to the mailroom for filing. HISTORY:

1. Amendment filed 7-17-2008; operative 7-17-2008 pursuant to Government Code section 11343.4 (Register 2008, No. 29).

3144. Inspection of Confidential Mail.

Confidential mail will be opened and inspected for contraband in the presence of the inmate addressee. Inspecting correctional officials will not read any of the contents of the confidential mail. Confidential mail may be further inspected, for cause only.

(a) Cause may include, but is not limited to, the reasonable belief by correctional officials that the letter is not addressed to or is not from an official or office listed in Section 3141 or when other means of inspection indicates the presence of physical contraband in the envelope. In such instances the mail will be opened in the presence of the inmate for determination.

(b) Administrative action may be taken to restrict, for cause, the confidential mail privileges afforded to an attorney pursuant to this Article.

(1) A first offense of a non-serious mail rule violation of the department's mail regulations shall result in a written warning or up to a six-month suspension of the attorney's confidential mail privileges. A non-serious mail violation means a violation of the inmate regulations that is not chargeable as a felony but is nevertheless unlawful, such as an enclosure of contraband into the confidential mail, or a misrepresentation of the sender or addressee's identity.

(2) A second offense of a non-serious mail rule violation shall result in modification/suspension of confidential mail privileges for a period of up to twelve months.

(3) A third offense of a similar nature and/or a first offense that could be charged as a felony that jeopardizes the safety of persons, or the security of the facility, shall result in confidential mail privileges being suspended from one year up to an indefinite period of time.

(4) The attorney must petition the Warden or Director of the Division of Adult Services (DAI) for reinstatement of confidential mail privileges.

The confidential mail privilege may be a statewide suspension for any offense that could be prosecuted as a felony. Only the Director of the DAI or designee shall issue a statewide suspension of confidential mail privileges.

(c) Upon determining that the envelope contains prohibited material or that there is a misrepresentation of the sender's or the addressee's identity the letter and any enclosures may be examined and read in its entirety to determine the most appropriate of the following actions:

(1) When the prohibited material or misrepresentation of identity indicates a violation of the law or an intent to violate the law, the matter will be referred to the appropriate criminal authorities for possible prosecution. Any case referred to criminal authorities will be reported to the Director of the DAI. When a case is referred to criminal authorities and the determination is made not to prosecute, the fact of the referral and the determination made will be reported to the inmate and to the inmate's correspondent. The Director of the DAI will be informed of the outcome of all referrals to criminal authorities.

(2) When an inmate's action or complicity indicates a violation of law; the regulations set forth in this article; or approved facility mail procedures; the matter may also be handled by appropriate disciplinary action.

3145. Enclosures in Confidential Mail.

When the inspection of confidential correspondence discloses written or printed enclosures, the enclosures will be treated in the same manner as confidential correspondence. The inmate will not be given the enclosures or be allowed access to the enclosures except as authorized in the following subsections:

(a) The inmate may consent to an immediate examination of the enclosure by staff who issues mail. Such examination will be limited to the extent necessary to determine if the enclosure may be safely admitted into the facility under the standards of Penal Code Section 2601. The conclusion of the examiner will be written on the enclosure, and be dated and signed by the examiner. If the enclosure can be safely admitted into the facility, it will be given to the inmate. If in the examiner's opinion the enclosure does not meet the standards of Penal Code Section 2601 and cannot be safely admitted into the facility, it will be referred to staff at not less than the Correctional/Facility Captain level, for final determination. If not released to the inmate at this level, the inmate will be allowed access to the enclosure only as authorized in subsection (b).

(b) The inmate may decline to consent to examination of enclosures in confidential mail by any staff. When this occurs, the enclosure will be immediately placed in a separate envelope and the envelope will be sealed in the presence of the inmate. The separate envelope will, at the inmate's choosing, be returned to the sender with the mailing cost charged to the inmate's trust account, or disposed of pursuant to section 3191(c). The inmate is entitled to keep the letter or correspondence and the envelope it came in.

(c) Any person who examines the content of mail under the authority of this article or in connection with an appeal by an inmate of a ruling under this article, must keep the content of the material which was examined in strict confidence. No original, copy, excerpt, or summary of personal correspondence to or from an inmate shall be made or be placed in an inmate's C-file unless such correspondence is or has been the subject of:

(1) Legal, disciplinary, criminal investigation, or casework determination and actions affecting the inmate.

(2) When the recipient of an inmate's disturbing or offensive mail corresponds with the facility and requests administrative action, subject to section 3135.

(3) If an inmate requests that a copy of personal correspondence be placed in their C-file and the inmate's caseworker deems it appropriate to do so based on the relationship of the correspondence to the inmates incarceration.

Mail may be subject to a delay for translation of its contents by staff. When such delay exceeds normal mail processing by five business days, the inmate shall be notified in writing of the delay, the reason for the delay, and subsequent determinations and actions regarding that item of mail. If staff are unable to translate the letter and its contents within 20 business days of notice to the inmate, then the letter shall be delivered to the inmate untranslated.

(c) No limitations shall be placed on the number of visitors approved to visit an inmate. However, limitations on the length and frequency of visits may be imposed to avoid overcrowding or the inequitable allocation of visiting time or for other reasons as provided in section 3176.

(1) An inmate shall not be permitted a contact visit with more than five persons, including minors, at the same time. Groups of visitors in excess of five may be accommodated only once per visit by means of rotation through the visiting area. Such rotation shall be considered a single visit in the event it is necessary to terminate a visit in progress in accordance with 3176(a)(9) and (10).

(2) An inmate shall not be permitted a non-contact visit with more than three persons, including minors, at the same time. Such rotation shall be considered a single visit in the event it is necessary to terminate a visit in progress in accordance with 3176(a)(9) and (10).

(d) Visiting with more than one inmate at the same time, shall require that both inmates are approved to visit in the same visiting room, and that either:

(f) Inmates assigned to Administrative Segregation and Security Housing Units shall be eligible for non-contact visits only. On a case-by-case basis, the institution head or designee may allow contact visits for administratively segregated inmates. Visitors who have made appointments in advance for non-contact Administrative Segregation and Security Housing Unit visits shall be given priority. Non-contact visits shall be scheduled in one-hour increments and may be extended based on space availability. When overcrowding occurs, those who have visited at least one-hour and who have been visiting for the longest time may have their visits terminated as outlined in sections 3176(a)(9) and (10).

(g) During contact visits, the inmate and visitor may pass, exchange, or examine any items of property or consume any items of food or beverage that either party is permitted to bring into or purchase in the visiting area, except for items that are contraband

In such cases, the visitor shall permit an inspection of the personal wheelchair and allow a hand held metal detection device to be used.

3176. Denial, Restriction, Suspension, Termination or Revocation of Visits and Exclusion of a Person.

The terms “approve,” “disapprove” “deny,” “restrict,” “suspend,” “terminate,” “revoke,” and “reinstate” as used in this article apply to actions which may be taken by the institution head or designee for the administration of visiting. The director or institution head may, for cause, exclude a person from entering institutions/facilities of the Department. All such actions are subject to the provisions set forth in this article.

(a) The official in charge of visiting may deny an approved visitor access to an institution/facility, terminate, or restrict a visit in progress for the following reasons:

(1) The visitor appears to be under the influence of alcohol, drugs or other substance to the extent that his or her presence in the institution/facility would pose an undue threat to his or her safety or the safety of others, or to the security of the institution/facility.

(2) The visitor does not provide the identification and/or documentation required as set forth in these regulations.

(3) The visitor refuses to submit to a search and inspection of his/her person or vehicles and property brought onto the institution/facility grounds.

(A) Visitors who refuse to submit to an unclothed body search, where probable cause exists, shall have their visiting privileges denied for that day. Future visits may be conditioned upon the visitor’s willingness to submit to an unclothed body search prior to being allowed to visit. Such searches may be repeated on subsequent visits for as long as institution/facility officials have probable cause to believe that the visitor will attempt to introduce contraband or unauthorized substances or items into the institution/facility.

(B) The willingness or unwillingness of the visitor to submit to a search shall not affect conditions or restrictions placed on an inmate’s visiting privileges by a disciplinary or classification committee unless the inmate is found in a subsequent disciplinary hearing to have been a conspirator to smuggle contraband into or out of the institution/facility.

(4) Conduct in violation of institution/facility procedures, including excessive physical contact, refusal to follow staff instructions, disruption of the visiting/processing area, destruction/alteration of visiting documents, or any other behavior that would constitute a misdemeanor or felony or repetition of less serious violations and disregard for a warning about such violations.

(5) The visitor is not appropriately dressed.

(6) The visitor is under 18 years of age and the conditions prescribed in section 3173(b) have not been met.

(7) The visitor has a medically implanted or prosthetic device, cannot clear the contraband or metal detection devices, and does not provide the written verification required in section 3173.2(d).

(8) The visitor requires the use of a wheelchair or other assistive device(s) for mobility impairment, but does not provide the written verification as required in section 3173.2(e), or refuses to temporarily transfer to a designated institution/facility wheelchair while the visitor’s personal wheelchair is being inspected.

(9) The maximum capacity of the visiting area has been reached and to allow others to visit it is necessary to terminate the visits of those persons who have been visiting for the longest period of time. Exceptions shall include, but are not limited to the following:

(A) Excessive Distance: The visitor has traveled a distance of 250 miles or more, and has not visited within the last 30 days. This exception applies to two consecutive days of visiting.

(B) Weddings: When an inmate and the visitor’s marriage ceremony occurred on that day.

(C) Disabled: A disabled visitor who must rely on special transportation to the institution/facility.

(D) Family Emergencies: When death, serious illness or injury occurs to an inmate’s immediate family as defined in Section 3000. Clergy or approved visitors may visit the inmate to offer condolences or inform the inmate of the occurrence.

(E) Infrequent Visits: When the visitor has not visited the inmate in the last six months.

(10) When the overcrowding situation persists, visits of those remaining will be terminated as necessary.

(b) Written notification shall be provided to the visitor when action is taken by the official in charge of visiting to deny, terminate

or restrict a visit. The written notification shall contain information instructing the visitor how to appeal the action as outlined in section 3179.

(c) The institution head or designee may revoke or suspend an approved visitor's future visits for a specified period of time for the following reasons:

(1) Information, which would have resulted in disapproval of visits in section 3172.1, becomes known after approval to visit has been granted.

(2) The visitor has been involved in a serious violation or multiple less serious violations of CDC regulations.

(3) Visitors who participate in Sexual Activity in a visiting room may have their access to the visiting program suspended for up to 6 months. A second violation may result in a suspension of up to one year. A third or subsequent violation may result in exclusion.

(d) The ranking custody officer on duty or the official in charge of visiting may restrict visits, but may not deny visiting, as a temporary security measure when an inmate is scheduled for a hearing on a serious rules violation or for classification on an order for placement in administrative segregation. Subsequent disciplinary or classification committee action will supersede any such temporary action.

Any person seeking entry into an institution/facility for the purpose of visiting an inmate shall be subject to all applicable laws, rules and regulations. Any person violating a law, rule or regulation while visiting shall be subject to warning, termination, suspension, and/or revocation of their visiting privileges as described below:

(a) Warning. Visitors may be verbally warned about violations of applicable law, rules, regulations or of local procedures governing visits. When a verbal warning achieves corrective action, a written report of the misconduct or warning is not necessary.

(b) Termination. When verbal warnings and/or restrictions fail to achieve compliance, or fail to deter conduct by a visitor that if committed by an inmate would constitute a serious rules violation, the visit shall be terminated and documented in writing.

(c) Suspension up to six months. For serious or repeated violations of the rules, regulations, or procedures, and/or upon belief of the visitor's involvement in a criminal act and pending the outcome of an investigation, the official in charge of visiting may impose a suspension of the visitor's access to the visiting program for up to 6 months. The length of suspension shall be commensurate with the seriousness of the violation.

(d) Suspension up to 12 months. The institution head or designee may impose a suspension of visiting for up to 12 months when a visitor is involved in criminal activity on institution/facility property, which constitutes a misdemeanor.

(e) Suspension up to 24 months. The director or designee may impose a suspension of visiting privileges up to 24 months when a visitor is involved in criminal activity on institution/facility property, which constitutes a felony.

(f) Revocation. Subsequent discovery of information that would have resulted in disapproval or disqualifying conduct are grounds

for revocation of the previously granted permission to visit an inmate.

(g) The visitor and the inmate shall be notified in writing of all formal warnings, terminations, suspensions and revocations. The notice shall clearly state the reason for the action and length of time any sanction will apply. The notification shall also include the signature of the official taking the action and advise the visitor of the right to appeal in accordance with section 3179. The notification shall be provided to the visitor at the time of the action or mailed to the visitor's last known address within five working days of the action.

(a) Upon determination by the official in charge of visiting that a violation of state law has occurred, the visitor's access to the visiting program shall be suspended pending investigation, prosecution, and service of any sentence by the court.

(1) If the individual is not prosecuted, or upon completion of any court ordered sentence, approval to visit shall be reconsidered upon the visitor's written request.

(2) If a court finds the individual not guilty, a prior approval to visit shall be reinstated upon written request of the visitor.

The director may delegate the authority for exclusion no lower than the rank of deputy director. The institution head may delegate the exclusion authority not lower than the chief deputy warden. Any person, including employees of the department, attorneys, attorney representatives, representatives of the news media, and delivery persons, may be excluded. The exclusion of a person is effected by issuance of an exclusion order.

(d) The director or designee may exclude a person from any or all institutions/facilities. An institution head or designee may issue an order to exclude a person only from the institution/facility within his/her jurisdiction.

(e) When the institution head's exclusion order affects an inmate's attorney, or when the matter may have department wide significance, an immediate telephone report will be made to the director. In all instances of exclusion a written report will be made to the director or designee within two working days of the effective date of the order.

(f) The person excluded shall be provided with written notification of the action taken. The notification shall advise the person that, upon request, a meeting with the official who ordered the exclusion may be arranged at the convenience of both parties, and that he/she may bring other persons to the meeting, including an attorney, and any information or evidence to support his/her position. Following the meeting, the person shall be provided the official's written decision within 20 working days.

(2) If an institution head ordered the exclusion, the person shall also be informed that the decision may be appealed to the director.

(3) A copy of the letter to the person shall be forwarded to the director or designee and a copy shall be retained in the institution/facility files.

(4) If the exclusion letter is rescinded in full, notice of the rescission will be given in writing to the person, with a copy to the director or designee.

Attorney visits shall be conducted in a confidential area specified by the institution/facility. (2) The institution head or the official in charge of visiting has the discretion to authorize a contact attorney visit for an inmate on non-contact visiting status.

(3) If an attorney, or attorney representative, does not desire private accommodations, the attorney or attorney representative may visit the inmate on any scheduled visiting day and shall be provided the same accommodations including the schedule, as a regular visitor.

(c) An attorney or court may designate other persons to act on their behalf as attorney representatives.

(E) An employee of an attorney, legitimate legal service organization, or licensed private investigator who is sponsored by the attorney or licensed private investigator.

(2) Personnel retained by an attorney or attorney representative, including, but not limited to certified sign language interpreters, certified language interpreters and court reporters may accompany the attorney or attorney representative during the private consultation and are required to provide the information requested in (c)(3) below. Licensed mental or medical health care professionals may also serve as attorney representatives and do not have to be accompanied by the attorney.

(3) The designation shall be in writing and signed by the attorney and/or judge, and shall contain the following:

(A) The designee's name and position of employment or title.

(B) The designee's date of birth, driver's license and social security number.

(C) Certification, in the form of a license that the representative is a licensed private investigator retained by the attorney or appointed by the court; or valid identification that the investigator is employed by a government agency, public agency, or public institution; or a letter in the form of a declaration, that the attorney representative is being sponsored by the attorney and that the attorney accepts responsibility for all actions taken by the attorney representative.

(D) The name and CDC number of the inmate(s) to be visited.

(E) The designation shall be presented by the representative at the time of their visit and shall be subject to verification by institution/facility staff.

(4) Attorney representatives shall be afforded the same accommodations and services and are subject to the same rules and regulations, as an attorney providing all other requirements of this article are met.

(d) An attorney who wishes to consult in person with an inmate shall contact the institution/facility at which the inmate is housed. The request shall be made by calling or writing (including via facsimile) the staff designated (usually the litigation coordinator) in the institution/facility operational supplement. In order to obtain approval/clearance, the attorney shall provide the following personal and professional information in writing (including via facsimile): name; mailing address; date of birth, valid driver's license or state-issued identification card number; proof of current registry and good standing with a governing bar association; and indication of the jurisdiction(s) licensed to practice law. (4) They are seeking to interview a named inmate, at the request of the inmate, for the purpose of representation of the inmate in a legal process, for a legal purpose or in a legal proceeding.

(5) They have been requested by a third party to consult with the inmate when the inmate cannot do so because of a medical condition, disability, or other circumstance.

(e) Any false statement or deliberate misrepresentation of facts specific to the information requested in subsection (d) above shall be grounds for denying the request and/or cause for subsequent suspension or exclusion from all institutions/facilities administered by the department.

(f) Upon receipt of the information specified in (d) above, a California Law Enforcement Telecommunications System check of the attorney through the Department of Justice and verification of the attorney's credential through the governing state bar will be conducted. Once the clearance and state bar verification have been obtained and approved, the attorney shall be contacted to schedule the initial in-person visit with the specified inmate(s). Attorneys and attorney representatives must report any change in personal or professional information, arrest history and declarations made in subsections (c) and (d) above to retain their approval/clearance.

In an emergency, appointment requests may be cleared through the institution head or designee.

(h) Upon arrival at the institution/facility, the approved attorney shall be processed into the institution/facility in the same manner and under the same restrictions as regular visitors. Attorneys shall also be required to present their state bar card or other similar documentation that the attorney is currently registered in good standing with a state bar association.

(i) To follow-up on information obtained during a private consultation with an inmate, attorneys or attorney representatives may request to visit inmates other than those already formally represented. Such requests shall be considered subject to reasonable operational limitations. If the request imposes an unreasonable burden on staffing or unduly disrupts an institutional function, e.g., interferes with count or feeding, it will be deemed unreasonable and the request will be denied.

(j) When there is cause to believe an attorney or a legal service organization is abusing the privilege of private consultation with the inmate, the institution head is authorized to:

(1) Require proof that the inmate and attorney are involved in active litigation or have a legitimate legal reason for contact.

(2) Initiate an investigation of the facts and circumstances of the situation.

(n) All items, including legal documents permitted into the security area, shall be inspected for contraband and/or unauthorized items or substances. The inmate may retain and take from the visiting area any legal documents given to him or her by the attorney or attorney representative, providing the inmate consents to staff examination of the documents for contraband or unauthorized items or substances.

(1) Staff may open and inspect but shall not read any part of written or printed materials without the expressed consent of the attorney/attorney representative and inmate.

(2) Any and all items including written and printed material that an inmate and an attorney wish to exchange during the visit must be presented to the official in charge of visiting for inspection before it is brought into the visiting area. (3) If the inmate does not consent to an inspection of the contents of a document given to the inmate by the attorney/attorney representative, it shall be returned to the attorney/attorney representative.

take from the visiting area and from the institution/facility any legal written or printed documents given to them by the inmate and not otherwise prohibited by law or these regulations.

(p) An attorney or attorney representative may be permitted, with the inmate's consent, to audio record the inmate's interview.

(1) The institution/facility shall make audio recording equipment available for such use. The interviewer may use personal recording equipment providing the equipment can be thoroughly inspected by staff before entry into the institution/facility.

(1) A written warning notifying the attorney or attorney representative that the offender's confidential legal privileges are subject to modification/suspension and that the offender will be subject to exclusion for a minimum of six months. Written warnings are appropriate for minor infraction or violations of the institution/facility regulations, i.e., violations that cannot be prosecuted as either a misdemeanor or felony.

(2) Modification, suspension, or exclusion of visiting privileges for a period of at least six months shall occur in the event that the written warning above fails to deter or correct the offending behavior.

Article 1.5. Use of Force and Restraining Devices

3268. Use of Force.

The purpose of this Section is to set forth Department of Corrections and Rehabilitation (CDCR) policy governing the use of force. The policy has its foundation in California Penal Code statutes and relevant case decisions.

(a) Definitions.

(1) Reasonable Force:

The force that an objective, trained and competent correctional employee, faced with similar facts and circumstances, would consider necessary and reasonable to subdue an attacker, overcome resistance, effect custody, or gain compliance with a lawful order.

(2) Unnecessary Force:

The use of force when none is required or appropriate.

(3) Excessive Force:

The use of more force than is objectively reasonable to accomplish a lawful purpose.

(4) Immediate Use of Force:

The force used to respond without delay to a situation or circumstance that constitutes an imminent threat to security or the safety of persons.

(5) Controlled Use of Force:

The force used in an institution/facility setting, when an inmate's presence or conduct poses a threat to safety or security and the inmate is located in an area that can be controlled or isolated.

(6) Non-Conventional Force:

Force that utilizes techniques or instruments that are not specifically authorized in policy, procedures, or training. Depending on the circumstances, non-conventional force can be necessary and reasonable; it can also be unnecessary or excessive.

(7) Non-Deadly Force:

Any use of force that is not likely to result in death.

(8) Deadly Force:

Any use of force that is likely to result in death. Any discharge of a firearm other than the lawful discharge during weapons qualifications, firearms training, or other legal recreational use of a firearm, is deadly force.

(9) Response Supervisor:

The Response Supervisor is the first line supervisor in an institution/facility responsible for the area where an incident occurs.

(10) Responding Supervisor:

The Responding Supervisor is the first line supervisor responsible for the employee involved in an incident.

(11) Incident Commander:

The Incident Commander is the second line supervisor in an institution/facility responsible for the area where an incident occurs or an allegation of excessive or unnecessary force is received.

(12) First Level Manager:

A First Level Manager in an institution/facility is a Facility Captain/Correctional Captain.

(13) First Line Manager:

A First Line Manager is a Parole Administrator, District Administrator, Special Agent-In-Charge, or Senior Special Agent.

(14) Second Level Manager:

A Second Level Manager in an institution/facility is an Associate Warden.

(15) Second Line Manager:

A Second Line Manager is a Deputy Regional Parole Administrator or Chief.

(16) Deadly Force Review Board (DFRB) means the board responsible for conducting a full and complete review of all incidents involving a use of deadly force (except those meeting the criteria set forth in 3268(a)(20)) and every death or great bodily injury that could have been caused by a staff use of force, regardless of whether the incident occurs in an institutional or community setting. The DFRB shall be composed of at least four members. Three shall be non-departmental law enforcement professionals. One shall be a Division, Parole Region, or Institution/Facility Manager (i.e. Associate Director, Division of Juvenile Justice (DJJ) Superintendent, Chief or designee) from outside the chain of command of the involved employee(s). Additional members may be designated by the Secretary or designee.

(17) Institutional Executive Review Committee (IERC):

The IERC is a committee of institution staff chaired by the respective Institution Head tasked with reviewing all uses of force and every allegation of excessive or unnecessary force.

(18) Department Executive Review Committee (DERC):

Department Executive Review Committee (DERC) is a committee of staff selected by, and including, the Associate Director who oversees the respective institution/facility Mission-based group. The DERC shall review all incidents involving deadly force, serious injury, great bodily injury or death. The DERC shall also review those incidents referred to the DERC by the IERC Chairperson or otherwise requested by the DERC.

(19) Field Executive Review Committee (FERC):

The FERC is a committee of field staff chaired by the respective Regional Parole Administrator, Assistant Secretary, or Chief tasked with reviewing all uses of force and every allegation of excessive or unnecessary force.

(20) Deadly Force Investigation Teams (DFIT):

DFIT is a team of trained department investigators that shall conduct criminal and administrative investigations into every use of deadly force and every death or great bodily injury that could have been caused by a staff use of force, except the lawful discharge of a firearm during weapons qualifications or firearms training, or other legal recreational uses of a firearm. Although defined as deadly force DFIT need not investigate the discharge of a warning shot inside an institution/facility if an Investigative Services Unit Sergeant or above, or an uninvolved Correctional Lieutenant or above confirms that the discharge of deadly force was a warning shot and that no injuries were caused by the shot. All warning shots shall be

reported to the Office of Internal Affairs/DFIT and the Bureau of Independent Review (BIR).

(21) Joint Use Committee (JUC):

The JUC is a committee of field staff from the department tasked with reviewing and evaluating recommended revisions to the department's Use of Force Regulations and Procedures.

(22) Holding Cells:

A holding cell is a secure structure located within a building or sheltered area that is without running water, a toilet, or sleeping facilities, and is designed for the interim placement of one or more offenders.

(b) It is the policy of the Department of Corrections and Rehabilitation (CDCR) to accomplish the departmental functions with minimal reliance on the use of force. Employees may use reasonable force as required in the performance of their duties, but unnecessary or excessive force shall not be used.

(c) Use of Force Options. Use of Force options do not have to be utilized in any particular sequence, but should be the force option staff reasonably believes is sufficient. Whenever possible, verbal persuasion or orders shall be issued prior to resorting to force and are required to be provided before controlled force is used. The unresisted searching or escorting of a person and the unresisted application of authorized restraint equipment is not a use of force. Use of force options include but are not limited to:

(1) Chemical agents.

(2) Hand-held batons.

(3) Physical strength and holds. A choke hold or any other physical restraint which prevents the person from swallowing or breathing shall not be used unless the use of deadly force would be authorized.

(4) Less-lethal weapons: A less-lethal weapon is any weapon that is not likely to cause death. A 37mm or 40mm launcher and any other weapon used to fire less-lethal projectiles is a less-lethal weapon.

(5) Lethal weapons: A lethal weapon is any weapon that is likely to result in death. A firearm is a lethal weapon because it is used to fire lethal projectiles.

(d) The CDCR recognizes the sanctity of human life. Therefore, deadly force will only be used when it is reasonably necessary to:

(1) Defend the employee or other persons from an immediate threat of death or great bodily injury.

(2) Prevent an escape from custody.

(3) Stop acts such as riots or arson that constitute an immediate jeopardy to institutional security and, because of their magnitude, are likely to result in escapes, great bodily injury, or the death of other persons.

(4) Dispose of seriously injured or dangerous animals when no other disposition is practical.

(e) In facilities contracted to house CDCR inmates outside of California, the use of deadly force shall only be applied in accordance with applicable law in the state where the facility is located.

(f) A firearm shall not be discharged if there is reason to believe that persons other than the intended target will be injured.

(g) Firearms may be discharged as a warning only in an institutional/facility setting and only when deadly force is permitted under Section 3268(d).

(h) Immediate Use of Force. A verbal warning shall be given before force is used unless the circumstances requiring the immediate force preclude such a verbal warning.

(i) Controlled Use of Force. In an institution/facility setting, controlled use of force may be used when time and circumstances permit advance planning, staffing and organization. A controlled use of force requires authorization and the presence of a First or Second Level Manager, or during non-business hours, an AOD

and must be documented on a CDCR Form 3037 (Rev. 6/09), Controlled Use of Force Manager/AOD Report, which is hereby incorporated by reference.

(j) Tactical Use of Force. In a field or community setting, the tactical use of force is part of an operation plan at a predetermined location with intended targets. All use of force options available shall be considered. The Tactical Use of Force shall require prior supervisory approval during the operation planning.

(k) Chemical Agents. Departmentally approved chemical agents include, but are not limited to the following: oleoresin capsicum (OC), chloroacetophenone (CN), and orthochlorobenzalmalononitrile (CS).

(l) Decontamination from Chemical Agents. Any person exposed to a chemical agent shall be afforded an opportunity to decontaminate as soon as practical. If the person refuses to decontaminate, no other action is necessary. If an inmate was exposed in a cell and not removed from the cell where the exposure occurred, in-cell decontamination shall be afforded to the inmate, to include but not be limited to:

(A) Health care staff advising the inmate how to self decontaminate in the cell.

(B) Health care staff monitoring the in-cell inmate at least every 15 minutes for a period not less than 45 minutes.

(A) If the incident is in an institution/facility, the response supervisor shall obtain a public safety statement(s) (oral statement) from the staff employing deadly force and shall document the essence of the oral statement in writing and submit it to the incident commander. Providing a public safety statement does not relieve the staff of the responsibility to submit a written report in accordance with 3268.1(a), or within 24 hours after the incident.

(3) The incident commander shall notify the Office of Internal Affairs (OIA) and the Bureau of Independent Review (BIR) as soon as possible, but no later than one hour from the time the incident is discovered, of any use of deadly force and every death or GBI that could have been caused by a staff use of force.

Article 1.6. Inmate Housing

3269. Inmate Housing Assignments.

Inmates shall accept Inmate Housing Assignments (IHAs) as directed by staff. It is the expectation that all inmates double cell, whether being housed in a Reception Center, General Population (GP), an Administrative Segregation Unit (ASU), a Security Housing Unit (SHU), or specialty housing unit. If staff determines an inmate is suitable for double celling, based on the criteria as set forth in this section, the inmate shall accept the housing assignment or be subject to disciplinary action for refusing. IHAs shall be made on the basis of available documentation and individual case factors. Inmates are not entitled to single cell assignment, housing location of choice, or to a cellmate of their choice.

(a) Upon arrival at an institution, facility, or program reception center, a designated custody supervisor shall screen an inmate for an appropriate housing assignment. The screening authority involved in the review and approval of an inmate's housing assignment must evaluate all factors to be considered, including but not limited to:

- Length of sentence.
- Enemies and victimization history.
- Criminal influence demonstrated over other inmates.
- Reason(s) for prior segregation.
- History of "S" suffix determination pursuant to CCR subsection 3377.1(c).
- History of in-cell assaults and/or violence.
- Prison gang or disruptive group affiliation and/or association.
- Nature of commitment offense.
- Documented reports from prior cellmate(s) that the inmate intimidated, threatened, forced, and/or harassed him or her for sex.
- Documentation that the cellmate(s) refused to return to a cell occupied by the inmate because of fear, threats, or abuse perpetrated by the inmate.
- Documentation that the inmate has been the victim of a sexual assault.
- Adjudicated Department Rules Violations Reports (RVR) where the inmate was found guilty as a perpetrator in an act of physical abuse, sexual abuse, sodomy, or other act of force against a cellmate.

(b) The screening authority shall complete a CDCR Form 1882 (rev. 2/07), Initial Housing Review, stating if the inmate is suitable for dorm/cell housing with or without special restrictions.

Restrictions are any case factors which may limit the inmate's housing placement options such as, but not limited to:

- Security issues including ASU and SHU placement.
- Request for Protective Custody.
- Medical or mental health issues.
- Integrated Housing Code.

Staff shall ensure that the housing policies regarding special category inmates covered under specific litigation remain in place during the housing assignment.

(c) Upon placement in an ASU or SHU, inmates shall be screened for an appropriate cell assignment using the same criteria as inmates being screened for housing in the general population. The reason for ASU or SHU placement shall also be taken into consideration.

Based on available information and the inmate interview, the screening authority shall determine if the inmate is suitable for single or double celled housing, and shall complete a CDC Form 114-A1 (rev. 10/98), Inmate Segregation Profile. Unless approved for single cell assignment, an inmate in ASU or SHU is expected to share a cell with another inmate.

(d) Single cell status shall be considered for those inmates who demonstrate a history of in-cell abuse, significant in-cell violence towards a cell partner, verification of predatory behavior towards a cell partner, or who have been victimized in-cell by another inmate. Staff shall consider the inmate's pattern of behavior, not just an isolated incident. An act of mutual combat in itself does not warrant single cell status. The following factors must be considered when evaluating single cell status, noting these factors are not exclusive of other considerations:

(1) Predatory behavior is characterized by aggressive, repeated attempts to physically or sexually abuse another inmate.

(2) Documented and verified instances of being a victim of in-cell physical or sexual abuse by another inmate.

(e) Should the screening authority determine that single cell designation is appropriate, the inmate's case factors shall be reviewed by a classification committee for determination of appropriate housing and designation for an "S" suffix. A classification committee may consider whether an inmate with single cell designation has since proven capable of being double-celled.

(f) In cases where single cell status is recommended by clinical staff due to mental health or medical concerns, a classification committee shall make the final determination of an inmate's cell assignment. The classification committee shall consider the clinical recommendations made by the evaluating clinician with assistance from the clinician who participates in the committee and review the inmate's case factors when determining the housing assignment. Single cell status based upon clinical recommendation is usually a temporary short-term measure and must be periodically reviewed, minimally at an inmate's annual review or more frequently at the inmate's/clinician's request.

(g) If an inmate refuses to be housed as determined to be appropriate to this section, the inmate shall be subject to the disciplinary process, with the potential to be housed in alternative and more restrictive housing. Refusal to participate will result in the issuance of a Rules Violation Report (RVR) for Conduct, subsection 3005(c), Refusing to Accept Assigned Housing, for the Specific Act of Willfully Resisting, Delaying, or Obstructing any Peace Officer in the performance of Duty (CCR subsection 3323(f)(6)). Subsequent acts of the above listed offense will result in the issuance of additional disciplinary reports and consideration for placement in more restrictive housing such as an ASU or a SHU.

HISTORY:

1. New section filed 3-18-2008 as an emergency; operative 3-18-2008 (Register 2008, No. 12). Pursuant to Penal Code section 5058.3, a Certificate of Compliance must be transmitted to OAL by 8-25-2008 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 3-18-2008 order, including amendment of subsection (f), transmitted to OAL 8-18-2008 and filed 9-15-2008 (Register 2008, No. 38).
3. Change without regulatory effect amending subsection (a) filed 3-28-2011 pursuant to section 100, title 1, California Code of Regulations (Register 2011, No. 13).

3269.1. Integrated Housing.

An inmate's race will not be used as a primary determining factor in housing an institution's inmate population. Inmate housing assignments shall be made on the basis of available documentation and individual case factors to implement an Integrated Housing Policy (IHP). Individual case factors include, but are not limited to, such factors as:

- (1) History of racial violence.
- (2) Commitment offense/time to serve.
- (3) Classification score.
- (4) Custody level.
- (5) Education.
- (6) Disciplinary history.

The IHP is set forth in these regulations. Housing assignments will be determined in a manner that will ensure that the safety, security, treatment, and rehabilitative needs of the inmate are considered, as well as the safety and security of the public, staff and institutions. Upon adoption of these regulations in 2007, the department will begin to update a computer tracking system to include the assignment of an Integrated Housing Code (IHC) as set forth in subsection (b) that will be used to identify each inmate's ability to integrate. On January 1, 2008, actual implementation of the IHP will commence at designated facilities. On January 1, 2009, the IHP will begin to be implemented at all remaining institutions.

(a) The department's housing protocol will require male inmates to be housed in an appropriate bed, based on each inmate's Integrated Housing Code (IHC) and/or individual case factors. The department will utilize a computer tracking system to identify, track, and monitor an inmate's eligibility to integrate when being housed.

(b) Based on a review of an inmate's individual case factors and a personal interview with an inmate, an IHC will be assigned. The appropriateness of an inmate's IHC will be assessed at least at an inmate's Annual Review, or as case factors may change, and adjusted as necessary. An IHC that may be assigned are detailed as follows:

(1) RE, Racially Eligible. An inmate that has not been a victim or perpetrator of a racially motivated crime and can live with members of any race. It is the expectation of the department that all inmates will be coded RE, unless certain case factors dictate otherwise.

(2) RP, Restricted Partially. An inmate that may be considered ineligible to live with inmates of a particular race. Ineligibility to live with someone of another race could be based on a racially motivated incident, where racial beliefs or attitudes were the cause of the incident.

(3) RO, Restricted to Own (Race). An inmate that has been the victim and/or perpetrator of a racially motivated crime. Inmates who are coded RO Restricted to Own will not be precluded from integration in other aspects of institutional operation, such as a school or work assignment. Inmates coded as RO are not precluded from racially integrated housing for the entire duration of their sentence.

(4) RT, Restricted Temporarily by Custody. Inmates with insufficient information or documentation for the designated custody supervisor to make an objective determination shall be coded RT for Restricted Temporarily Restricted by Custody. This code may be used when conflicting information arrives with the inmate or when questionable statements or behavior by the inmate are observed that are not consistent with the inmate's claim of eligibility.

(5) RR, Restricted by Refusal. Inmate is otherwise eligible for integrated housing but refuses to participate. Refusal to accept an integrated housing assignment, when all available documentation and information does not preclude such, shall result in disciplinary action with the potential to be housed in alternative and more restrictive housing, such as an Administrative Segregation Unit (ASU) or a Security Housing Unit (SHU).

(c) Inmates arriving in a facility Receiving and Release will be interviewed in accordance with the established process for intake. The designated custody supervisor will use the information provided during the interview as well as the supporting documents received to determine the inmate's eligibility for an integrated housing assignment.

(d) New arrivals at a facility or inmates who require a bed assignment change will be housed in the first available and appropriate bed, taking into consideration all relevant case factors. Staff will also consider other available information that would indicate or present an immediate risk or safety concern for the inmate such as, but not limited to:

- (1) Security issues including ASU placement.
- (2) SHU.
- (3) Request for Protective Custody.
- (4) Prison gang or disruptive group affiliation or association.
- (5) Medical or mental health issues.
- (6) Length of term.
- (7) Height, weight, and age.

Staff will continue to ensure that current housing policies regarding special category inmates covered under specific litigation remain in place during the housing process.

(e) If an inmate refuses to be housed in appropriately determined housing, he shall be subject to the disciplinary process, with the potential to be housed in alternative and more restrictive housing. Refusal to participate will result in the issuance of a Rules Violation Report (RVR) for Conduct, section 3005(c), Obeying Orders, for the Specific Act of Willfully Resisting, Delaying, or Obstructing any Peace Officer in the Performance of Duty (CCR subsection 3323(f)(6)), and shall be considered after the first RVR for placement in more restrictive housing such as an ASU or a SHU. At any time during this process the inmate may elect to participate in the IHP.

(f) Disciplinary restrictions will be applied as a result of a disciplinary process where inmates are afforded due process. The suspension of privileges based on a finding of guilt in a disciplinary hearing shall be assessed as set for the in CCR subsections 3315(f)(5)(M)1. and (M)2.

(g) In the event that facility management determines that a temporary suspension of assignments within a unit to integrated beds is warranted, the Warden or designee shall request approval from their mission based Associate Director for a temporary suspension of integrated housing assignments consistent with the lockdown or modified program. Regular housing assignment procedures shall be resumed in accordance with the Integrated Housing policy upon resolution of the incident.

3270. General Policy.

The primary objectives of the correctional institutions are to protect the public by safely keeping persons committed to the custody of the Director of Corrections, and to afford such persons with every reasonable opportunity and encouragement to participate in rehabilitative activities. Consistent effort will be made to insure the security of the institution and the effectiveness of the treatment programs within the framework of security and safety. Each employee must be trained to understand how physical facilities, degree of custody classification, personnel, and operative procedures affect the maintenance of inmate custody and security. The requirement of custodial security and of staff, inmate and public safety must take precedence over all other considerations in the operation of all the programs and activities of the institutions of the department.

Comment: Former DP-4202, responsibility of employees.

3272. Custody Classification.

The classification committee at each institution must assign a custodial classification to each inmate, in accordance with the custodial classifications prescribed by the department. The senior custodial officer on duty may temporarily increase the custodial classification of an inmate at any time he or she believes such action is necessary to protect the security and good order of the institution. Such action is subject to classification committee review at the next regular meeting. Any reduction of an inmate's custody classification must be by classification committee action.

3274. Inmate Count and Movement.

(a) Inmate count. Every institution head shall maintain a system to account at all times for inmates under their jurisdiction. A physical count of all inmates shall be taken at least four times during each calendar day unless otherwise authorized in writing by the director. No inmate activity shall be scheduled at a time which would disrupt a facility count.

(1) Standing count. At least one daily count shall be a standing count wherein inmates shall stand at their cell door or, in a dormitory, shall sit on their assigned bed during the designated count time.

(2) Emergency count. If staff determines an inmate may be missing, an emergency count shall be conducted to determine whether an escape has occurred and, if so, the identity of the escapee. When an emergency count is announced, inmates shall return to their assigned housing, except in a medical emergency or other exception specifically authorized by the official in charge.

(b) Inmate movement. Each facility shall establish a schedule of routine inmate movement to and from the facility's activities and assignments such as work and education, and the gym or exercise yard.

(1) Appointments. A CDC Form 129 (Rev. 7/88), Inmate Pass, shall be issued to an inmate approved for movement to a scheduled non-routine appointment. Medical service and case work appointments shall not be scheduled during an inmate's work or program hours unless an inmate cannot otherwise obtain the service or case work.

(2) Unscheduled movement. If unscheduled movement of an inmate is necessary, such movement shall not take place unless the inmate is escorted by staff, or a pass has been issued by staff authorizing the movement.

(3) Routine movement. A gate pass shall be maintained for each inmate assigned to work outside a facility's security area. The gate pass shall:

(A) Not be handled by any inmate.

(B) Include the inmate's identification photo, name, CDC number, housing assignment, custody designation, assignment requiring the gate pass, effective date of the pass, times the inmate is authorized to pass through the gate, and the signature of a facility official authorized to approve gate passes.

2. Staff determines from the inmate's behavior that the inmate may require increased supervision.

3. Staff receives information indicating an inmate's increased escape potential.

(c) Lockdown or Modified Program. Facility procedures governing the restriction of inmate movement during a lockdown or modified program shall be established and updated daily during any lockdown or modified program.

(d) Limited visibility. When visibility at a facility is severely restricted or a state of emergency is declared, inmates shall be confined to their housing units, except as otherwise authorized by the official in charge. In such circumstances, all inmate movement shall be under the direct and constant supervision of staff.

3276. Firearms.

(a) Only peace officers who have satisfactorily completed firearms training and who are currently qualified in the firing of departmental firearms shall be assigned to armed posts or otherwise be authorized to possess, carry or use a departmental firearm. Exceptions are only authorized in extreme emergencies when peace officers are not available in sufficient numbers or in time to stop or control a situation which warrants the immediate use of force, as described in section 3268.

(b) An employee appointed to a peace officer position wherein the specifications of the position include the carrying and use of firearms shall be given a reasonable time to complete firearms training and to qualify in the firing of departmental firearms. Persistent failure or refusal to satisfactorily complete firearms training and to qualify in the firing of departmental firearms shall be cause for dismissal from employment as a peace officer.

(c) Employees shall not have accessible, carry or use privately owned firearms or ammunition while on duty, except as authorized by the director or his/her designee. For the purpose of this section "on duty" means any time which is compensable as actual time worked.

(d) Employees who are ordered to carry a concealable firearm while on duty away from facilities where inmates/parolees are located shall keep the firearm concealed at all times except when use of the firearm is necessary. Employees on duty on the grounds of, and in, facilities where inmates/parolees are located shall not carry a concealed firearm unless ordered to do so by the official in charge.

(e) Each facility where inmates/parolees are located which maintains an unissued supply of firearms and ammunition, as described in Section 3275, shall provide for its long-term storage in a physically secure armory. Armories shall be located so as to be under 24-hour-a-day coverage of an armed post and away from areas that are open to traffic by unsupervised inmates/parolees and the public. Community Correctional Facility armories shall be exempt from the armed coverage requirement, but they shall be under 24-hour-a-day observation by staff directly, or by video surveillance, and shall be equipped with audible electronic alarms.

(f) Each facility where inmates/parolees are located shall provide a physically secure locked container, located outside the security areas, for the temporary storage of firearms, ammunition and other weaponry of employees and officials who must come on the grounds or enter the facility in the course of their employment or official business.

(g) Employees and others who live on the grounds of facilities where inmates/parolees are located, and any guests or visitors of such persons, shall not bring to, maintain, store or keep any firearms or ammunition in such residences at any time. Arrangements shall be made for the use of storage facilities described in subsections (e) and (f).

(h) Firearms and ammunition shall not be left in an unattended vehicle at any time upon the grounds of facilities where inmates/parolees are located. Exceptions are authorized only when the vehicle is securely locked and under the direct observation of staff who are aware that the vehicle contains firearms or ammunition, or when the vehicle is equipped with a departmentally approved secure container for such equipment. Merely out of sight storage such as in the spare tire well, trunk or glove box does not meet the requirements for a secure container.

(i) The loss or theft of departmentally issued/authorized firearms/duty weapons or related equipment shall be immediately reported to the responsible employee's supervisor, and through the supervisor to the administrator of the jurisdiction of employment, and/or to the attention of the administrator in which the loss or theft occurred, if in a different jurisdiction. 3282. Use of Telephones by Inmates.

(a) For purposes of this section:

- (1) An “emergency call” means a telephone call regarding the serious illness or injury, or the death of an inmate’s immediate family member.
- (2) A “confidential call” means a telephone call between an inmate and his/her attorney which both parties intend to be private.
- (3) An “inmate telephone” means a telephone designated solely to accommodate inmate-originated nonconfidential personal calls.

(4) An “intrafacility telephone” means a telephone which is not capable of direct-dial connections to telephones outside of the facility.

(5) A “prison telephone” means a telephone that is capable of outside access and is not monitored or recorded.

(b) Facilities shall provide inmate telephones for use by general population inmates. Inmates may place collect telephone calls to persons outside the facility at designated times and on designated telephones, as set forth in local procedures. Limitations may be placed on the frequency and length of such calls based on the inmate’s privilege group as outlined in section 3044, and to ensure equal access. Telephone calls requiring the use of a Telecommunication Device for the Deaf (TDD) or voice relay service shall have extended time scheduled due to the time delay which results from the TDD relay process.

(c) An inmate shall not:

(1) Use an intrafacility telephone except as specifically required or authorized by staff.

(2) Use a telephone capable of direct-dial connection with a public telephone system, except as authorized by staff.

(3) Charge a call to a credit card.

(4) Place a third party call.

(5) Ask the operator for an emergency interruption.

(6) Place a call to an “800,” “900,” “976,” “911,” “411,” or other special service number. Inmates that have a verified need to utilize the (1-800) TDD or relay service shall notify the correctional staff to facilitate the (1-800) TDD call.

(7) Place a call to an inmate at any other facility.

(8) Place calls to victims, peace officers, or other persons who have made an official written request not to receive telephone calls.

(9) Knowingly participate in a forwarded, transferred, or three-party call on an inmate telephone.

(d) Except as provided in this section, no limitation shall be placed on the identities or relationships of persons to whom an inmate may place a collect call.

(e) All inmate calls placed on intrafacility and inmate telephones may be subject to monitoring and recording at any time by institution staff.

(f) A conspicuous notice in English and Spanish shall be posted at each inmate telephone capable of recording and monitoring stating in both languages: All numbers dialed and conversations on this telephone may be recorded and may be monitored without any further notice. By using this telephone, you agree to the monitoring and recording. It is your responsibility to notify the person called that their conversation and telephone number may be monitored and will be recorded.” Staff who authorize an inmate to use an unposted telephone for a nonconfidential call shall inform that inmate before the call is made regarding the notice of monitoring/recording requirement.

(g) If staff designated by the institution head determine that an incoming call concerns an emergency or confidential matter, the caller’s name and telephone number shall be obtained and the inmate promptly notified of the situation. The inmate shall be permitted to place an emergency or confidential call either collect or by providing for the toll to be deducted from the inmate’s trust account. A confidential call shall not be made on an inmate telephone and shall not be monitored or recorded. If a call is determined to be an attorney/inmate confidential phone call, in order for the inmate to place or receive the call it must have already received approval/clearance in accordance with subsections (g)(1), (g)(2) and (g)(4).

(1) Confidential calls may be approved on a case-by-case basis by the institution head or designee, upon written request from an attorney on the attorney’s office letterhead stationery. The request shall be made by written request via U. S. Postal Service or

facsimile to the Institution Litigation Coordinator or designee. To obtain approval/clearance, the attorney shall provide in writing the following personal and professional information:

(A) Name.

(B) Mailing address.

(C) Date of Birth.

(D) Valid driver’s license or state-issued identification card number.

(E) Proof of current registry and good standing with a governing bar association, and

(F) Indication of the jurisdiction(s) licensed to practice law. If the requesting attorney wishes to have a representative conduct the confidential phone call, the attorney representative must provide all applicable information listed above in addition to the attorney submitting their information. Refer to Title 15, subsection 3178(c)(1) for attorney representative criteria.

(2) Requesting attorney/attorney representative shall report any prior felony convictions or pending arrest dispositions, describe and explain any prior suspension or exclusion from a correctional facility, and declare under penalty of perjury one or more of the following:

(A) They are the named inmate’s attorney either by appointment by the court or at the inmate’s request.

(B) They have been requested by a judge to interview a named inmate for purposes of possible appointment as counsel by the same court.

(C) They are requesting to call a named inmate who may be a witness directly relevant to a legal process, purpose, or proceeding.

(D) They are seeking to interview a named inmate, at the request of the inmate, for the purpose of representation of the inmate in a legal process, for a legal purpose or in a legal proceeding, and

(E) They have been requested by a third party to consult with the named inmate when the inmate cannot do so because of a medical condition, disability or other circumstance.

(3) Any false statement or deliberate misrepresentation of facts specific to the information required in subsection (g)(2) shall be grounds for denying the request or cause for subsequent suspension or exclusion from all institutions/facilities administered by the department.

(4) Upon receipt of the information specified in (g)(1), a California law enforcement telecommunications system (CLETS) check of the attorney/attorney representative through the Department of Justice and verification of the attorney’s credential through the governing state bar will be conducted. Once the clearance and state bar verification have been obtained and approved the attorney shall be contacted to schedule the confidential telephone call with the specified inmate. Attorneys and attorney representatives shall immediately report to the Institution Litigation Coordinator any change in personal or professional information, arrest history and or pending dispositions and declarations made in subsections (g)(1) and (g)(2) to retain their approval/clearance. In addition, a CLETS check will be conducted at least annually and as needed based on changes provided to the above listed information or information from any source that such changes had occurred.

(5) The date, time, duration, and place where the inmate will make or receive the call, and manner of the call are within the discretion of the institution head, except as restricted herein. A confidential call from an inmate shall be placed as a collect call or by providing for the toll to be deducted from the inmate’s trust account and made from a prison telephone or, with appropriate authentication of the caller, may be received from an attorney.

(6) It is within the discretion of the institution head, or his/her designee, to approve or deny a confidential call. As long as the attorney/client communication privilege is not violated, a confidential

call may be denied where the institution head, or his/her designee, determines that normal legal mail or attorney visits were appropriate means of communication and were not reasonably utilized by the inmate or attorney. Where demand for confidential calls seriously burdens institutional operations, the institution head, or his/her designee, shall prioritize confidential calls.

(7) Emergency calls on prison telephones between an inmate and clergy, other religious advisors, or health care professionals shall be approved or denied on a case-by-case basis by staff designated by the institution head.

(8) Inmates, approved attorneys/attorney representatives and pending approval confidential phone call applicants may appeal any departmental policies, staff decisions and institution/facility procedures related to confidential phone calls by following the appeals process as contained in Title 15, Section 3179. Appeals Related to Visiting. Title 15, Section 3179 applies in its entirety.

(h) Telecommunication Device for the Deaf (TDD) telephones shall be made available to inmates with a documented severe hearing impairment for personal, emergency, and confidential calls, which shall be subject to the provisions of this section.

(1) Assistive device telephones and additional time on telephones may be necessary to provide accommodations for inmates and their callers with disabilities.

(2) The facility shall provide for the procedures necessary to ensure effective telephone communications for inmates with disabilities and/or the disabled person(s) with whom they are communicating.

(i) All calls made on inmate telephones shall have an announcement before and at random intervals during the calls stating that the call is from an inmate at a California state correctional facility and is being recorded.

Employees who observe the fight will prepare a written report stating clearly everything they observed, and will submit this report to the disciplinary officer. The employee who renders the report should, if possible, state who was the aggressor. The report will include the time, place, names of participants, name(s) of aggressor(s), the reason for the fight if it can be ascertained, weapons used if any, names of witnesses, action taken if any, and recommendations to prevent further recurrences.

Comment: Former DP-4217, controlling and reporting fights.

3287. Cell, Property and Body Inspections.

(a) Insofar as possible, a cell, room, or dormitory bed area and locker will be thoroughly inspected immediately upon its vacancy and again, if there is a significant time lapse, before another inmate is assigned to the same cell, room or dormitory bed and locker. Such inspections are required and must be recorded for segregation, isolation and security housing unit cells. The purpose of such inspections is to fix responsibility or the absence of responsibility for security and safety hazards and serious contraband found in the cell, room or dormitory area.

(1) Occupied cells, rooms and dormitory areas, including fixtures and lockers, and any personal and state-issued property of the occupant will be inspected on an infrequent and unscheduled basis. More frequent inspections will be conducted in specialized housing units, depending upon the security requirements of the unit and the risk an individual inmate presents to that security.

(2) Cell and property inspections are necessary in order to detect and control serious contraband and to maintain institution security. Such inspections will not be used as a punitive measure nor to harass an inmate. Every reasonable precaution will be taken to avoid damage to personal property and to leave the inmate's quarters and property in good order upon completion of the inspection.

(3) An inmate's presence is not required during routine inspections of living quarters and property when the inmate is not or would not otherwise be present. During special inspections or searches initiated because the inmate is suspected of having a specific item

or items of contraband in his or her quarters or property, the inmate should be permitted to observe the search when it is reasonably possible and safe to do so.

(4) The inmate will be given a written notice for any item(s) of personal and authorized state-issued property removed from his or her quarters during an inspection and the disposition made of such property. The notice will also list any contraband picked up or any breach of security noted during the inspection, and the follow-up action intended by the inspecting officer.

(b) An inmate is subject to an inspection of his or her person, either clothed or unclothed, when there is a reasonable suspicion to believe the inmate may have unauthorized or dangerous items concealed on his or her person, or that he or she may have been involved in an altercation of any kind. Such inspections may also be a routine requirement for inmate movement into or out of high security risk areas. Random or spot-check inspections of inmates may also be authorized by the institution head to prevent possession and movement of unauthorized or dangerous items and substances into, out of, or within the institution. Visual daily inspections of inmates shall be made to ensure compliance with departmental grooming standards. All such inspections shall be conducted in a professional manner which avoids embarrassment or indignity to the inmate. Whenever possible, unclothed body inspections of inmates shall be conducted outside the view of others.

(1) Correctional employees, other than qualified medical staff, shall not conduct unclothed body inspections of inmates of the opposite sex except under emergency conditions with life or death consequences.

(2) Routine inspections of clothed male inmates may be performed by employees of either sex.

(3) Body inspection of clothed female inmates shall be conducted by female correctional employees only, except in emergency situations requiring the immediate search of inmates to avoid the threat of death, escape, or great bodily injury. In such emergency situations, male correctional employees may conduct clothed body inspections only until sufficient numbers of female correctional employees are available to assume critical body search duties.

(4) Male correctional employees shall not, under any circumstances, perform non-emergency body searches of female inmates.

(5) Any inspection of body cavities, other than visual or metal detector inspections, will be conducted in a medical setting under the direct supervision of a physician. Any physical intrusion into body cavities must be performed by a physician, and then only after all less obtrusive methods have failed to bring the inspection to a conclusion.

(c) Inspections of inmate cell or living areas, property, work areas, and body shall be conducted on an unannounced, random basis as directed by the institution head. Such inspections shall be conducted no more frequently than necessary to control contraband, recover missing or stolen property, or maintain proper security of the institution.

(d) A written record shall be maintained of the disposition of contraband and stolen or missing property confiscated as the result of cell, property, or body inspections.

HISTORY:

1. New section filed 8-1-78 as an emergency; effective upon filing (Register 78, No. 31).

3290. Methods for Testing of Controlled Substances or for Use of Alcohol.

(a) The department shall prescribe the products, equipment, and methods for testing suspected controlled substances or for the use of alcohol. "Field" or on-site testing shall be conducted only by trained personnel.

(b) Field tests may be performed on any suspected substance found on institution property or in the possession or under the control of any inmate, or in the possession or under the control of persons other than inmates who come on institution property.

(c) The securing of a urine sample from an inmate, for the purpose of testing for the presence of controlled substances or for use of alcohol may be done for the following reasons:

(1) When there is reasonable suspicion to believe the inmate has possessed, distributed, used, or is under the influence of a controlled substance or alcohol.

(2) When mandatory random testing is known to the inmate to be a condition for the inmate's participation in a specific program, assignment, or activity.

(3) As part of an authorized disposition of a disciplinary hearing.

(4) The inmate is selected by the institution's/facility's random drug testing selection process.

(d) Inmates must provide a urine sample when ordered to do so pursuant to these regulations, for the purpose of testing for the presence of controlled substances or the use of alcohol.

(e) Field testing of seized substances that are suspected of being a controlled substance shall be conducted for "screening" purposes only. Disciplinary action for possession of a controlled substance based solely on a field test shall not include the loss of work/behavior credits unless a laboratory has confirmed that the suspected substance is in fact a controlled substance, or the inmate has admitted to possessing the controlled substance, accepts the results of a field test, and waives the requirement of testing by a laboratory, and has signed a document to that effect.

(f) The positive test results from a urine sample submitted for testing for the presence of an unauthorized controlled substance or alcohol that has been confirmed as positive by a departmentally approved testing method may be considered as sufficient evidence to support a guilty finding for use of the controlled substance or alcohol.

(g) When evidence remaining after a field test or resulting from a field test is not suitable or sufficient for submission to a laboratory for confirmation of the field test, the field test results may be considered in a disciplinary hearing for possession of a controlled substance. Under such circumstances, a finding of guilty shall be based upon the preponderance of all evidence presented at the disciplinary hearing. Although no credit loss action may be taken when the only evidence being considered by the hearing official is the result from a field test, other authorized disciplinary actions may be taken pursuant to section 3315 for violations of 3016(a).

(h) The identification of unauthorized medication, to include any medication considered to be a controlled substance as described in section 3000, must be confirmed by a licensed pharmacist and that confirmation may be used as evidence in a disciplinary hearing. FLAMMABILITY TEST PROCEDURE FOR MATTRESSES
FOR USE IN HIGH RISK OCCUPANCIES

I. Scope

1. This test procedure is designed to test mattresses for use in occupancies that are identified as high risk. Such facilities might include, but are not limited to, jails, prisons, penal institutions, correctional facilities, juvenile detention centers, nursing homes, and health care facilities.
2. This test procedure is not intended to be used for the evaluation of residential mattresses.

II. Test Facility

- (a) The described test procedure is a full-scale fire test. Small-scale fire test methods cannot be substituted for the described procedure.
- (b) The test burn room shall be 12 x 10 feet or a close approximation with an 8 foot ceiling height. The room shall have no openings other than a doorway opening approximately 38 x 81 inches, located as indicated in Figure 1.
- (c) The test burn room shall be instrumented to monitor temperature, carbon monoxide concentration, and mattress weight loss.
- (d) The test room shall be unfurnished except for a mattress support that shall closely resemble a penal institution mattress spring unit, approximately 31 x 77 inches.
- (e) The mattress spring unit shall be positioned as indicated in Figure 1.

III. Test Sample

The test sample shall consist of a typical institutional mattress, complete with cover, with approximate dimensions 30 x 76 inches and with thickness appropriate to the application.

IV. Test Conditioning

The test mattress and newsprint shall be conditioned for at least 48 hours prior to test at $70 \pm 5^\circ\text{F}$ and a relative humidity of less than 55%. Test materials shall be tested within 10 minutes of removal from such condition if test room conditions differ from the above.

V. Test Ignition Source

- (a) The test ignition source shall be a galvanized metal container with ten (10) double sheets of loosely wadded newspaper.
- (b) The dimensions of the metal container shall be approximately 10 inches high, 12-1/2 inches top diameter, and 9 inches bottom diameter.
- (c) Each newsprint double sheet shall have the dimensions of 23 x 28 inches and an approximate weight of 18.5 ± 0.5 grams.
- (d) The newsprint shall be positioned in the container so that it is approximately level with the top of the container.

VI. Test Procedure

- (a) Place a weighed, conditioned, complete mattress on the spring support in a flat horizontal position as indicated in Figure 1.
- (b) The entire mattress and support system shall be assembled on a device capable of monitoring the weight loss of the mattress during combustion.
- (c) Position a thermocouple directly over the geometric center of the horizontal mattress surface and 1 inch below the ceiling.
- (d) Place the newsprint filled metal container beneath the mattress and support such that the center of the container is at the geometric center of the bottom mattress surface.
- (e) The height of the mattress support shall be adjusted so that the bottom surface of the mattress is $3 \pm 1/4$ inches above the top of the metal container.
- (f) Start monitoring instrumentation. Ignite the newsprint with a match and allow combustion to continue until either:
 1. All combustion has ceased; or
 2. At least ten percent by weight of the mattress has been consumed.

VII. Test Criteria

A mattress fails to meet the requirements of this test procedure if any of the following criteria are exceeded:

1. Greater than ten (10) percent weight loss in the first ten (10) minutes of the test.
2. A temperature of 500°F or greater at the thermocouple above the test mattress at any time during the test.
3. Carbon monoxide concentration in excess of 1,000 p.p.m. at any point in the test room at any time during the test.

VIII. Caution

Full-scale fire tests can be dangerous. All tests should be supervised by experienced test personnel. Adequate fire suppression equipment and self-contained breathing devices must be available for test personnel. Products of combustion can be irritating and dangerous, therefore, test personnel must avoid exposure to smoke and gases produced during testing as much as possible. Full-scale fire tests should never be left unattended. Test personnel must be certain upon completion of the test that combustion is totally suppressed.

3. The inmate's disability is such that staff assistance would be necessary for the inmate to participate in the disciplinary process.

(B) At any point prior to the disciplinary hearing, if it is discovered that the inmate may need a staff assistant, the classifying official or staff at an equal or higher rank, shall be advised in writing of the need, and if appropriate per section 3315(d)(2)(A), order the assignment of the staff assistant. (5) The inmate was not provided a written explanation of the exceptional circumstances preventing a hearing within 30 days after the inmate was provided a copy of the CDC Form 115 and the official conducting the hearing did not establish in the findings of the hearing that the delay did not prejudice the inmate.

(g) The inmate shall normally be present at a disciplinary hearing. When a disciplinary hearing is held without the inmate present, the reason for the absence shall be documented during the hearing on the CDC Form 115. The inmate shall be present at a disciplinary hearing unless:

(i) An inmate witness shall not be transferred between facilities to testify at a hearing unless the chief disciplinary officer of the facility hearing the charges determines a fair and impartial hearing cannot be conducted unless the witness is present. When a witness is not available, the chief disciplinary officer of the facility where the witness is located shall be notified of the need to appoint an investigative employee to discuss the case with the investigative employee of the facility conducting the disciplinary hearing; to interview the witness, prepare a written investigative report, and forward the report to the facility where the hearing will be conducted.

A copy of the new legal status sheet reflecting the credit restoration shall be provided to the inmate.

(d) If less than 100 percent of restorable credits forfeited are restored by the classification committee, the inmate may make additional applications for restoration upon completion of additional disciplinary-free periods until all restorable credit is restored or the inmate is released from custody.

(h) Exercise. Inmates undergoing disciplinary detention will be permitted a minimum of one hour per day, five days per week, of exercise outside their cells unless security and safety considerations preclude such activity.

(i) Reading Material. State supplied reading material will be provided for inmates undergoing disciplinary detention. Such material may be assigned to disciplinary detention units from the inmate library and will represent a cross section of material available to the general population. At the discretion of the warden or superintendent, inmates enrolled in educational programs who have textbooks in their personal property may be permitted to study such material while undergoing disciplinary detention.

(j) Legal Material. Inmates undergoing disciplinary detention will not be limited in their access to the courts. Legal resources may be limited to pencil and paper, which will be provided upon request, for correspondence with an attorney or preparation of legal

documents for the courts. Other legal material in an inmate's personal property may be issued to an inmate in disciplinary detention if litigation was in progress before detention commenced and legal due dates are imminent.

(k) Privileges. All privileges generally associated with the inmate's work/training incentive groups status will be suspended during a period of disciplinary detention. This includes but is not limited to: personal nonemergency telephone calls, handicraft activities, use of recreational equipment, and the viewing of television, and other privileges.

(l) Restrictions. A written report by the administrator or supervisor in charge of a disciplinary detention unit will be submitted to the chief disciplinary officer whenever an inmate undergoing disciplinary detention is deprived of any usually authorized item, activity or privilege. A special report to the chief disciplinary officer and to a classification committee will be made when an inmate's circumstances indicate a continuing need for separation from general population or from specific persons.

3. Amendment of subsection (c)(2) and amendment of Note filed 7-7-2005 as an emergency; operative 7-7-2005 (Register 2005, No. 27). Pursuant to Penal Code section 5058.3, a Certificate of Compliance must be transmitted to OAL by 12-14-2005 or emergency language will be repealed by operation of law on the following day.
4. Certificate of Compliance as to 7-7-2005 order transmitted to OAL 12-13-2005 and filed 1-26-2005 (Register 2006, No. 4).

3332. Administration and Supervision of Detention Units.

(a) Plan of Operation. Each warden and superintendent will establish and maintain a plan of operations for the disciplinary detention of inmates, whether in a unit or section of a unit designated for this specific purpose or in conjunction with other special purpose housing of inmates. Such plans will conform to the provisions of this article and will be updated as necessary to reflect current procedures and practices. A copy of the plan will be submitted to the director for review and approval annually, as scheduled for required plans.

(b) Administration and Supervision. The administration of disciplinary detention units may be delegated to a staff member at not less than the level of correctional captain. The supervision of disciplinary detention units may be assigned to a staff member at not less than the level of correctional sergeant.

(c) Visitation. Inmates assigned to disciplinary detention units will be visited daily by the supervisor in charge of the unit and by an institution physician, registered nurse or a medical technical assistant. An inmate's request to be visited by other staff will be promptly referred to the staff member. A timely response should be given to such requests whenever reasonably possible.

(d) Supervisor's Responsibilities. The supervisor in charge of a disciplinary detention unit is responsible for the physical security of the unit, the control of contraband within the unit, and for safe, sanitary and decent working and living conditions within the unit. When any condition within the unit or the behavior, conduct or appearance of any inmate confined therein appears to warrant the attention of specific or specialized staff, the matter will be promptly brought to the attention of appropriate staff.

(e) Suicide Risks. Inmates undergoing disciplinary detention who are diagnosed by qualified medical staff as a suicide risk

will be moved to a hospital setting, and medical staff will assume responsibility for such placement and for observation and supervision of the inmate. Such movement and supervision will be in cooperation and coordination with custody staff.

(f) Management Cases. An inmate who persists in unduly disruptive, destructive or dangerous behavior and who will not heed or respond to orders and warnings to desist from such activity, may be placed in a management cell on an order of the unit's administrator or, in his or her absence, an order of the watch commander. In addition to any necessary incident or disciplinary reports, the matter will be reported to the warden, superintendent, chief disciplinary officer or administrative officer of the day, one of whom will review management cell resident status daily. An inmate who requires management cell placement for longer than 24 hours will be considered for transfer to a psychiatric management unit or other housing appropriate to the inmate's disturbed state.

(g) Disciplinary Detention Records.

(1) A Disciplinary Detention Log, CDC Form 114, will be maintained in each designated disciplinary detention unit. Specific information required in this log will be kept current on a daily and shift or watch basis. A completed log book will be retained in the unit for as long as any inmate recorded on the last page of that log remains in the unit. Storage and purging of log books will be in accordance with department schedules. One disciplinary detention/segregation log may serve a disciplinary detention unit and other special purpose segregation units, which are combined and are administered and supervised by the same staff members.

(2) A separate record will be maintained on each inmate undergoing disciplinary detention. This record will be compiled on CDC Form 114-A, Detention/Segregation Record. In addition to the identifying information required on the form, all significant information relating to the inmate during the course of detention, from reception to release, will be entered on the form in chronological order.

3333. Confinement to Quarters.

(a) Confinement to quarters may be ordered as a continuous period of confinement or as intermittent confinement on holidays, weekends or days off from assigned work and classified program activities. When ordered as intermittent confinement, confinement may not exceed 10 ten days during a 35-day period.

(b) Confinement to quarters may extend from the first full day of confinement to the beginning of the day following the last full day of confinement. Such partial days will not reduce the total number of full days of ordered confinement.

HISTORY:

1. Change without regulatory effect amending section filed 10-29-90 pursuant to section 100, title 1, California Code of Regulations (Register 91, No. 6).

Article 6.5. Behavior Management Unit

3334. Behavior Management Unit.

(a) An inmate may not be assigned to a Behavior Management Unit (BMU), as defined in section 3000, except on the order of a Classification Committee.

(b) Inmates may be referred to a Classification Committee for placement into the BMU for one or more of the following reasons:

(1) Program Failure. The inmate is deemed a Program failure as defined by section 3000.

(2) Security Housing Unit (SHU) Offense as defined in section 3341.5(c)(9).

(A) If an inmate has been found guilty of an offense for which a determinate term of confinement has been assessed, whether imposed or suspended, and whose in-custody behavior reflects a propensity towards disruptive behavior, the inmate may be referred to a classification committee for placement in the BMU.

(B) Inmates currently serving a determinate SHU term whose in-custody behavior reflects a propensity towards disruptive behavior, which otherwise would not be eligible for additional SHU term assessment, shall be considered by the Institutional Classification Committee (ICC) for placement in a BMU upon completion or suspension of the SHU term.

(C) Inmates that have reached the Minimum Eligible Release Date (MERD) and have demonstrated an unwillingness to program in the general population may be reviewed by the Classification Committee for BMU placement consideration.

(3) Gang Related Activity

(A) Any pattern, which consists of two or more documented behaviors which indicates an individual's participation in gang related activity may be grounds for placement in the BMU. Gang related activity is defined as behavior which indicates an inmate's participation in a gang, prison gang, street gang or disruptive group as defined in section 3000.

(c) Inmates who meet the criteria for placement in the BMU program per section 3334(b) shall be reviewed by a Classification Committee after initial placement in the BMU program as outlined in section 3334(c)(3) below. The Classification Committee shall review, determine and assess the appropriate step, and if applicable approve a step change as outlined in section 3334(e) for each BMU inmate as recommended by BMU staff not less than every 30 days.

(1) Initial placement into the BMU shall be for a minimum of 90 days beginning on the date of reception into the BMU.

(2) Subsequent BMU placements shall be for a minimum of 180 days beginning on the date of reception into the BMU. Inmates who require subsequent placement will be monitored by BMU staff to ensure program compliance. If an inmate refuses to participate as required, the Classification Committee will review for possible program rejection.

(3) The Classification Committee will complete an initial assessment and develop an Individualized Training Plan (ITP) within 14 days of placement into BMU. The ITP will be based on each inmate's reason(s) for placement as outlined in section 3334(b).

(4) Inmates shall be expected to meet the requirements established by the Classification Committee as outlined in the ITP.

(5) Inmates must remain disciplinary free and complete the ITP as directed by the Classification Committee before being released from the BMU. The ITP may include, but is not limited to, participation in departmentally approved cognitive behavior programs, and/or participation in self help groups.

(6) The Classification Committee shall be responsible for providing the inmate with notification of the rules and intent of the BMU program. The CDC 128-G, Classification Chrono (Rev. 10/89), shall clearly state that the inmate was informed of the reason for placement, the length of placement, and any additional action the inmate must take to successfully complete the BMU program.

(d) In each case of BMU placement, release from the BMU is based upon completion of the ITP established by the Classification Committee.

(1) The Classification Committee will determine if the inmate has successfully completed their ITP requirements or failed to meet their requirements. Inmates who have met their ITP requirements shall be eligible to advance to the next step of the BMU program.

Inmates who have not met their ITP requirements shall be reviewed for appropriate step placement.

(e) BMU Step Process: Work Group/Privilege Group designations

(1) All inmates placed into the BMU will be designated a Work Group (WG), consistent with section 3044, and as determined by the Classification Committee effective the date of placement. Regardless of the WG, the designated Privilege Group (PG), consistent with section 3044, for Step 1 and Step 2 shall be C. The designated PG for Step 3 shall be B. All Work/Program assignments for BMU inmates shall be restricted to and located in the BMU.

(A) Step 1: Initial Placement—WG A1, A2, B or C and PG C. If the inmate meets the goals of the ITP, he will advance to Step 2.

(B) Step 2: WG A1, A2, B, or C and PG C. If the inmate meets the goals of the ITP, he will advance to Step 3.

(C) Step 3: WG A1, A2, B and PG B. If the inmate meets the goals of the ITP, he will advance to Step 4.

(D) Step 4: Upon completion of the ITP, inmates will be returned to traditional general population housing.

(f) Failure to progress in the stepped process shall be grounds for rejection from the BMU program and a review by the Classification Committee for placement on WG C PG C status. Inmates who have been rejected from the program shall not be placed in any other general population work or program assignment until they have successfully completed their ITP in the BMU. Inmates who have been rejected from the BMU program must submit a written request to their Correctional Counselor I for readmission to the program and shall be reviewed by the Classification Committee.

Article 7. Segregation Housing

3335. Administrative Segregation.

(a) When an inmate's presence in an institution's general inmate population presents an immediate threat to the safety of the inmate or others, endangers institution security or jeopardizes the integrity of an investigation of an alleged serious misconduct or criminal activity, the inmate shall be immediately removed from general population and be placed in administrative segregation. Administrative segregation may be accomplished by confinement in a designated segregation unit or, in an emergency, to any single cell unit capable of providing secure segregation.

(b) Temporary Segregation. Pending a classification committee determination of the inmate's housing assignment, which may include assignment to one of the segregation program units specified in section 3341.5 of these regulations or to the general inmate population, an inmate may be placed in a designated temporary housing unit under provisions of sections 3336–3341 of these regulations.

(c) An inmate's placement in segregation shall be reviewed by the Institutional Classification Committee (ICC) within 10 days of receipt in the unit and under provisions of section 3338(a) of these

regulations. Action shall be taken to retain the inmate in segregation or release to general population.

(d) When, pursuant to this section, an ICC retains an inmate on segregation status, the case shall be referred to a Classification Staff Representative (CSR) for review and approval. Unless otherwise directed by the CSR, subsequent ICC reviews shall proceed in accordance with the following timelines until the inmate is removed from segregation status:

(1) At intervals of not more than 90 days until pending Division C, D, E, or F rules violation report is adjudicated. Upon resolution of such matters, an ICC shall review the inmate's case within 14 calendar days. At that time, if no further matters are pending, but continued segregation retention is required pending transfer to a general population, ICC reviews shall be within at least every 90 days until the transfer can be accomplished.

(2) At intervals of not more than 180 days until a pending Division A-1, A-2, or B rules violation report is adjudicated, a court proceeding resulting from a referral to the district attorney for possible prosecution is resolved, or the gang validation investigation process is complete. Upon resolution of such matters, an ICC shall review the inmate's case within 14 calendar days.

(3) At intervals of not more than 90 days until completion of the pending investigation of serious misconduct or criminal activity, excluding gang validation, or pending resolution of safety and security issues, or investigation of non-disciplinary reasons for segregation placement. Should the completed investigation result in the issuance of a Rules Violation Report and/or a referral to the district attorney for criminal prosecution, an ICC shall review the case in accordance with the schedule set forth in subsections (1), (2), or (3) above. Upon resolution of such matters, an ICC shall review the inmate's case within 14 calendar days. At that time, if no further matters are pending, but continued segregation placement is required pending transfer to a general population, ICC reviews shall be at least every 90 days until transfer can be accomplished.

(e) Inmate retention in administrative segregation beyond the initial segregation ICC hearing shall be referred for CSR review and approval within 30 days and then thereafter in accordance with subsection (d) above. In initiating such reviews an ICC shall recommend one of the following possible outcomes:

(1) Transfer to another institution in accordance with section 3379.

(2) Transfer to a Segregated Program Housing Unit in accordance with section 3341.5.

(3) Retention in segregation pending completion of an active investigation into an alleged violation of the rules/disciplinary process, an investigation of other matters, or resolution of criminal prosecution. In such instances an ICC shall offer a reasonable projection of the time remaining for the resolution of such matters.

(f) Subsequent to CSR approval of an extension of segregation retention, an ICC will schedule the case for future CSR review in a time frame consistent with the projection(s) made in accordance with subsection (d) above.

(g) Inmates in segregation who have approved Security Housing Unit (SHU) term status, but are still awaiting other processes (i.e., court proceedings, adjudication of other rule violation reports, gang validation, etc.), shall be reviewed by an ICC in accordance with the SHU classification process noted in subsection 3341.5(c)(9).

(h) The need for a change in housing or yard status of any inmate segregated under the provisions of this article shall be reviewed at the next convened ICC hearing.

(i) All classification committee actions shall be documented, including a specific record of the inmate's participation, an explanation of the reason(s), and the information and evidence relied upon for the action taken. The inmate shall be provided copies of

the completed forms relied upon in making the decisions affecting the inmate.

3336. Segregation Order.

Authority to order an inmate to be placed in administrative segregation, before such action is considered and ordered by a classification hearing, may not be delegated below the staff level of correctional lieutenant except when a lower level staff member is the highest ranking official on duty.

(a) The reasons for ordering an inmate's placement in administrative segregation will be clearly documented on a CDC Form 114-D (Order and Hearing on Segregated Housing) by the official ordering the action at the time the action is taken.

(b) In addition to explaining the reason and need for an inmate's placement in administrative segregation, the official ordering the action will determine if a staff member needs to be assigned to assist the inmate in presenting the inmate's position at a classification hearing on the need for retention in segregated housing. Staff assistance will be assigned and the assignment will be noted in the CDC Form 114-D if the inmate is illiterate or if the complexities of the issues make it unlikely that the inmate can collect and present evidence necessary for an adequate comprehension of the inmate's position at a classification hearing. If an inmate is not illiterate and

the issues are not complex, staff assistance will not be assigned. The reason for not assigning staff assistance will be entered on the CDC Form 114-D.

(c) In assigning staff assistance, the official initiating the CDC Form 114-D will designate the inmate's caseworker by name, as the staff member to assist the inmate. If the assigned caseworker's name is not known or cannot be readily determined by the official initiating the CDC Form 114-D, the words "assigned caseworker" will be entered on the form.

(d) A copy of the CDC Form 114-D, with the "order" portion of the form completed, will if practical, be given to the inmate prior to placement in administrative segregation but not later than 48 hours after such placement. Copies of the CDC Form 114-D with the "order" portion completed will also be submitted to the warden or superintendent or designated staff for review and possible further action as described in section 3337. A copy of the CDC Form 114-D will also be routed to the records office as a notice of the inmate's current status and pending actions.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

HISTORY:

1. Change without regulatory effect amending first paragraph filed 3-22-2001 pursuant to section 100, Title 1, California Code of Regulations (Register 2001, No. 12).

3337. Review of Segregation Order.

On the first work day following an inmate's placement in administrative segregation, designated staff at not less than the level of correctional captain will review the order portion of the CDC Form 114-D. If retention in administrative segregation is approved at this review, the following determinations will be made at this level:

(a) Determine the appropriate assignment of staff assistance, if such assistance was deemed necessary by the official initiating the CDC Form 114-D. If the inmate's caseworker is not an appropriate assignment because of the caseworker's schedule, an alternate staff assistance assignment will be made. The inmate will be notified in writing of any change in the assignment of staff assistance. An inmate may decline to accept the assignment of his or her caseworker or the first person assigned. In such cases a different staff member will be assigned to assist the inmate.

(b) Determine the inmate's desire to call witnesses or submit other documentary evidence. If the inmate requests the presence of witnesses or submission of documentary evidence at a classification hearing on the reason or need for retention in segregated housing, an investigative employee will be assigned to the case. A request to call witnesses and the names of witnesses must be submitted in writing by the inmate.

(c) Determine if the inmate has waived the 72-hour time limit in which a classification hearing cannot be held, as indicated on the CDC Form 114-D, or if the inmate desires additional time to prepare for a classification hearing. A request and the reason for needing additional time to prepare for a hearing must be submitted in writing by the inmate. In the absence of an inmate's waiver of the 72-hour preparation period or an approved request for additional preparation time, a classification hearing cannot be held earlier than 72 hours after the inmate's placement in segregated housing, but will be held as soon thereafter as it is practical to do so.

(d) Determine the most appropriate date and time for a classification hearing based upon the determination arrived at under (a)(b) and (c) and the time limitations prescribed in section 3338.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3338. Hearing on Segregated Housing Order.

(a) A classification hearing for consideration and determination of the need to retain an inmate in segregated housing, for the reasons set forth in a segregation order, CDC Form 114-D, will be held as soon as it is practical and possible to do so, but in no case longer than 10 days from the date the inmate was initially placed in segregated housing, except for the following reasons:

(1) The segregation order, CDC Form 114-D, has been withdrawn and the inmate has been returned to general population status pursuant to Section 3339.

(2) The inmate has been afforded the procedural safeguards of a disciplinary hearing for a serious rule violation and the case has been referred to a classification committee for review, as provided in Section 3315(g). In such cases the classification committee may rely upon the findings of the disciplinary hearing in determining the inmate's need for segregated housing and in ordering such placement. A separate order and hearing on segregated housing is not required in such cases.

(3) The inmate is retained in segregated housing for any Administrative reasons or purposes after acquittal or dismissal of disciplinary charges for which the inmate was segregated pending a disciplinary hearing. In such cases, a segregated housing order shall be initiated and a hearing shall be held on the order within the time limits and under the procedural safeguards set forth in section 3339(b).

(4) A continuing state of emergency exists within the institution, as described in Section 3383. Under such circumstances the hearing will be held as soon as it is safe and practical to do so.

(b) The hearing on an administrative segregation order, CDC Form 114-D, may be conducted by a single classification hearing officer (facility captain, correctional captain, correctional counselor III, or experienced correctional lieutenant, or correctional counselor II.) This does not preclude the use of classification committees or subcommittees of classification for such hearings if such committee hearings can be scheduled and conducted within the time constraints required for such hearings. This option is left to the discretion of each warden and superintendent.

(c) The inmate will be present at the initial hearing on an administrative segregation order except under the applicable conditions as described in section 3320(g) of the director's rules relating to disciplinary hearings. If the hearing is held without the inmate present, the reason will be documented on the segregation order form. Any staff member assigned to assist the inmate will also be present at the hearing.

(d) The primary purpose of the initial hearing on an administrative segregation order, CDC Form 114-D, is to determine the need for continued retention in administrative segregation pending criminal prosecution, disciplinary proceedings, the resolution of nondisciplinary issues or considerations, and reclassification by the institution's main classification committee for assignment to a specialized security housing unit, or an action on the main classification committee's recommendation for transfer to an institution with appropriate specialized security housing units.

(e) When the reason for an inmate's initial placement in administrative segregation is a disciplinary matter and likely to result in a formal report of violation of institution rules on a CDC Form 115, or a referral to the district attorney for possible criminal prosecution, the hearing will assume the alleged misconduct or criminal activities to be factual as reported in the segregation order. The hearing will not consider evidence or information relating to the guilt or innocence of the inmate. The only determination to be made is whether the inmate needs to be retained in administrative segregation for the reasons given in subsection 3335(a) and in the segregation order, CDC Form 114-D, pending resolution or

disposition of disciplinary issues. If the hearing decision is to retain the inmate in administrative segregation, the case will be referred to the next scheduled meeting of the institution's main classification committee for review. The main classification committee may review the case in absentia and continue the inmate in administrative segregation pending resolution of the disciplinary issues, or schedule the inmate for a personal appearance to consider placement in a specialized security unit based upon other nondisciplinary reasons necessitating such placement.

(f) When the reason for an inmate's placement in administrative segregation is for nondisciplinary reasons, the hearing will consider all available evidence or information relating to the validity of the reasons given for such placement as well as the need to retain the inmate in administrative segregation pending resolution of the situation or circumstances set forth in the administrative segregation order.

(g) All cases of nondisciplinary administratively segregated inmates referred to the institution's main classification committee in place of an initial hearing on a segregation order or for a review of an initial hearing decision, will require the inmate's personal appearance except under the applicable conditions for absentia hearings as described in section 3320(g) of the director's rules.

(h) Based upon the finding of the investigative employee, the initial hearing or the main classification committee will permit the inmate to present witnesses and documentary evidence at the hearing unless the initial hearing officer or the chairperson of the committee determines in good faith that permitting such evidence will be unduly hazardous to the institution safety or correctional goals. The reason for disallowing witnesses or evidence will be documented in the "hearing" portion of the segregation order, CDC Form 114-D, and in the classification committee's report (CDC Form 128-G) depending upon the hearing at which the presentation of such evidence or witnesses would have otherwise been presented.

(i) The determinations arrived at in the classification hearing will be documented in the hearing portion of the segregation order, CDC Form 114-D, and in the classification committee report, CDC Form 128-G, depending upon the hearing at which the need for segregated housing is resolved. Such documentation will include an explanation of the reason and the information and evidence relied upon for the action taken. A copy of the completed CDC Form 114-D and any CDC Form 128-G resulting from hearings will be routed to the inmate's central file. The inmate will also be given copies of all completed forms and of all other documents relied upon in the hearing except those containing confidential information.

3339. Release from Administrative Segregation and Retention in Administrative Segregation.

(a) Release: Release from segregation status shall occur at the earliest possible time in keeping with the circumstances and reasons for the inmate's initial placement in administrative segregation.

Nothing in this article shall prevent the official ordering an inmate's placement in administrative segregation, or a staff member of higher rank in the same chain of command, from withdrawing an administrative segregation order before it is acted upon or prior to a hearing on the order after consulting with and obtaining the concurrence of the administrator of the general population unit to which the inmate will be returned or assigned. Release from segregated housing after such placement shall be effected only upon the written order of an equal or higher authority.

(b) Retention: Subsections (b)(1)–(b)(5) set forth procedural safeguards. These procedural safeguards apply to inmates retained for administrative reasons after the expiration of a definite term or terms of confinement for disciplinary reasons. Definite terms of confinement shall be set or reduced by classification or administrative action.

(1) A segregated housing order, CDC Form 114-D, shall be initiated, giving written notice of the reasons for such retention in sufficient detail to enable the inmate to prepare a response or defense. Except in case of a genuine emergency, a copy of the order shall be given to the inmate prior to the expiration of the determinate term or terms of confinement. In no case shall notice be given later than 48 hours after the expiration of the determinate term or terms.

(2) A fair hearing before one or more classification officials shall be held not more than 96 hours after the inmate is given a copy of the segregated housing order, unless the inmate requests, in writing, and is granted additional time to prepare a defense.

(3) Representation by a staff assistant shall be provided if institution officials determine that the inmate is illiterate or that the complexity of the issues make it unlikely that the inmate can collect or present the evidence necessary for an adequate comprehension of the case. The determination and designation is to be made at the time the segregated housing order is prepared and shall be included on the copy of the order given the inmate.

(4) The inmate shall be given a reasonable opportunity to present witnesses and documentary evidence unless institution officials determine in good faith that presentation of the evidence would be unduly hazardous to institutional safety or correctional goals. The reason for disallowing designated evidence will be explained in writing by the hearing body on the segregated housing order.

(5) A copy of the completed segregated housing order containing a written decision, including references to the evidence relied upon and the reasons for retention in segregated housing beyond the expiration of the expired term of confinement, if so retained, shall be given the inmate upon completion of the hearing.

3340. Exclusions.

Separation from general population for the reasons and under the circumstances described in this section is not considered administrative segregation and is specifically excluded from the other provisions of this article.

(a) Medical. When an inmate is involuntarily removed from general inmate status for medical or psychiatric reasons by order of medical staff and the inmate's placement is in a hospital setting or in other housing as a medical quarantine, the inmate will not be deemed as segregated for the purpose of this article. When personnel other than medical staff order an inmate placed in administrative segregation for reasons related to apparent medical or

psychiatric problems, that information will be immediately brought to the attention of medical staff. The appropriateness of administrative segregation or the need for movement to a hospital setting will be determined by medical staff. When medical and psychiatric reasons are involved, but are not the primary reasons for an inmate's placement in administrative segregation, administrative segregation status will be continued if the inmate is moved to a hospital setting and the requirements of this article will apply.

(b) Orientation and Lay-Over. Newly received inmates and inmates in transit or lay-over status may be restricted to assigned quarters for that purpose. Such restrictions should not be more confining than is required for institution security and the safety of persons, nor for a period longer than the minimum time required to evaluate the safety and security factors and reassignment to more appropriate housing.

(c) Disciplinary Detention. Placement in disciplinary detention as an ordered action of a disciplinary hearing is not subject to the provisions of this article except as provided in section 3338(a)(2) and (3).

(d) Confinement to Quarters. Confinement to quarters as an ordered action of a disciplinary hearing is not subject to the provisions of this article.

(e) Segregated Inmates. When an inmate has been classified for segregated housing in accordance with this article and commits a disciplinary offense while so confined, or is returned to segregated housing upon completion of a disciplinary detention sentence for an offense committed in a segregated unit, the provision of this article will not apply.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3341. Staff Assistance.

The duties and functions of a staff member assigned to assist an inmate in a classification hearing on a segregated housing order will be the same as described in section 3318 for a disciplinary hearing. When an inmate requests witnesses at a classification hearing on a segregation order and an investigative employee is assigned, the investigative employee's duties and functions will be essentially the same as described in section 3318 for pre-disciplinary hearing investigations. In screening prospective witnesses, the investigative employee will do so in accordance with the information to be considered in the classification hearing, as described in section 3338(e) and (f).

HISTORY:

1. Editorial correction removing extraneous text (Register 97, No. 5).
2. Change without regulatory effect amending section filed 1-29-97 pursuant to section 100, title 1, California Code of Regulations (Register 97, No. 5).

3341.5. Segregated Program Housing Units.

Special housing units are designated for extended term programming of inmates not suited for general population. Placement into and release from these units requires approval by a classification staff representative (CSR).

(a) Protective Housing Unit (PHU). An inmate whose safety would be endangered by general population placement may be placed in the PHU providing the following criteria are met:

- (1) The inmate does not require specialized housing for reasons other than protection.
- (2) The inmate does not have a serious psychiatric or medical condition requiring prompt access to hospital care.
- (3) The inmate is not documented as a member or an affiliate of a prison gang.

(4) The inmate does not pose a threat to the safety or security of other inmates in the PHU.

(5) The inmate has specific, verified enemies identified on CDC Form 812 likely to and capable of causing the inmate great bodily harm if placed in general population.

(6) The inmate has notoriety likely to result in great bodily harm to the inmate if placed in general population.

(7) There is no alternative placement which can ensure the inmate's safety and provide the degree of control required for the inmate.

(8) It has been verified that the inmate is in present danger of great bodily harm. The inmate's uncorroborated personal report, the nature of the commitment offense or a record of prior protective custody housing shall not be the sole basis for protective housing unit placement.

(b) Psychiatric Services Unit (PSU). A PSU provides secure housing and care for inmates with diagnosed psychiatric disorders not requiring inpatient hospital care, but who require placement in housing equivalent to Security Housing Unit (SHU), as described in subsection 3341.5(c), at the Enhanced Outpatient Program level of the mental health delivery system.

(c) Security Housing Unit (SHU). An inmate whose conduct endangers the safety of others or the security of the institution shall be housed in a SHU.

(1) Assignment criteria. The inmate has been found guilty of an offense for which a determinate term of confinement has been assessed or is deemed to be a threat to the safety of others or the security of the institution.

(2) Length of SHU Confinement. Assignment to a SHU may be for an indeterminate or for a fixed period of time.

(A) Indeterminate SHU Segregation.

1. An inmate assigned to a security housing unit on an indeterminate SHU term shall be reviewed by a classification committee at least every 180 days for consideration of release to the general inmate population. An investigative employee shall not be assigned at these periodic classification committee reviews.

2. Except as provided at section 3335(a), section 3378(d) and subsection (c)(5), a validated prison gang member or associate is deemed to be a severe threat to the safety of others or the security of the institution and will be placed in a SHU for an indeterminate term.

3. Indeterminate SHU terms suspended based solely on the need for inpatient medical or mental health treatment may be reimposed without subsequent misbehavior if the inmate continues to pose a threat to the safety of others or the security of the institution.

(B) Determinate SHU Segregation.

1. A determinate period of confinement in SHU may be established for an inmate found guilty of a serious offense listed in section 3315 of these regulations. The term shall be established by the Institutional Classification Committee (ICC) using the standards in this section, including the SHU Term Assessment Chart (see section 3341.5(c)(9)), Factors in Mitigation or Aggravation (see section 3341.5(c)(10)), SHU Term Assessment Worksheet CDC Form 629-A, Rev. 3/96, Assessment of Subsequent SHU Term Worksheet CDC Form 629-B, Rev. 9/90, and SHU Time Computation Table (see CDC Form 629-D, Rev. 7/88).

2. The term shall be set at the expected term for the offense in the absence of mitigating or aggravating factors. Deviation from the expected term shall be supported by findings pursuant to subsection (c)(7).

3. The terms shall be recorded on CDC Form 629-A, SHU Term Assessment Worksheet, using the SHU Time Computation Table which incorporates one-fourth clean conduct credit in the term. The computation shall establish a maximum release date and a

minimum eligible release date (MERD). A copy of the CDC Form 629-A shall be given to the inmate.

4. Serious misconduct while in SHU may result in loss of clean conduct credits or an additional determinate term for an inmate serving a determinate term. Such additional term may be concurrent or consecutive and shall be recorded on CDC Form 629-B with a copy given to the inmate. Such cases shall be referred to a CSR for approval; however, all release and retention requirements of section 3339 shall remain in effect pending CSR approval.

5. Up to 45 days of a SHU inmate's clean conduct credits may be forfeited for disciplinary infractions that are not serious enough to warrant the assessment of a subsequent or concurrent SHU term. Such forfeiture may be assessed against credits already earned or future credits.

6. Consecutive SHU terms shall be assessed only for offenses occurring after commencement of a prior determinate SHU term.

7. The ICC may commute or suspend any portion of a determinate term. Once commuted, the term shall not be reimposed. If suspended, the period of suspension shall not exceed the length of the original term imposed. When either action occurs, the case shall be referred to a classification staff representative (CSR) with a placement recommendation.

8. A SHU Term may be reimposed if an inmate placed in the Administrative Segregation Unit (ASU) is found guilty of a serious rule violation and the ICC concludes the inmate poses a threat to the safety of others or the security of the institution.

9. Determinate SHU terms suspended based solely on the need for inpatient medical or mental health treatment may be reimposed without subsequent misbehavior if the inmate continues to pose a threat to the safety of others or the security of the institution.

10. The Unit Classification Committee shall conduct hearings on all determinate cases at least 30 days prior to their MERD or during the eleventh month from the date of placement, whichever comes first.

(C) Anytime a SHU term is reimposed, ICC shall record the basis of their decision in the CDC Form 128-G, Classification Chrono (Rev. 10/89), which is incorporated by reference, clearly articulating the inmate's continued threat to the safety of others or the security of the institution.

(3) Release from SHU. An inmate shall not be retained in SHU beyond the expiration of a determinate term or beyond 11 months, unless the classification committee has determined before such time that continuance in the SHU is required for one of the following reasons:

(A) The inmate has an unexpired MERD from SHU.

(B) Release of the inmate would severely endanger the lives of inmates or staff, the security of the institution, or the integrity of an investigation into suspected criminal activity or serious misconduct.

(C) The inmate has voluntarily requested continued retention in segregation.

(4) A validated prison gang member or associate shall be considered for release from a SHU, as provided above, after the inmate is verified as a gang dropout through a debriefing process.

(5) As provided at section 3378(e), the Departmental Review Board (DRB) may authorize SHU release for prison gang members or associates categorized as inactive. The term inactive means that the inmate has not been involved in gang activity for a minimum of six (6) years. Inmates categorized as inactive who are suitable for SHU release shall be transferred to the general population of a Level IV facility for a period of observation that shall be no greater than 12 months. Upon completion of the period of observation, the inmate shall be housed in a facility commensurate with his or her safety needs. In the absence of safety needs, the inmate shall be housed in a facility consistent with his or her classification score.

The DRB is authorized to retain an inactive gang member or associate in a SHU based on the inmate’s past or present level of influence in the gang, history of misconduct, history of criminal activity, or other factors indicating that the inmate poses a threat to other inmates or institutional security.

(6) As provided at section 3378(f), an inmate categorized as inactive or validated as a dropout of a prison gang and placed in the general population may be returned to segregation based upon one reliable source item identifying the inmate as a currently active gang member or associate of the prison gang with which the inmate was previously validated. Current activity is defined as, any documented gang activity within the past six (6) years. The procedures described in this Article shall be utilized for the removal of the inmate from the general population, the review of the initial segregation order, and all periodic reviews of the indeterminate SHU term.

(7) Determinate/Indeterminate SHU terms shall be served in a departmentally approved SHU or a facility specifically designated for that purpose, except under those circumstances where the term may be served in ASU. Determinate/Indeterminate SHU terms may also be served in secure inpatient medical or mental health settings, when deemed clinically necessary.

(8) When an inmate is paroled while serving a determinate term, the remaining time on the term is automatically suspended. When an inmate returns to prison, either as a parole violator or with a new prison commitment, ICC shall evaluate the case for reimposition of the suspended determinate term. If reimposed, the term shall not exceed the time remaining on the term at the time of parole.

(a) The case of every inmate assigned to a segregated housing unit will be continuously reviewed and evaluated by custodial and casework staff assigned to the unit. Staff will confer on each case no less frequently than once a week during the first two months of the inmate's segregated status. Such case reviews will not be necessary during any week in which the inmate's case is reviewed by a regular or special classification committee or by staff who are authorized to take classification actions. Any significant observations, determinations or recommendations, will be documented on the inmate's Detention/Segregation Record, CDC Form 114-A.

(b) Psychological Assessment. A psychological assessment of the inmate's mental health will be included in the case review and classification committee review of inmates assigned to segregated housing units. When any indication of psychiatric or psychological problems exists, the case will be referred to the institution's psychiatrist or psychologist for further evaluation and recommended classification committee actions, if any.

3343. Conditions of Segregated Housing.

and supervision required to serve that purpose, the physical facilities of special purpose segregated housing will approximate those of the general population.

(b) Restrictions. Whenever an inmate in administrative segregation is deprived of any usually authorized item or activity and the action and reason for that action is not otherwise documented and available for review by administrative and other concerned staff, a report of the action will be made and forwarded to the unit administrator as soon as possible.

(c) Clothing. No inmate in administrative segregation will be required to wear clothing that significantly differs from that worn by other inmates in the unit, except that temporary adjustments may be made in an inmate's clothing as is necessary for security reasons or to protect the inmate from self-inflicted harm. No inmate will be clothed in any manner intended to degrade the inmate.

(d) Meals. Inmates assigned to administrative segregation including special purpose segregated housing, will be fed the same meal and ration as is provided for inmates of the general population, except that a sandwich meal may be served for lunch. Deprivation of food will not be used as punishment.

(e) Mail. Inmates assigned to administrative segregation, including special purpose segregated housing, will not be restricted in their sending and receiving of personal mail, except that incoming packages may be limited in number, and in content to that property permitted in the segregated unit to which an inmate is assigned.

(f) Visits. Inmates assigned to segregated housing, except for inmates assigned to security housing units in accordance with Section 3341.5, shall be permitted to visit under the same conditions as are permitted inmates of the general population. Inmates assigned to special purpose segregation housing will be permitted a minimum of one hour per day, five days a week, of exercise outside their rooms or cells unless security and safety considerations preclude such activity. When special purpose segregated housing units are equipped with their own recreation yard, the yard periods may substitute for other out of cell exercise periods, providing the opportunity for use of the yard is available at least three days per week for a total of not less than 10 hours a week.

(i) Reading Material. Inmates assigned to administrative segregation, including special purpose segregated housing, will be permitted to obtain and possess the same publications, books, magazines and newspapers as are inmates of the general population, except that the quantity may be limited for safety and security reasons. (j) Telephones. Institutions will establish procedures for the making of outside telephone calls by inmates in administrative segregation. Such procedures will approximate those for the work/training incentive group to which the inmate is assigned, except that individual calls must be specifically approved by the supervisor in charge or the administrator of the unit before a call is made.

(k) Institution Programs and Services. Inmates assigned to segregated housing units will be permitted to participate and have access to such programs and services as can be reasonably provided

within the unit without endangering security or the safety of persons. Such programs and services will include, but are not limited to: education, commissary, library services, social services, counseling, religious guidance and recreation.

A timely response should be given to such requests wherever reasonably possible.

Article 9. Mental Health Services**3360. Availability of Mental Health Services.**

(a) The department will provide a broad range of mental health services to inmates and parolees by assessing the needs of its population and developing specialized programs of mental health care, to the extent resources are available for this purpose. Necessary and appropriate mental health services will be provided to inmates and parolees, and adequate staff and facilities will be maintained for the delivery of such services.

(b) When an inmate is found to require mental health care not available within these resources, but which is available in the Department of Mental Health, the case will be referred to the director for consideration of temporary transfer to that department pursuant to Penal Code section 2684.

(c) Recognizing that many parolees have unique treatment needs not readily met by community mental health programs, and that the promptness and appropriateness of those needs affect public safety, the department provides outpatient clinics for parolees. These clinics are conducted in widely distributed locations throughout the state at times and places such that they are available to parolees, and that they shall maintain close working relationships with parole supervisors, paroling authorities, and the community in which the parolee resides.

3361. Responsibility.

(a) All required mental health treatment or diagnostic services shall be provided under the supervision of a psychiatrist licensed to practice in this state, or a psychologist licensed to practice in this state and who holds a doctoral degree and has at least two years of experience in the diagnosis and treatment of emotional and mental disorders. Facilities for mental health treatment and diagnostic services shall be under the direction of such a psychiatrist or psychologist. A psychiatrist shall be available to assume responsibility for all acts of diagnosis or treatment that may only be performed by a licensed physician and surgeon.

(b) When an inmate or an inmate's guardian or relative, or an attorney or other interested party desires to have an inmate examined by a private psychiatrist or other mental health professional, a request shall be submitted in writing by such person or persons to the warden. After consulting with the institution's chief psychiatrist or, in his absence, the chief medical officer, the warden will grant the request unless there are specific case factors which, in the judgment of the warden, warrant denial. If the request is denied, the person making the request will be notified in writing of the reason for the denial and the right to appeal the decision, to the director. Any financial responsibility or obligation for private consultants or examinations will be assumed by the inmate or the person requesting the service. Private consultants will not be permitted to order mental health treatment for any inmate. However, the private consultant may be asked to make a report of findings and recommendations to the warden.

(c) Recognizing that mental health care often involves revealing deeply personal and private matters, all mental health care shall be provided in such a manner as to maintain the dignity of the inmate. Professional relationships shall be conducted with proper privacy, with due regard for the professional to take necessary and appropriate action to prevent harm to the patient or to others. Records of mental health diagnosis, evaluation and treatment prepared or maintained by the department shall remain the property of the department and are subject to all applicable laws governing their confidentiality and disclosure. Treatment will be in accord with sound principles of practice and will not serve a punitive purpose.

3. Certificate of Compliance as to 1-3-95 order including amendment of section and Note transmitted to OAL 6-12-95 and filed 7-25-95 (Register 95, No. 30).

3362. Availability of Treatment.

All persons committed to the department shall be informed that mental health services are available to them. They shall be informed that, upon their request, an evaluative interview will be provided within a reasonable period of time by a licensed practitioner, or a specially trained counselor supervised by a licensed practitioner. Upon request, they will be provided with information as to what specialized treatment programs may be available in the department and how such treatment may be obtained.

3363. Right to Refuse Treatment.

Inmates/Parolees shall be informed any time they are the object of particular mental health diagnosis or treatment procedures. Such persons shall have the right to refuse assignment to such a program of diagnosis or treatment without being subject to discipline or other deprivation, except as indicated in the following:

(a) When mental health evaluation is required by law or ordered by a court.

(b) When an inmate is placed in a mental health program for diagnostic study by the action of a classification committee, which acted upon documented information or observations that gave reasonable cause to believe the inmate was suffering from a mental illness which poses a danger to self or others, or is gravely disabled. A physician or other licensed practitioner may act in an emergency situation to place an inmate in psychiatric segregation under observation and treatment for a period of up to five working days pending classification action, providing the reasons for this action are documented.

(c) When diagnostic study has led to a diagnosis of existing or recurrent mental illness, which renders the inmate dangerous to self or others, or gravely disabled.

(d) If there is a special condition of parole requiring attendance at a parole outpatient clinic, interviews may be imposed upon the parolee. However, no medication will be administered by these clinics without the specific informed consent of the patient.

HISTORY:

1. Amendment of first paragraph and subsections (b) and (c) filed 1-3-95 as an emergency; operative 1-3-95 (Register 95, No. 1). A Certificate of Compliance must be transmitted to OAL 6-12-95 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 1-3-95 order transmitted to OAL 6-12-95 and filed 7-25-95 (Register 95, No. 30).

3364. Involuntary Medication.

(a) If medication used in the treatment of mental disease, disorder or defect is administered in an emergency, as that term is defined in section 3351, such medication shall only be that which is required to treat the emergency condition and shall be provided in ways that are least restrictive of the personal liberty of the inmate. If it is determined that further administration of such medication involuntarily is necessary for a period of longer than 72 hours, the following provisions shall be followed:

(1) The administration of involuntary medication to inmates in excess of three days shall be in compliance with those procedures required in *Keyhea v. Rushen*, Solano County Superior Court No. 67432, Order Granting Plaintiffs' Motion for Clarification and Modification of Injunction and Permanent Injunction, filed October 31, 1986.

(2) The administration of involuntary medication to inmates in excess of ten days shall be in compliance with those procedures required in *Keyhea v. Rushen*, supra.

(3) The administration of involuntary medication to inmates in excess of 24 days shall be in compliance with those procedures required in *Keyhea v. Rushen*, supra. The judicial hearing for the authorization for the involuntary administration of psychotropic medication provided for in part III of *Keyhea v. Rushen*, supra, shall be conducted by an administrative law judge. The hearing may, at the direction of the director, be conducted at the facility where the inmate is located.

(b) Involuntary antipsychotic medication shall not normally be administered to an inmate in his or her housing unit. An inmate shall normally be transferred to the hospital, clinic, emergency room or infirmary room at the institution prior to the administration of the medication. If a psychiatrist determines that the prior transfer of the inmate to such a setting would pose a greater risk to the inmate and staff than the risk involved to the inmate in receiving the medication in a non-medical setting, the involuntary medication may be administered in the inmate's cell, provided that:

(1) Medical staff shall alert security staff, orally and in writing, of the fact that such medication has been administered, of the date and time of administration, of possible side-effects, if any, which could develop, and shall provide security staff with instructions for contacting medical staff immediately upon the development of any such side effects. On-call medical staff shall make periodic observations of the inmate and shall respond to any emergency request for medical aid.

(2) In all cases where it is both feasible and medically desirable, a fast-acting medication shall be utilized to facilitate the inmate's rapid transfer to a medical setting.

(3) The inmate shall be considered for transfer from his or her cell to a medical setting at least once a day after the injection by a staff psychiatrist, or if a psychiatrist is not available by a staff physician, for the effective duration of the medication. The staff psychiatrist or physician shall note his or her observations and decision in writing. The inmate shall be transferred to a medical setting no later than 72 hours after the injection if the effective duration of the drug administered exceeds that time period.

(c) Each institution's chief psychiatrist, or in his or her absence, chief medical officer, shall ensure that a log is maintained in which is recorded each occasion of involuntary treatment of any inmate. The log entries shall identify the inmate by name and number, and shall include the name of the ordering physician, the reason for medication, and the time and date of medication. In institutions with a designated psychiatric treatment unit, a separate log shall be maintained for recording involuntary treatment and medication administered to inmates in that unit. The log shall be reviewed by the institution's chief psychiatrist, or in his or her absence, the chief medical officer, at least monthly. Such logs shall be made available for review by the departmental medical director upon request.

3365. Suicide Prevention and Response.

(a) Each institution head shall ensure that all employees whose assignments routinely involve inmate contact are trained to recognize signs and symptoms associated with suicide risk, the appropriate procedures for staff intervention, and the appropriate procedures to be followed in response to emergency situations resulting from self-injurious or suicidal actions. This training shall be conducted as in-service training, in compliance with Section 3435.

(b) Each institution head shall implement a Suicide Prevention Program for inmates who display self-injurious or suicidal behavior or symptoms. These programs shall include the following components:

(1) Suicide Watch. When medical staff determine that an inmate is actively suicidal, a licensed physician or psychologist shall order placement of the inmate on suicide watch in a General Acute Care Hospital (GACH), Correctional Treatment Center (CTC), Skilled Nursing Facility (SNF), Outpatient Housing Unit (OHU), or other appropriate health care facility, for continual observation.

(2) Suicide Precaution. When medical staff determine that an inmate is at high risk of attempting self-injurious behavior, a licensed physician or psychologist shall order placement of the inmate on suicide precaution in a GACH, CTC, SNF, OHU, or other appropriate health care facility, for periodic monitoring.

(3) Follow-up Treatment. Discharge from suicide watch or suicide precaution shall occur when an interdisciplinary team of clinicians determines that the inmate no longer presents a suicide risk. A written treatment plan and follow-up outpatient treatment shall be provided by a mental health clinician.

(c) When a suicide attempt is discovered in progress, medical assistance shall be summoned immediately to provide emergency medical care. Security and safety procedures shall be followed, including the use of required equipment and procedures to deal with bodily fluids. A cut-down kit shall be immediately accessible on each unit and shall be used by staff in case of an attempted suicide by hanging. All subsequent activities and procedures shall comply with local institutional emergency plans, as developed in compliance with Section 3301.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3369. Shock Therapy.

(a) Shock therapy is the only form of organic therapy, as defined by law, which may be used in the treatment of persons committed to the custody of the Director of Corrections. No inmate who is competent and capable of giving informed consent will be administered any form of shock therapy without having given his or her consent. Prior authorization of a superior court is also required before shock therapy may be administered for any treatment purpose other than as an emergency lifesaving measure.

(1) Shock therapy as a lifesaving emergency medical measure may be administered to an inmate who is competent and capable of giving informed consent and who has given consent, or an inmate who is incompetent or incapable of giving informed consent, without prior court authorization. However, all pertinent clinical data relating to the nature of the emergency and the treatment given will be presented to the court for review within 10 days of the first instance of emergency shock treatment.

(2) When an inmate is competent and capable of giving informed consent and has done so, and the court has authorized such treatment, shock therapy may be administered in a non-emergency course of treatment. No form of shock therapy may exceed three months of continuous treatment nor more than three months in any 12-month period.

(b) Informed Consent. The term, "Informed Consent," means that a person must knowingly and intelligently, without duress or coercion, and clearly and explicitly consent to the proposed shock therapy. The inmate's consent must be given in writing and in the presence of the attending physician. It must be preserved and be available to the inmate, the inmate's attorney, guardian, or conservator.

(c) Determining Need. If the attending physician determines that shock therapy is required for the health and safety of the inmate, permission may be requested of the warden or superintendent to administer the therapy.

(1) The warden or superintendent will appoint a committee of physicians, two of whom are board certified or eligible for board certification in psychiatry or neurosurgery, to review the inmate's treatment record and the determination of the attending physician. At least one of the attending physicians must not be a full-time employee of the department.

(2) Before shock treatment may be administered, this committee must unanimously agree with the attending physician's

determination that it is required and, if it is to be performed under the provisions of subsection (b), that the inmate has the ability to give informed consent and has in fact given informed consent.

(d) Withdrawal of Consent. Any inmate who has given informed consent may withdraw it at any time. The shock therapy must cease immediately.

(e) Court Petition.

(1) An inmate, or inmate's attorney, guardian or conservator may file a petition with the superior court of the county in which the inmate is confined for an order to prohibit the administration of shock therapy upon the inmate. This petition must be served by the county clerk upon the warden or superintendent on the same day it is filed and constitutes a refusal of consent or withdrawal of any prior consent.

(2) The warden or superintendent has 10 days to file a response to the petition. The superior court may grant a continuance of 10 additional days. The response must be served upon the inmate, and upon the inmate's attorney, guardian or conservator on the same day it is filed with the clerk of the superior court.

(f) Correspondence Regarding Shock Therapy. The inmate is entitled to communicate in writing with his or her attorney, and by writing or visits with his or her parents, guardian or conservator regarding any proposed administration of shock therapy or organic therapy. Any mail regarding shock therapy will not be prevented from leaving the institution.

(g) Incapable of Informed Consent.

(1) If the inmate is incapable of giving informed consent to a program of shock therapy, and the attending physician believes that such treatment is required for the health and safety of the inmate, the attending physician may request the permission of the warden or superintendent. If the warden or superintendent agrees with the request and the committee, appointed pursuant to subsection (c)(1), also unanimously agrees that such therapy is required, the warden or superintendent will forward the request to the Chief, Medical Services for review and recommendation to the director. If the director concurs in the course of treatment, the warden or superintendent will petition the superior court for permission to conduct the hearing. No treatment will be conducted until after a hearing at which the inmate is represented by counsel and after a court order authorizing the treatment is issued.

(2) In an extraordinary case, the attending physician may determine that shock treatment is required for a longer period of time than three months, or more frequently than three months in the period of one year. The same procedures as in paragraph (1) of this subsection will be followed before any further shock therapy will be administered.

(h) Inmate Rights. If the attending physician determines that an inmate should be administered shock therapy, the inmate will be informed of his or her rights under this article. A copy of Penal Code Sections 2670 through 2680 will be made and will be given to the inmate at that time.

(3) An opportunity to present documentary evidence and the oral or written testimony of witnesses, and to refute evidence and cross-examine witnesses unless the hearing officer indicates a good cause for prohibiting such evidence or witnesses.

(4) A hearing officer who shall be the institution head or a designee, which shall be a correctional administrator, physician, psychiatrist, or psychologist who is not involved with treating the inmate.

(5) A copy of the written decision within 72 hours after the hearing, which shall include the reason for the decision and the evidence, relied upon in making the decision.

(b) Inmates and parolees who require emergency psychiatric hospitalization shall be entitled to a certification review hearing pursuant to Welfare and Institutions Code section 5256 at the Department of Mental Health hospital in lieu of the above hearing and waiver requirements.

(c) Inmates and parolees housed in Department of Mental Health hospitals remain under the jurisdiction of the department and shall not be permitted to leave the hospital grounds without the specific authorization of the director.

(2) An inmate with a history of sex crimes designated in section 3377.1(b) shall be housed in accordance with their placement score and shall not be assigned outside the security perimeter.

(3) An inmate with a history of arson shall not be housed in a facility constructed primarily of wood.

(4) An inmate with a felony hold, warrant, detainer, or the equivalent thereof filed with the Department who is likely to receive a significant period of consecutive incarceration or be deported shall not be housed in a Level I facility without perimeter gun towers.

(5) An inmate requires confidential placement in another correctional jurisdiction.

(6) An inmate serving a sentence of life without possibility of parole (LWOP) shall not be housed in a facility with a security level lower than Level III, except when authorized by the Departmental Review Board (DRB). When a Level III male inmate serving a sentence of LWOP is housed in a Level III institution, he shall be housed in a 270o-design facility (i.e., a facility allowing for a 270o field of view for control booth staff). Inmates serving LWOP in need of urgent or emergent medical or psychiatric care may be transferred to a celled in-patient medical or mental health bed pending DRB approval. The DRB shall review the case within 30 days of the transfer.

(7) An inmate identified as a serial killer shall be excluded from Level I or Level II placement even if his or her convictions for murders are prosecuted separately.

(8) An inmate serving a life term shall not be housed in a Level I facility nor assigned to a program outside a security perimeter. Exceptions may only occur when Board of Parole Hearings (BPH) grants parole, the release date is within 3 years, and the Governor's Office has completed its review and either formally approved parole or taken no action. When all three conditions are met and the inmate is otherwise eligible for a custody reduction, the inmate shall be evaluated by an ICC for the custody reduction.

(9) An inmate serving a life term whose placement score is not consistent with a Level I or II security level shall not be housed in a Level I or Level II facility except when approved by the Departmental Review Board.

(10) An inmate whose death sentence is commuted or modified shall be transferred to a reception center for processing after which the Departmental Review Board shall determine the inmate's initial facility placement.

(11) An inmate with a case factor described in sections 3377.2(b)(2)(A), 3377.2(b)(2)(B) or 3377.2(b)(2)(C), shall be ineligible for minimum custody. An inmate with a history of one or more walkaways from nonsecure settings, not to include Drug Treatment Furlough and Community Correctional Reentry Centers, shall not be placed in minimum custody settings for at least 10 years following the latest walkaway.

(1) AGE. Inmate's youthfulness, immaturity or advanced age.

(2) ARS. Current conviction, prior conviction, or a sustained juvenile adjudication, as defined in subdivision (b)(26)(A), for arson.

(3) BEH. Inmate's record of behavior indicates they are capable of successful placement at a facility with a security level lower than that which is consistent with his/her placement score. This factor shall not be used for an inmate who is currently housed at a facility with a security level higher than that which is consistent with his/her placement score.

(4) CAM. Placement is recommended due to a shortage of camp qualified inmates.

(5) DEA. Inmate was formerly or is currently sentenced to death.

(6) DEP. Special placement ordered by the Departmental Review Board.

This should also be used when it is probable that the inmate may be victimized due to case factors; e.g., the nature of their offense is likely to create an enemy situation at certain facilities, current Protective Housing Unit case, and those who are natural victims because of their appearance.

(9) ESC. Unusual circumstances suggest the inmate is a much greater escape risk than indicated by his/her placement score; e.g., the inmate verbalized an intent to escape.

(10) FAM. Inmate has strong family ties to a particular area where other placement would cause an unusual hardship.

(11) GAN. Documentation establishes that the inmate's gang membership or association requires special attention or placement consideration.

(12) INA. Documentation establishes that the inmate's inactive gang status requires special attention or placement consideration.

(13) HOL. Hold, warrant or detainer is likely to be exercised.

(14) LIF. Inmate is serving a life sentence and requires placement in a facility with a security level higher than that indicated by his/her placement score.

(15) MED. Inmate's medical condition requires treatment or continuing medical attention not available at all facilities.

(16) OUT. Inmate requires placement at a specific facility for an out-to-court appearance. This factor shall also be used when a releasing authority appearance is nearing.

(17) POP. Shall be used only by a CSR to indicate that no beds presently exist at a facility with a security level that is consistent with the inmate's placement score.

(18) PRE. The short time remaining to serve limits or otherwise influences placement or program options for the inmate. This factor shall also be used for sending an inmate to a hub facility for their release to a community based correctional facility.

(19) PSY. Inmate's psychological condition requires special treatment or may severely limit placement options. This factor shall also be used for those inmates who are designated as Category B.

(20) PUB. Shall be used only by a CSR to indicate an inmate is identified as a Public Interest Case as defined in section 3000.

(23) SEX. Inmate has a prior incidence of rape, oral copulation, sodomy, or a lewd and lascivious act which requires restricted custody or placement.

(24) SOR. Inmate's bisexual or homosexual orientation may require special placement.

(25) TIM. Inmate's time to serve is long, requiring placement at a facility with a security level higher than that which is consistent with his/her placement score.

(26) VIO. Inmate has a current or prior conviction for a violent felony, or a sustained juvenile adjudication including, but not limited to, those listed under Penal Code section 667.5(c), which, as determined by the CSR, requires placement in a facility with a higher security level than that indicated by his/her placement score.

(A) For the purposes of this subdivision, a "sustained juvenile adjudication" means a guilty determination or ruling rendered in a juvenile judicial proceeding.

(B) The following administrative determinations regarding allegations of violent acts, including but not limited to those offenses described in Penal Code Section 667.5(c), shall have the same force and effect as a current or prior conviction for a violent felony or a sustained juvenile adjudication:

1. Board of Parole Hearings or Parole Hearings Division good cause finding or probable cause finding, or;

2. California Youth Authority/Division of Juvenile Justice/Youth Offender Parole Board sustained allegation.

(C) A probation or Post-Release Community Supervision violation finding in a court of law involving, but not limited to those offenses described in Penal Code Section 667.5(c), shall have the same force and effect as a current or prior conviction in a court of law for a violent felony.

(27) VOC. Inmate is involved in a vocational program which is not available at a facility with a security level which is consistent with the inmate's placement score.

(28) WOR. Inmate has a work skill in a critical trade which warrants special placement consideration.

3375.3. CDCR Classification Score Sheet, CDCR Form 839, Calculation.

This section incorporates by reference CDCR Form 839 (Rev. 07/12), Classification Score Sheet.

The factors and related numerical weights used to determine an inmate's preliminary score are listed below. Box numbers appear to the right, but refer to the first box on the left of each field.

(a) Background factors (Boxes 30-46):

(1) Age at first arrest (Boxes 30-31).

(A) Calculate the inmate's age at first arrest based on the date of the inmate's first arrest. If there is no record of arrests prior to the commitment offense, use the date of arrest for the commitment offense as the date of the inmate's first arrest on CDCR Form 839 (Rev. 07/12), CDCR Classification Score Sheet.

(B) When the age of first arrest is determined, round down to the full year and apply that information to the Age at First Arrest matrix on CDCR Form 839.

(C) Enter the corresponding point value in boxes to the right.

(D) Enter all single digit numbers in the box to the far right.

(2) Age at Reception (Box 32).

(A) When the inmate's age at reception is determined, round down to the full year and apply that information to the Age at Reception matrix.

(B) Enter the corresponding point value in the box to the right.

(C) This is always a single digit value.

(3) Term points (term in years x 2) (Boxes 33-34):

(A) Presentence and postsentence credits shall not be subtracted from length of term. A sentence of death or life without possibility of parole shall result in a maximum score of 50. For sentences of 25 years-to-life for murder, the base term is 25 years. For sentences under Penal Code section 667.7 with a term of life without parole for 20 years, the base term is 20 years. For all other life sentences, the base term is 15 years. Any enhancements or determinate terms for other counts or offenses to be served consecutive to a life term shall be added to the base term before calculation of the term score.

(B) Enter term in whole years within the parentheses.

1. Multiply the number of years by two (2).

2. Enter this value in Boxes 33-34.

3. Any single digit value is entered in the box to the far right.

4. If the score is more than 50, then 50 shall be used as the final term score.

(C) If, subsequent to endorsement of the CDCR Form 839, the inmate receives a new term, record the change in term points, if any, on a CDCR Form 840 (Rev. 07/12), Reclassification Score Sheet, as a result of this new term. Do not correct the CDCR Form 839.

(4) Street gang/disruptive group (Boxes 35-38). For the purpose of preliminary score evaluation, if there is information that the inmate is or has been involved in gang activity, enter 6 points in Box 35.

(A) Type of street gang/disruptive group code. Apply the code that most closely identifies the inmate's gang. Enter the appropriate alpha code in Boxes 36-37.

1. CR Crip street gang/disruptive group.

2. BL Blood street gang/disruptive group.

3. NH Northern Hispanic street gang/disruptive group.

4. SH Southern Hispanic street gang/disruptive group.

5. AS Asian street gang/disruptive group.

6. BD Bulldogs street gang/disruptive group.

7. WH White supremacists, neo nazi, skinheads, etc., street gang/disruptive group.

8. BK Black street gang/disruptive group (not Crip nor Blood).

9. MC outlaw motorcycle clubs street gang/disruptive group.

10. OT other street gang/disruptive group not listed.

(B) Method of verification code (Box 38). Apply the code that is most indicative of gang activity. Enter the appropriate alpha code in Box 38:

1. Code A—Self admission. Staff shall document information about the inmate/parolee's self-admission and specific involvement with the gang. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

2. Code B—Tattoos and symbols. Body markings, hand signs, distinctive clothing, graffiti, etc., which have been identified by gang investigators as being used by and distinctive to specific gangs. Staff shall describe the tattoo or symbol and articulate why it is believed that the tattoo is used by and distinctive of gang association or membership. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

3. Code C—Written material. Any material or documents evidencing gang activity such as the membership or enemy lists, constitutions, organization structures, codes, training material, etc., of specific gangs. Staff shall articulate why, based on either the explicit or coded content, the written material is reliable evidence of association or membership with the gang. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

4. Code D—Photographs. Individual or group photographs with gang connotations such as those which include insignia, symbols, or validated gang affiliates. The date of the photograph shall be reasonably ascertained prior to any photo being relied upon for inclusion as a source item. No photograph shall be considered for validation purposes that is estimated to be older than six (6) years. Any photograph being utilized as a source item that depicts gang members shall be required to have at least one of the individuals previously validated by the department, or be validated by the department within six (6) months of the photograph's established or estimated date of origin. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

5. Code E—Staff information. Documentation of staff's visual or audible observations which reasonably indicate gang activity. Staff shall articulate the basis for determining the content or conduct at issue is gang related. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

6. Code F—Other agencies. Information evidencing gang activity provided by other agencies. Verbal information from another agency shall be documented by the staff person who receives such information, citing the source and validity of the information. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

7. Code G—Association. Information related to the inmate's association with gang affiliates. Information including addresses, names, identities and reasons why such information is indicative of association with a prison gang or disruptive group. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

8. Code H—Offenses. The circumstances of an offense evidence gang activity such as an offense being between rival gangs, the victim is a verified gang affiliate, or the inmate's crime partner is a verified gang affiliate. Staff shall articulate why an offense is gang related. Multiple sources of information relative to a single incident

or offense will be considered one source of validation. Staff shall document and disclose this information to the inmate/parolee in written form that would not jeopardize the safety of any person or the security of the institution.

9. Code I—Legal documents. Probation officer's report or court transcripts evidencing gang activity. Staff shall assure the document containing this information is disclosed to the inmate/parolee in written form that would not jeopardize the safety of any person or the security of the institution.

10. Code J—Communications. Documentation of telephone conversations, conversations between inmates, mail, greeting cards, notes, or other communication, including coded messages evidencing gang activity. Staff shall articulate why, based on either the explicit or coded content, the communication is reliable evidence of association or membership with the gang. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(5) Mental Illness (Box 43). Do not make an entry in Box 43 during intake processing. This box is only used during the CDCR 839 correction process to remove previously-assessed Mental Illness points.

(6) Prior sentences (Box 44). This item requires a review of the probation officer's report (POR) and the CI&I/CLETS in order to identify prior sentences of 31 days or more. Apply no more than one point.

(A) Jail or county juvenile sentence of 31+ days (Box 44).

1. Count any sentence of 31 days or more. Do not include suspended sentences or sentences for violations of Post-Release Community Supervision or parole.

2. Count any incarceration under a delinquency petition which involves a crime rather than "status offender" placements. For example, "beyond parental control" should not be counted. Burglary, however, would be counted.

3. Count CDCR placements for diagnostic evaluation pursuant to Penal Code Section 1203.03 "Z" cases, followed by a grant of probation.

(7) Prior Incarceration(s) (Boxes 45-46)

2. This area shall not be used for changes or adjustments to term points.

3. Enter only the total correction to the score, either negative or positive, in the boxes provided.

(b) Prior Incarceration Behavior (Boxes 50 through 64):

(1) Last 12 months of Incarceration (Boxes 50-52). Prior incarceration behavior in any correctional agency shall include the last 12 consecutive months in custody, prior to the date that the inmate was received in CDCR, going as far back as necessary to attain a total of 12 months. This includes behavior while in county jail, after conviction, or during transportation to the reception center. For example, behavior while incarcerated in juvenile hall, federal prison, or while serving a civil addict commitment shall also be counted.

(2) Twelve months of incarceration is also defined as 360 days. For ease and consistency of rule application, a month is considered a 30-day month.

(A) Only misbehavior which is equivalent to a serious rule violation, as defined in section 3315, shall be recorded.

(B) If the inmate has a prior incarceration for 12 months or more but adequate documentation of the inmate's behavior is not available, four (4) favorable points shall be granted.

1. If behavioral information becomes available later, these items may need to be corrected.

(3) Favorable prior behavior (Box 50):

(A) If the inmate had no serious disciplinary(s) in the last 12 months of incarceration(s), four points shall be entered in Box 50.

(A) For each serious disciplinary in the last 12 months of incarceration(s), four points shall be entered in Boxes 51-52.

(B) Serious Disciplinary History (Boxes 53-64).

A single serious disciplinary may result in the assessment of points on the classification score sheet for more than one factor listed in subsections 3375.3(b)(4)(C) through (H). Assess points for behavior for which the inmate was found guilty and for behavior that occurred during any prior incarceration, if the behavior meets the definitions below even if it occurred beyond the last 12 months of incarceration.

(C) For each battery on a nonprisoner or attempted battery on a nonprisoner, eight points shall be entered in Boxes 53-54.

1. Battery shall include any offense described in section 3005(d).

(D) For each battery or attempted battery on an inmate, four points shall be entered in Boxes 55-56. Assessments shall only include situations where one or more inmates are clearly the victim.

(E) For each involvement in the distribution of any controlled substance, per subsection 3323(c)(6), into a jail or correctional facility for distribution and sales, four points shall be entered in Boxes 57-58. Points shall not be assessed for incidents of personal use or possession of a small quantity of drugs.

(F) For each possession of a deadly weapon:

1. Four points shall be entered in Boxes 59-60 for each well documented incident of an inmate's manufacture or possession of a deadly weapon where apparent use was intended (does not include possession of commonly available and unmodified objects unless used as a weapon and this fact is documented in the disciplinary hearing process). Include possession of a razor blade (whether modified or not) in a segregated program-housing unit (e.g. Administrative Segregation Unit, Security Housing Unit, Psychiatric Services Unit, etc.); or,

2. Eight points shall be entered in Boxes 59-60 for each possession of a deadly weapon incident, which occurred within five years of the inmate's reception to the Department on the current term.

(G) For each instance of a leadership role in deliberate and willful behavior which might lead to violence or disorder, and any willful attempt to incite others, either verbally or in writing, or by other deliberate action, to use force or violence upon another person, as described in section 3005 (this involves a leadership role in a facility riot, racial disturbance or work strike), four points shall be entered in Boxes 61-62.

(H) For each battery that caused serious bodily injury, 16 points shall be entered in Boxes 63-64. Inmates who conspired in or ordered the battery shall also receive these points.

1. Serious bodily injury is that which is defined in section 3000.

2. Any attempt, which may have been life-threatening but circumstances such as heavy clothing prevented the homicide, shall be included.

(c) Preliminary Score (Boxes 65-67).

(1) The inmate's preliminary score is entered in Boxes 65-67 and is the result of adding the total points derived from background factors in subsection (a) with the total points derived from prior incarceration behavior in subsection (b).

(2) Right-justify the total score.

(3) Computations which result in a minus value shall be entered as zero.

(C) Enter the mandatory minimum score that corresponds to the selected code in Boxes 69-70.

(e) Placement Score (Boxes 71-73).

(1) If there are no case factors that require a mandatory minimum score, enter the preliminary score as the placement score.

(2) If a mandatory minimum score has been applied, and it is greater than the preliminary score, enter the mandatory minimum score as the placement score.

(3) If a mandatory minimum score has been applied, and it is less than the preliminary score, enter the preliminary score as the placement score.

(f) Special Case Factors (Boxes 74-76)

(1) In Box 74, enter "A" if the inmate has an active felony hold, warrant, or detainer. Enter "P" if the inmate has a potential felony hold, warrant, or detainer. If the inmate has both an active and a potential felony hold, warrant, or detainer, enter "A".

(A) Up to five administrative determinants may be entered in Boxes 134-148.

1. Reason for any administrative or irregular placement (Boxes 157-159).

(B) Enter one of the administrative determinant's three-letter code from section 3375.2.

(2) CSR approval of an administrative or irregular placement (administrative determinant) is valid only as long as the inmate's placement score remains within the same facility security level as when the approval was given.

3375.4. CDCR Reclassification Score Sheet, CDCR Form 840, Calculation.

This section incorporates by reference CDCR Form 840 (Rev. 07/12), Reclassification Score Sheet.

The factors and their related numerical weights used to recalculate an inmate's preliminary score or new preliminary score are listed below. Box numbers appear to the right but refer to the first box on the left of each field.

(a) Favorable behavior since last review (Boxes 46-51). The categories below provide favorable points for six-month intervals. For an annual reclassification review, two six-month periods may be counted. When an inmate's status is interrupted during the period without inmate fault, the period shall be considered continuous.

(1) For each six-month period of continuous minimum custody, four points shall be entered in Boxes 46-47.

(2) For each six-month period since the last review with no serious disciplinary(s), two points shall be entered in Boxes 48-49.

(3) For each six-month period with an average or above performance in work, school or vocational program, two points shall be entered in Boxes 50-51.

(A) Part-time assignments which, when work/program hours are added together, are equivalent to a full-time assignment shall be combined.

(B) Favorable points shall not be granted for average or above performance for inmates who are not assigned to a program.

(b) Unfavorable behavior since last review (Boxes 52-69):

(1) For each serious misbehavior for which the inmate was found guilty during any six-month review period, apply eight points for a Division A-1 or A-2 offense; apply six points for a Division B, Division C, or Division D offense; apply four points for a Division E or Division F offense. Only misbehavior which is equivalent to a serious rule violation as defined in section 3315 shall be recorded in Boxes 52-57. This includes behavior while in the county jail or

conduct that occurred while the inmate was housed in another state or federal jurisdiction.

(A) Do not include any administrative rule violations.

(B) When the serious misbehavior also includes other factors listed in subsections (2) through (7) below, assess additional points for each applicable factor.

(2) For each battery on a nonprisoner or attempted battery on a nonprisoner during any six-month review period, eight points shall be entered in Boxes 58-59.

(A) Battery means any offense as described in section 3005(d) where criminal prosecution had, or would normally have, taken place.

(3) For each battery on an inmate or attempted battery on an inmate during any six-month review period, four points shall be entered in Boxes 60-61.

(A) Refers to situations where one or more inmates are clearly the victim.

(B) Do not include mutual combat where both inmates were co-responsible.

(4) For each incident involving the distribution of any controlled substance, per subsection 3323(c)(6), in an institution/facility or contract health facility, for distribution and sales, four points shall be entered in Boxes 62-63. Points shall not be assessed for personal use or possession of a small quantity of drugs, or being under the influence.

(5) For each well-documented serious misbehavior for possession of a deadly weapon where apparent use was intended, 16 points shall be entered in Boxes 64-65. Points shall not be assessed for possession of commonly available and unmodified objects, unless they were used as weapons and that fact is documented in the disciplinary report. Include possession of a razor blade (whether modified or not) in a segregated program-housing unit (e.g., Administrative Segregation Unit, Security Housing Unit, Psychiatric Services Unit, etc.).

(6) For each serious disciplinary where the inmate led a facility riot, racial disturbance or work strike, four points shall be entered in Boxes 66-67. Include any willful and deliberate behavior which may have led to violence or disorder, and any willful attempt to incite others, either verbally or in writing, or by other deliberate action, to use force or violence upon another person, of the type described in section 3005.

(7) For each battery that caused serious bodily injury, 16 points shall be entered in Boxes 68-69. Inmates who conspired in or ordered such battery shall receive the same points.

(A) Serious bodily injury is that which is defined in Section 3000.

(B) Any attempted battery which may have been life threatening but circumstances such as heavy clothing prevented the homicide shall be included.

(c) Correction to CDC 840 Reclassification Score Sheet (Prior to Rev. 07/02) (Boxes 70-72).

(1) Use this section to correct a CDC 840 Score Sheet with a form revision date prior to 07/02.

(2) Enter only the total correction to the score, either negative or positive, in boxes provided.

(2) When the Board of Parole Hearings establishes a parole date for an inmate with a life sentence:

(A) The total projected incarceration time in years and months is the term length.

(B) Multiply the total term length in years by two (2).

(C) Determine the difference between the new term points and the old term points. The resultant plus or minus figure is the change in term points.

(3) For parole violators: If a parole violator receives a new term after the CDCR Form 841 (Rev. 07/12) has been endorsed, the prior term points shall be given a minus value and combined with new term points. The difference is the change in term points.

(4) Do not record a change in term points unless there is a change in the total term.

(h) Recalculation of the New Preliminary Score:

(1) The inmate's new preliminary score is entered in Boxes 82-84 and is the result of combining the preliminary score subtotal and any adjustments resulting from a change in term points as determined in subsection (g).

(2) CSR approval of an administrative or irregular placement is only valid as long as the inmate's placement score remains within the same facility security level score range as when the approval was given.

(m) An inmate whose CDCR term has been discharged due to the conviction being vacated on appeal who is then re-convicted and returned to CDCR custody for the same crime event shall be considered for a one-time point adjustment commensurate with the net change in points attributable to positive and/or negative behavior achieved during the original associated CDCR term.

3376.1. Departmental Review Board.

The Departmental Review Board (DRB) provides the Secretary's final review of classification issues which are referred by an institution head for a resolution or decision at the headquarters level. The DRB decision serves as the Secretary's level decision which is not appealable and concludes the inmate/parolee's departmental administrative remedy of such issues.

(a) Composition of the DRB:

(1) The director or deputy director of the adult institutions division (chairperson).

(2) The director or deputy director of the Division of Adult Parole Operations.

(3) The chief of classification services (shall abstain on DRB issues resulting from a difference of opinion between an institution head and the chief of classification services).

(4) The chief of health services.

(b) Two members shall constitute a quorum.

(c) The DRB shall meet at the call of the chairperson.

(d) Referrals shall be made to the DRB when:

(1) An institution head is unable to resolve a difference of opinion with the chief of classification services.

(2) An institution head believes a clarification of departmental policy of statewide importance is required.

(3) An institution head believes a DRB level decision for placement of an inmate is required because of an unusual threat to the safety of persons or public interest in the case; e.g., commuted or modified death sentence or classification of an inactive gang member or associate. Subsequent DRB reviews of the continued placement of inactive gang members or associates in a security housing unit (SHU) shall occur no earlier than two years after the previous DRB decision. Upon denial of an alternative placement for an inactive gang member or associate, the DRB is authorized to schedule an earlier review of the placement if the DRB determines that it is reasonable to expect that release from SHU will be granted in less than two years.

(4) A difference between a Board of Parole Hearing's program placement order and the department's policies cannot be resolved.

(5) An out-of-state or federal prison placement is recommended by the institution classification committee for a Western Interstate Corrections Compact (WICC), PC Section 11190, an Interstate Corrections Compact (ICC), PC Section 11189, or a Federal Placement, PC Section 2911. A California Out-of-State Correctional Facility (COCF) transfer shall not require a DRB review or institution classification committee action.

(6) Meritorious credit is recommended by an institution classification committee to reduce an inmate's period of confinement pursuant to Penal Code Section 2935.

(7) The inmate's current placement was ordered by the DRB and there is no documentation in the inmate's central file to indicate that the DRB has relinquished responsibility for the inmate's placement.

(e) Decisions of the DRB shall be in writing and implemented within 30 calendar days after the decision is made.

(b) An "R" suffix shall be affixed to an inmate's custody designation to ensure the safety of inmates, correctional personnel, and the general public by identifying inmates who have a history of specific sex offenses as outlined in Penal Code (PC) Section 290.

(1) The "R" suffix shall be affixed during reception center processing if one of the following four criteria applies:

(A) The inmate is required to register per PC Section 290.

(B) The inmate's parole was revoked by the Board of Parole Hearings (BPH) formerly known as the Board of Prison Terms/Parole Hearing Division, Good Cause/Probable Cause Finding of an offense that is equivalent to an offense listed in PC Section 290.

(C) The inmate had a BPH formerly known as California Youth Authority/Youth Offender Parole Board sustained adjudication of an offense that is equivalent to an offense listed in PC Section 290.

(D) The inmate had a valid "R" suffix evaluation as defined in this section, resulting in the "R" suffix being affixed.

(2) Inmates with a prior "R" suffix evaluation inconsistent with Section 3377.1(b)(5) shall not have an "R" suffix applied. An "R" suffix evaluation must be completed at the receiving institution.

(3) Within six months of reception or at any time during an incarceration, inmates with records of arrest, detention, or charge of any offenses listed in PC Section 290, shall appear before a classification committee to determine the need to affix an "R" suffix to the inmate's custody designation. The committee shall consider the arrest reports and district attorney's comments related to each arrest.

(A) An inmate found guilty in a disciplinary hearing of a Division A-1, A-2, or B offense that is equivalent to an offense listed in PC Section 290 shall have an "R" suffix evaluation completed by a classification committee.

(4) The receiving institution's initial classification committee shall affix the "R" suffix designation to an inmate's custody during initial classification committee review when it is determined the "R" suffix was not applied at the reception center and the inmate meets one of the criteria listed in Subsection 3377.1(b)(1).

(5) When completing an "R" suffix evaluation, the classification committee shall consider the arrest report(s) and district attorney's comments. However, a classification committee may affix an "R" suffix if the arrest report(s) are available and the district attorney's comments are unavailable. The classification committee shall document in a CDC Form 128-G the attempts/steps taken to obtain the required documentation.

(A) An "R" suffix shall not be affixed when the required documentation is not available for review, unless approved by Departmental Review Board (DRB) decision. If the arrest report is unavailable, the district attorney's comments or any other court or official documents shall be considered if available.

(B) DRB approval is required to affix an "R" suffix to an inmate's degree of custody if the required relevant documents are not available to complete an "R" suffix evaluation.

(6) If a Unit Classification Committee (UCC) finds that an inmate may no longer require an "R" suffix, the committee shall refer the case to the Institution Classification Committee (ICC) for review.

(7) Should a different facility UCC at the same institution disagree with the initial UCC's decision to either affix or not affix the "R" suffix, the committee must refer the case to ICC for review.

(8) ICC can reverse an "R" suffix evaluation by a previous institution's ICC only if new and compelling information is obtained. Otherwise, the case shall be referred for a DRB decision.

(9) An "R" suffix shall not be applied if the inmate was acquitted/found not guilty of the sex related charges in a court of law even if BPH Good Cause/Probable Cause Finding revoked his/her parole for those sex related charges.

(10) Inmates with "R" suffixes shall be housed in accordance with their placement score and shall not be assigned outside the security perimeter.

(11) Inmates who have obtained a valid Certificate of Rehabilitation pursuant to PC Section 4852.01 shall not have an "R" suffix affixed.

(12) An inmate whose "R" suffix has been removed shall be eligible for any housing or assignment for which they otherwise would qualify had the "R" suffix never been designated.

(13) The following terms are defined for the purposes of the "R" suffix custody designation:

(A) Institution means a large facility or complex of subfacilities with a secure (fenced or walled) perimeter headed by a warden.

(B) Facility means a subfacility of an institution headed by a facility captain.

(c) An "S" suffix may be affixed by a classification committee to the inmate's custody designation to alert staff of an inmate's need

for single cell housing. The classification committee's decision to affix the "S" suffix shall be based on documented evidence that the inmate may not be safely housed in a double cell or dormitory situation based on a recommendation by custody staff or a health care clinician.

(d) A "D" suffix may be affixed by an Institutional Classification Committee (ICC) to a male inmate's Close Custody designation to indicate the inmate may be housed within a dormitory environment. A mental health clinician or physician shall be present during the ICC classification hearing for placement or removal of a D Suffix to an inmate-patient's custody designation.

(1) A "D" suffix shall only be affixed by ICC if the inmate meets one of the following criteria and the ICC determines the inmate can safely program in dormitory housing based on a review of the inmate's case factors:

(A) Inpatient mental health treatment is deemed clinically necessary and health care staff have determined that required care cannot be provided in a celled environment.

(B) Placement in a specialized medical bed has been deemed clinically necessary and the Health Care Placement Oversight Program staff have determined the required care cannot be provided in a celled environment.

(2) Other security precaution requirements set forth in Section 3377.1 for Close Custody still apply to inmates with a "D" suffix.

(3) The D suffix shall be removed when either of the following occur:

(A) A determination is made by health care staff that the inpatient mental health treatment is no longer necessary and/or can be provided within a celled environment.

(B) A determination is made by health care staff that the inpatient medical care is no longer necessary and/or the Health Care Placement Oversight Program staff have determined appropriate celled housing is available.

3377.2. Criteria for Assignment of Close Custody.

(a) Upon review of an inmate's case factors and need for supervision, a classification committee shall establish a Close Custody designation in accordance with the case factor criteria established in section 3377.2(b).

(1) Upon completing the minimum time requirement for Close Custody as established in 3377.2(b) and being without any finding of guilt for a serious Rules Violation Report for the past 12 months, an inmate's custody shall be considered for reduction by a classification committee.

(2) Departmental Review Board (DRB) approval is required to assign a Close Custody designation to an inmate who does not meet the case factor criteria established in section 3377.2(b).

(3) An ICC may temporarily assign a Close Custody designation to an inmate, for a maximum of 90 days, pending receipt of documents or verification of information needed to make a final determination.

A classification committee may also temporarily assign a Close Custody designation to an inmate who has postponed the disciplinary hearing of a Rules Violation Report (RVR) that qualifies for Close Custody designation pursuant to section 3377.2(b) pending referral for criminal prosecution until the RVR is adjudicated, not to exceed the minimum requirements for Close Custody as established in sections 3377.2(a)(1) and 3377.2(b). Upon adjudication of the RVR, the case shall be returned to a classification committee within 30 days for custody review.

(4) The period of time during which an inmate is Unclassified or designated at Maximum Custody shall not count toward fulfilling the required minimum time period to be served at Close Custody as established in section 3377.2(b).

(5) A period of time during which an inmate is not in the custody of the Department, as defined in section 3000, shall not count toward fulfilling the required minimum time period to be served at Close Custody as established in section 3377.2(b), with an exception granted for inmates housed at a California Out-of-state Correctional Facility (COCF).

(6) Incarceration time served in the Division of Juvenile Justice (DJJ), prior to the inmate's placement in CDCR during the inmate's

current term, shall be counted toward fulfilling the required minimum time period to be served at Close Custody. Staff shall apply the provisions described in sections 3377.2(a)(1) and 3377.2(b) to determine the appropriate custody designation.

(7) An inmate who meets more than one Close A Custody case factor shall be designated Close A Custody for the longest required amount of time before becoming eligible for Close B Custody consideration.

(8) An inmate who meets more than one case factor for Close B Custody shall serve the longest required amount of time before he or she is to be eligible for consideration of further custody reduction.

(9) When an inmate paroled or discharges prior to fulfilling the required minimum time period for Close Custody per section 3377.2(b) and later returns to prison, any time remaining to fulfill his Close Custody requirements from his prior term shall not be reimposed. Close Custody shall only be designated based on current case factors, and no credit shall be given for time spent at Close Custody on the prior CDCR term.

(10) When an inmate's judgment (commitment) is vacated or recalled and the inmate is subsequently re-sentenced for the same crime event, resulting in discharge of the original CDCR term and re-commitment to CDCR, the new sentence shall be evaluated for Close Custody eligibility. If the inmate's case factors associated with the new sentence require Close Custody, an ICC shall grant credit for time served at Close Custody and/or a lower custody on the discharged CDCR term. If the inmate has not completely fulfilled the required minimum time period for Close A Custody and/or Close B Custody, the inmate shall be required to serve the remaining Close Custody time as specified in 3377.2(b).

(11) Upon discovery of a custody designation error wherein an inmate should have been designated as Close Custody but was not, or was erroneously reduced from Close Custody, a classification committee shall grant credit for time served at the lower custody toward fulfilling the required minimum time period for Close A Custody and/or Close B Custody. After granting credit for time served at the lower custody, if the inmate has not completely fulfilled the required minimum time period for Close A Custody and/or Close B Custody, the ICC shall evaluate the totality of the inmate's case factors to determine whether to impose the remaining Close Custody obligation or allow the inmate to remain at the lower custody designation. The factors used in the ICC's determination not to impose the remaining Close Custody obligation shall be clearly documented in the classification action. If a subsequent ICC has a difference of opinion regarding the initial waiver of Close Custody under this provision, the case shall be presented to DRB.

(12) On a case-by-case basis, an ICC may waive the Close Custody designation for an inmate who otherwise meets the criteria per section 3377.2(b) if, after an evaluation of the individual's case factors, it is determined the inmate has a permanent and severe physical limitation which diminishes the need for direct and constant supervision.

(A) If the inmate's condition improves and/or the inmate subsequently demonstrates a need for direct and constant supervision, ICC shall grant credit for time served at the lower custody toward fulfilling the required minimum time period for Close A Custody and/or Close B Custody. After granting credit for time served at the lower custody, if the inmate has not completely fulfilled the required minimum time period for Close A Custody and/or Close B Custody, the ICC shall impose the appropriate Close Custody designation and the inmate shall fulfill the remaining time at Close Custody as established in section 3377.2(b).

(B) If a subsequent ICC has a difference of opinion regarding the initial waiver of Close Custody under this provision, the case shall be presented to DRB.

(b) Close Custody Case Factor Criteria:

(1) Lengthy Sentence.

(A) Upon initial classification and custody designation for the current sentence, an inmate serving a sentence of Life Without the Possibility of Parole (LWOP), or serving multiple life terms, or who has 40 years or more remaining to serve as of the date of the initial classification, shall serve at least 3 years at Close A Custody. The inmate shall serve at least 7 years at Close B Custody thereafter.

(B) Upon initial classification and custody designation for the current sentence, an inmate serving a single life term, or who has at least 25 years but less than 40 years remaining to serve as of the date of the initial classification, shall serve at least 1 year at Close A Custody. The inmate shall serve at least 4 years at Close B Custody thereafter.

(C) When a court action, subsequent to an inmate's initial classification and custody designation for the original sentence, increases the inmate's remaining time to serve, and the inmate's time to serve previously did not warrant Close Custody or now requires a longer minimum time period to be served at Close Custody, a classification committee shall grant credit for time served at the lower custody toward fulfilling the required minimum time period for Close A Custody and/or Close B Custody. After granting credit for time served at the lower custody, if the inmate has not completely fulfilled the required minimum time period for Close A Custody and/or Close B Custody, an ICC shall evaluate the totality of the inmate's case factors to determine whether to impose the remaining Close Custody obligation or allow the inmate to remain at the lower custody designation. The inmate's remaining time to serve shall be computed from the date of the classification committee hearing that initially considers the court action. If a subsequent ICC has a difference of opinion regarding the imposition or waiver of Close Custody under this provision, the case shall be presented to DRB.

(D) When a court action, subsequent to an inmate's initial classification and custody designation for the original sentence, decreases the inmate's remaining time to serve, and the time to serve previously warranted Close Custody but no longer does or now requires a shorter minimum time period to be served at Close Custody, a classification committee shall evaluate the inmate for custody reduction within 30 days. The inmate's remaining time to serve shall be computed from the date of the classification committee hearing that initially considers the court action.

(E) Close Custody designation and required minimum time periods for Close Custody shall not be affected by losses and restorations of credit as a result of the Rules Violation Report adjudication process, nor by changes in work group credit earning status.

(F) When a verified administrative error in the computation of the inmate's time to serve is discovered and corrected, which results in the inmate now warranting Close Custody or requiring a longer minimum time period to be served at Close Custody, a classification committee shall grant credit for time served at the lower custody toward fulfilling the required minimum time period for Close A Custody and/or Close B Custody. After granting credit for time served at the lower custody, if the inmate has not completely fulfilled the required minimum time period for Close A Custody and/or Close B Custody, an ICC shall evaluate the totality of the inmate's case factors to determine whether to impose the remaining Close Custody obligation or allow the inmate to remain at the lower custody designation. The inmate's remaining time to serve shall be computed from the date of the classification committee hearing that initially considers the corrected release date. If a subsequent ICC

has a difference of opinion regarding the imposition or waiver of Close Custody under this provision, the case shall be presented to DRB.

(2) Escape History. For Close Custody purposes only, an inmate who leaves a non-secure facility without permission and without force and who fails to return is not considered to have escaped.

(A) An inmate convicted of, or whose commitment offense includes, or who is found guilty of a disciplinary report by any law enforcement agency for, Escape With Force or Attempted Escape With Force from any correctional setting or armed escort shall serve at least 8 years at Close A Custody upon the date of return to CDCR, or upon the initial custody classification, or upon the date of release from segregated housing, whichever occurs later. The inmate shall serve at least 5 years at Close B Custody thereafter.

(B) An inmate convicted of, or whose commitment offense includes, or who is found guilty of a disciplinary report by any law enforcement agency for, Escape Without Force or Attempted Escape Without Force from a correctional setting other than a non-secure facility as defined in section 3000, or from an armed escort shall serve at least 5 years at Close A Custody upon the date of return to CDCR, or upon the initial custody classification, or upon the date of release from segregated housing, whichever occurs later. The inmate shall serve at least 5 years at Close B Custody thereafter.

(C) An inmate convicted, or found guilty of a disciplinary report by any law enforcement agency, for plotting or planning to escape from a correctional setting other than a non-secure facility as defined in section 3000 or from an armed escort shall serve at least 2 years at Close A Custody from the date of the conviction or administrative finding of guilt, or upon the initial custody classification, or upon the date of release from segregated housing, whichever occurs later. The inmate shall serve at least 5 years at Close B Custody thereafter.

(3) Detainers. An inmate with an active law enforcement detainer for an offense with a possible penalty of death, lifetime incarceration, or a total term of 50 years or more shall serve at least 3 years at Close A Custody upon placement of the detainer. Thereafter, the inmate shall be assigned no less restrictive custody than Close B Custody until the detainer is removed.

(4) Disciplinary History.

(A) An inmate convicted of, or whose commitment offense includes, or who is found guilty of a disciplinary report by any law enforcement agency for, an in-custody Murder of A Non-Inmate shall be designated Close A Custody. Custody shall not be reduced from Close A Custody.

(B) An inmate convicted of, or whose commitment offense includes, or who is found guilty of a disciplinary report by any law enforcement agency for, an in-custody Murder of an Inmate within the last 10 years shall serve at least 6 years at Close A Custody. The inmate shall serve at least 4 years at Close B Custody thereafter.

(C) An inmate found guilty of a Division A-1 or Division A-2 serious RVR, as set forth in CCR Section 3323, shall serve at least 1 year at Close A Custody. The inmate shall serve at least 2 years at Close B Custody thereafter.

(5) Inactive Prison Gang Member or Associate. An inmate being reduced from Maximum Custody due to reclassification as an inactive prison gang member or associate shall serve at least 1 year at Close B Custody.

(6) Security Concern. When the ICC determines the inmate is a Security Concern as defined in section 3000, the ICC shall assign a Close B Custody designation. The ICC shall review the case and evaluate the need to continue the Security Concern designation no less than annually. Upon designation as a Security Concern, ICC shall refer the case to a Classification Staff Representative for

application of the SEC administrative determinant. If an inmate has been designated as a Security Concern for two years and upon ICC review the committee determines continued Close B Custody is necessary, the case shall be referred to DRB for approval.

(c) An inmate received into CDCR on or before June 30, 2012, shall be subject to the Close Custody criteria established July 1, 2012 in section 3377.2 as follows in this subsection. In addition, any new case information received on or after July 1, 2012, or RVR adjudicated on or after July 1, 2012, shall be subject to the Close Custody criteria established July 1, 2012 in section 3377.2.

(1) An inmate who is unclassified on July 1, 2012, shall be subject to the Close Custody criteria established July 1, 2012 in section 3377.2.

(2) An inmate who is Minimum Custody or Medium Custody on July 1, 2012, shall not be increased to Close Custody solely due to the implementation of the Close Custody regulations established July 1, 2012 in section 3377.2.

(3) An inmate who is Close B Custody on July 1, 2012, shall be granted credit for time served at that custody toward fulfilling the required minimum time period for Close B Custody, as established in the Close Custody criteria established July 1, 2012 in section 3377.2(b). If the Close B Custody criteria established July 1, 2012 in section 3377.2(b) require the inmate to serve a greater time period of Close B Custody, the inmate shall serve the time period required pursuant to the Close B Custody criteria established July 1, 2012. An inmate designated as Close B Custody shall not be increased to Close A Custody solely due to the implementation of the Close Custody regulations established July 1, 2012.

(4) An inmate who is Close A Custody on July 1, 2012, shall be granted credit for time served at that custody toward fulfilling the required minimum time period for Close A Custody, as established in the Close Custody criteria established July 1, 2012 in section 3377.2(b). If the Close A Custody criteria established July 1, 2012 in section 3377.2(b) require the inmate to serve a greater time period of Close A Custody, the inmate shall serve the time period required pursuant to the Close A Custody criteria established July 1, 2012.

(5) An inmate who is Maximum Custody on July 1, 2012, for a reason that does not require Close Custody, shall be subject to section 3377.2(c)(1) through section 3377.2(c)(4) during the first classification committee review reducing the inmate from Maximum Custody. The inmate's custody designation prior to the Maximum Custody designation shall be considered with the applicable section [3377.2(c)(1) through 3377.2(c)(4)].

An inmate who is Maximum Custody on July 1, 2012, for a reason that requires Close Custody, shall be subject to the Close Custody criteria established July 1, 2012 in section 3377.2 during the first classification committee review reducing the inmate from Maximum Custody.

3378. Documentation of Critical Case Information.

(a) Any information regarding an inmate/parolee which is or may be critical to the safety of persons inside or outside an institution shall be documented as required below on a CDC Form 812 (Rev. 8/01), Notice of Critical Case Information -Safety of Persons (Nonconfidential Enemies); a CDC Form 812-A (9/92), Notice of Critical Information -Prison Gangs Identification; CDC Form 812-B (9/92), Notice of Critical Information -Disruptive Group Identification; and CDC Form 812-C (Rev. 8/01), Notice of Critical Information -Confidential Enemies. The CDC Forms 812, 812-A, 812-B, and 812-C and all documents referred to on the forms shall be filed in the central file of each identified inmate/parolee. Any confidential material affecting the critical case factors of an inmate/parolee shall conform to the provisions of section 3321. Entries on these forms shall not be a substitute for detailed documentation required elsewhere in the central file.

(b) A CDC Form 812, and when applicable a CDC Form 812-C, shall be completed for each newly committed or returned inmate/parolee.

(1) The CDC Forms 812 and 812-C shall be updated as any critical information becomes known and is documented in the inmate/parolee's central file. The forms shall also be reviewed and updated at the time of any change in the inmate/parolee's status or placement.

(2) Any inmate/parolee who claims enemies shall provide sufficient information to positively identify the claimed enemy. Any inmate/parolee identified as an enemy shall be interviewed unless such interview would jeopardize an investigation or endanger any person. The results of the interview or investigation which supports, verifies or disproves the information shall be documented on a CDC Form 128-B, General Chrono.

(3) Notations on the CDC Forms 812 and 812-C, or absence thereof, shall not be the sole basis for a staff decision or action which may affect the safety of any person.

(c) Gang involvement allegations shall be investigated by a gang coordinator/investigator or their designee.

(1) CDC Form 812-A or B shall be completed if an inmate/parolee has been verified as a currently active member/associate, inactive member/associate or dropout of a gang (prison gang or disruptive group) as defined in section 3000. Current activity is defined as any documented gang activity within the past six (6) years consistent with section 3341.5(c)(5).

(2) Information entered onto the CDC Form 812-A or B shall be reviewed and verified by a gang investigator to ensure that the identification of an inmate/parolee as a currently active gang member or associate is supported by at least three independent source items in the inmate/parolee's central file. The independent source items must contain factual information or, if from a confidential source, meet the test of reliability established in section 3321. The

verification of an inmate/parolee identified as a gang dropout shall require a formal debriefing conducted or supervised by a gang investigator.

(3) A member is an inmate/parolee or any person who has been accepted into membership by a gang. This identification requires at least three (3) independent source items of documentation indicative of actual membership. Validation of an inmate/parolee or any person as a member of a prison gang shall require at least one (1) source item be a direct link to a current or former validated member or associate of the gang, or to an inmate/parolee or any person who is validated by the department within six (6) months of the established or estimated date of activity identified in the evidence considered.

(4) An associate is an inmate/parolee or any person who is involved periodically or regularly with members or associates of a gang. This identification requires at least three (3) independent source items of documentation indicative of association with validated gang members or associates. Validation of an inmate/parolee or any person as an associate of a prison gang shall require at least one (1) source item be a direct link to a current or former validated member or associate of the gang, or to an inmate/parolee or any person who is validated by the department within six (6) months of the established or estimated date of activity identified in the evidence considered.

(5) A dropout is an inmate/parolee who was either a gang member or associate and has discontinued gang affiliation. This identification requires the inmate/parolee to successfully complete the debriefing process.

(6) The verification of an inmate/parolee's gang identification shall be validated or rejected by the chief, office of correctional safety (OCS), or a designee.

(A) Prior to submission of a validation package to the OCS, or during the inactive status review process, the subject of the investigation shall be interviewed by the Institution Gang Investigator, or designee, and given an opportunity to be heard in regard to the source items used in the validation or inactive status review.

(B) Inmates shall be given written notice at least 24 hours in advance of the interview. The interview may be held earlier if the inmate waives, in writing, the 24-hour preparation period.

(C) All source items referenced in the validation or inactive status review shall be disclosed to the inmate/parolee at the time of notification. The inmate/parolee shall be given copies of all non-confidential documents unless otherwise requested in writing by the inmate/parolee. Confidential information used in the validation or inactive status review shall be disclosed to the inmate/parolee via a CDC Form 1030 (Rev. 12/86), Confidential Information Disclosure Form.

(D) The interview shall be documented and include a record of the inmate's/parolee's opinion on each of the source items used in the validation. Staff shall record this information and provide a written record to the inmate/parolee within fourteen (14) calendar days and prior to submission of the validation package to OCS.

(E) The documented interview shall be submitted with the validation package to the OCS for consideration to approve or reject the validation. The documented interview shall be submitted with the inactive status review to the OCS for consideration of the inmate's/parolee's continued current active or inactive status.

(F) The inmate's mental health status and/or need for staff assistance shall be evaluated prior to interview. Staff assistance shall be assigned per guidelines set forth in section 3318.

(G) The validation and/or rejection of evidence relied upon shall be documented on a CDC Form 128-B2 (Rev. 5/95), Gang Validation/Rejection Review, and forwarded to the facility or parole region of origin for placement in the inmate/parolee's central file.

Upon receipt of the CDC Form 128-B2, the Classification and Parole Representative or Parole Administrator I, or their designee, shall clearly note in some permanent manner upon the face of every document whether or not the item met validation requirements.

(7) The CDC Forms 812-A and 812-B shall be reviewed by a classification committee at each annual hearing and upon any review for transfer consideration. This shall be documented on a CDC Form 128-G (Rev. 10/89), Classification Chrono. Questionable gang identifications, notations, or new information shall be referred to a gang investigator for investigation.

(8) The determination of a gang identification shall reference each independent source item in the inmate/parolee's central file. The sources shall be based on the following criteria:

(A) Self admission. Staff shall document information about the inmate/parolee's self-admission and specific involvement with the gang. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(B) Tattoos and symbols. Body markings, hand signs, distinctive clothing, graffiti, etc., which have been identified by gang investigators as being used by and distinctive to specific gangs. Staff shall describe the tattoo or symbol and articulate why it is believed that the tattoo or symbol is used by and distinctive of gang association or membership. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(C) Written material. Any material or documents evidencing gang activity such as the membership or enemy lists, constitutions, organizational structures, codes, training material, etc., of specific gangs. Staff shall articulate why, based on either the explicit or coded content, the written material is reliable evidence of association or membership with the gang. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(D) Photographs. Individual or group photographs with gang connotations such as those which include insignia, symbols, or validated gang affiliates. The date of a photograph shall be reasonably ascertained prior to any photo being relied upon for inclusion as a source item. No photograph shall be considered for validation purposes that is estimated to be older than six (6) years. Any photograph being utilized as a source item that depicts gang members and/or associates shall require that at least one of the individuals be previously validated by the department, or validated as a member or associate of the gang by the department within six (6) months of the photograph's established or estimated date or origin. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(E) Staff information. Documentation of staff's visual or audible observations which reasonably indicate gang activity. Staff shall articulate the basis for determining the content or conduct at issue is gang related. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(F) Other agencies. Information evidencing gang affiliation provided by other agencies. Verbal information from another agency shall be documented by the staff person who receives such information, citing the source and validity of the information. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(G) Association. Information related to the inmate/parolee's association with validated gang affiliates. Information including

addresses, names, identities and reasons why such information is indicative of association with a prison gang or disruptive group. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(H) Informants. Documentation of information evidencing gang affiliation from an informant shall indicate the date of the information, whether the information is confidential or nonconfidential, and an evaluation of the informant's reliability. Confidential material shall also meet the requirements established in section 3321. Staff shall articulate how the information specifically relates to the inmate's involvement with the gang as a member or associate. The information may be used as a source of validation if the informant provides specific knowledge of how he/she knew the inmate to be involved with the gang as a member or associate. Multiple confidential sources providing information regarding a single gang related incident or behavior shall constitute one (1) source item. Exclusive reliance on hearsay information provided by informants will not be used for validation purposes. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(I) Offenses. Where the circumstances of an offense evidence gang affiliation such as where the offense is between rival gangs, the victim is a verified gang affiliate, or the inmate/parolee's crime partner is a verified gang affiliate. Staff shall articulate why an offense is gang related. Multiple sources of information relative to a single incident or offense will be considered one (1) source of validation. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(J) Legal documents. Probation officer's report or court transcripts evidencing gang activity. Staff shall assure the document containing this information is disclosed to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(K) Visitors. Visits from persons who are documented as gang "runners", or community affiliates, or members of an organization which associates with a gang. Staff shall articulate the basis for determining that the relationship between the visitor and inmate is gang related in nature or that the visitor and inmate engaged in a gang related discussion or gang conduct. Staff shall articulate the basis for identifying the visitor as associated with the gang. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(L) Communications. Documentation of telephone conversations, conversations between inmates, mail, notes, greeting cards, or other communication, including coded messages evidencing gang activity. Staff shall articulate why, based on either the explicit or coded content, the communication is reliable evidence of association or membership with the gang. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(M) Debriefing reports. Documentation resulting from the debriefing required by (c)(2), above. Only information referencing specific gang related acts or conduct shall be considered as a source item. Multiple sources of information relative to a single gang related offense or activity shall be considered a single source of validation. Staff shall document and disclose this information to the inmate/parolee in a written form that would not jeopardize the safety of any person or the security of the institution.

(d) An inmate housed in the general populations as a gang member or associate may be considered for review for inactive status when the inmate has not been identified as having been involved in gang activity for a minimum of two (2) years. Verification of an inmate's inactive status shall be approved or rejected by the OCS, chief or a designee. The approval or rejection shall be forwarded for placement in the inmate's central file. The Institution Classification Committee shall review and consider this determination at the next hearing and upon review for transfer consideration.

(e) An inmate housed in a security housing unit (SHU) as a gang member or associate may be considered for review of inactive status by the Department Review Board when the inmate has not been identified as having been involved in gang activity for a minimum of six (6) years. Verification of an inmate's inactive status shall be approved or rejected by the chief, OCS, or a designee. The approval or rejection shall be forwarded for placement in the inmate's central file.

(f) A gang member or associate, who is categorized as inactive or validated as a dropout of a prison gang and released from a SHU, may be removed from the general population or any other placement based upon one reliable source item identifying the inmate as an active gang member or associate of the prison gang with which the inmate was previously validated. The source item must identify the inmate as a gang member or associate based on information developed after his or her release from SHU. The source item need not be confidential, but must meet the test of reliability established at section 3321.

(g) The procedures relating to the initial validation or rejection of gang members or associates as described in this section shall be followed when reviewing the present status of an inactive gang member or associate. Verification of an inmate's/parolee's active status shall be approved or rejected by the chief, OCS, or a designee. This determination shall be forwarded for placement in the inmate's/parolee's central file.

(h) A classification committee is authorized to return an inmate to a SHU based upon the restoration of the inmate's gang status and a determination that the inmate's present placement endangers institutional security or presents a threat to the safety of others. As provided at section 3341.5, placement in a SHU requires approval by a classification staff representative.

3378.1. Debriefing Process.

(a) Debriefing is the process by which a gang coordinator/investigator determines whether an inmate/parolee (subject) has dropped out of a gang. A subject shall be debriefed only upon his or her request, although staff may ask a subject if he or she wants to debrief. Debriefing shall entail a two-step process that includes an interview phase and an observation phase.

(b) The purpose of the debriefing interview is to provide staff with information about the gang's structure, activities and affiliates. A debriefing is not for the purpose of acquiring incriminating evidence against the subject. The object of a debriefing is to learn enough about the subject and the subject's current gang to: (1) allow staff to reasonably conclude that the subject has dropped out of the gang, and (2) allow staff to reclassify the subject based upon the inmate's needs in conjunction with the security of the institution, as well as, the safety and security of staff and other inmates. A requirement of the interview phase is that the inmate provides staff a written autobiography of their gang involvement, which is then verified by staff for completeness and accuracy.

(c) Inmates undergoing the debriefing process shall be subject to a period of observation in a housing setting with other inmates who are also undergoing the debriefing process. The period of observation shall be no greater than 12 months.

(d) Upon completion of the debriefing process, the inmate shall be housed in a facility commensurate with the inmate's safety needs. In the absence of safety needs, the inmate shall be housed in a facility consistent with his or her classification score.

HISTORY:

1. New section filed 8-30-99 as an emergency; operative 8-30-99 (Register 99, No. 36). Pursuant to Penal Code section 5058(e), a Certificate of Compliance must be transmitted to OAL by 2-8-

2000 or emergency language will be repealed by operation of law on the following day.

2. Certificate of Compliance as to 8-30-99 order transmitted to OAL 2-7-2000 and filed 3-21-2000 (Register 2000, No. 12).
3. Amendment of subsections (b) and (c) filed 12-29-2009; operative 1-28-2010 (Register 2010, No. 1).

3378.2. Advisement of Rights During Debriefing.

A waiver of the right against self-incrimination is not a pre-condition of an inmate/parolee (subject) undergoing a debriefing since the information is provided for administrative purposes. A subject shall not be required to complete the debriefing process and the subject is free to terminate the debriefing at any time. If, during a debriefing, a subject makes a statement that tends to incriminate the subject in a crime, the gang coordinator/investigator may stop any discussion about the matter and continue on with another topic. Prior to questioning the subject about the incriminating matter, the subject must waive the right against self-incrimination. The decision by the subject to exercise the right against self-incrimination shall not affect the determination of whether the subject successfully participated in the debriefing.

1. New section filed 8-30-99 as an emergency; operative 8-30-99 (Register 99, No. 36). Pursuant to Penal Code section 5058(e), a Certificate of Compliance must be transmitted to OAL by 2-8-2000 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 8-30-99 order transmitted to OAL 2-7-2000 and filed 3-21-2000 (Register 2000, No. 12).

3378.3. Transitional Housing Unit.

The Transitional Housing Unit (THU) shall provide a program of observation to evaluate that an inmate has successfully disassociated from prison gang activity and is capable of programming in a general population (GP) setting. Inmates must have completed the debriefing process from a validated prison gang, as described in section 3378.1, in order to be placed into the THU. Placement into the THU can be from either a Security Housing Unit or from GP. THU inmates shall be housed separately from other GP inmates due to potential safety concerns.

(a) The debriefing process is designed to review, monitor and evaluate each individual and ensure that the inmate participating in the debriefing process is not a threat to staff or other inmates, and has sincerely renounced all prison gang activities. A period of observation and adjustment will follow the debriefing process to ensure that an inmate will be able to program in a GP setting with inmates of all races and ethnic groups, as well as other disassociated prison gang members/associates. The minimum eligible criteria to be placed into the THU shall consist of:

(1) The formal debriefing process as set forth in section 3378.1 must be satisfactorily completed at the Institutional level through the Institution Gang Coordinator/Investigator.

(2) The inmate must be willing to commit to personal change, pursuant to CCR section 3378.1.

(b) The THU program shall be up to 6 months in duration consisting of components to include, but not be limited to, conflict resolution, anger control, substance abuse education, communication skills, individual counseling, educational skills, and group exercises. Inmates will be evaluated by the instructors throughout the program based on participation, behavior, and review of completed assignments.

(c) Upon arrival at the designated THU institution, THU inmates shall be housed in a THU orientation section for a period not to exceed 14 days. The inmate's placement in THU shall be reviewed by a classification committee for affirmation of the inmate's endorsement and consideration of appropriate housing. Inmates shall be advised of program/behavioral expectations, and the requirement that they must attend and actively participate in all assignments and activities.

(1) During the orientation period, inmate's program activities will be primarily limited to housing unit activities.

(2) Inmates shall be advised that participation in all assignments and activities is mandatory, and gang related activity or behavior will not be tolerated. Any disciplinary action deemed serious in nature, or one that is related to gang activity, shall result in referral to a classification committee for program review and possible removal from the THU program.

(d) Upon completion of the orientation period, participants shall be placed in the THU GP portion of the program for approximately 5 months and 2 weeks. Inmates will be assigned work group/privilege group A-1.

(1) Inmates shall be required to double cell in accordance with the Department's Integrated Housing Policy as set forth in section 3269.1.

(2) Inmates must participate in one or more of the offered self help activities, and any assigned work or educational programs.

(3) Inmates shall be allowed special purchases, canteen draw, and allowed to attend religious services when offered within the THU area.

(4) Inmates shall be eligible for work assignments as THU mentors to other THU inmates, THU housing unit porters, or THU clerks.

(e) Upon satisfactory completion of the THU program, inmates shall be referred to a classification committee for transfer consideration. Inmates failing to satisfactorily complete the THU program shall be referred to classification committee for determination of future program and housing needs.

3379. Inmate Transfers.

(a) Transfer requirements.

(1) Any inmate transfer from a facility other than a reception center shall require a classification committee action and endorsement by a classification staff representative (CSR). In the cases of civil addicts transferring to community correctional facilities and illegal aliens transferring for the purpose of deportation proceedings, the Classification and Parole Representative (C&PR) may endorse such cases following the classification committee action.

(2) An inmate for whom a recall of commitment report under provisions of Penal Code Section 1170(d) is required, shall not be transferred, unless for emergency medical treatment, until the report is completed. Reception center process cases shall be excluded from this provision.

(3) Except in emergencies or for special housing, inmates shall not be transferred within 90 days of their release date, or within 90 days of a Board of Prison Terms (BPT) appearance. If a case requires transfer within the 90-day period, the appropriate BPT report shall be completed by the sending institution prior to the transfer.

(4) A warden or superintendent may temporarily suspend a scheduled inmate transfer. Such suspension shall constitute a classification action and be recorded on a chrono as provided by section

3375(a)(2) of these regulations, including the reason for the action and a recommendation for an alternative program assignment.

(5) If an inmate has not transferred within 30 days of CSR endorsement, the sending institution shall report that fact to the Chief, Classification Services who shall either direct the institution to proceed with the transfer or present the case to the next CSR for alternative action.

(6) Transfer to another state. Transfer of a California prison inmate to an out-of-state prison facility shall not occur prior to the inmate signing a CDC Form 294, Interstate Compact Placement Agreement, witnessed by the institution head or delegate.

(7) Transfer to a federal prison. Transfer of a California prison inmate to a federal prison facility shall not occur until:

(A) The inmate has been informed of the right to private consultation with an attorney their choice concerning rights and obligations pursuant to Penal Code section 2911.

(B) The warden or superintendent or delegate has witnessed the inmate's signing of a Federal Prison System Placement Agreement consent form and an acknowledgement of having been informed regarding rights and obligations.

(8) An inmate may, prior to scheduled transfer, revoke their consent to transfer to out-of-state or federal prison.

(9) California Out-of-State Correctional Facility (COCF) Transfers. Every male inmate is potentially eligible for a COCF transfer. Every male inmate shall be reviewed for transfer eligibility to the COCF program during Reception Center processing, at initial classification committees, and at any classification committee when any temporary ineligibility for COCF transfer has been resolved. COCF transfers may occur voluntarily or involuntarily.

(A) Eligibility. A CDCR male inmate is eligible to be transferred to COCF if the inmate:

1. Has remaining time to serve of no less than 6 months and no more than 30 years at the time of CSR endorsement.

2. Is Security level I-III.

3. Has a degree of custody established at or potentially eligible for Medium A, Medium B or Close B Custody.

(B) Ineligibility. A CDCR inmate is ineligible to be transferred if:

1. The inmate has a custody designation level established at or is potentially eligible for Minimum A, Minimum B, or Close A.

2. In CDCR's discretion, considerations such as disciplinary history, security concerns, or other case factors make the transfer of an inmate inappropriate.

(C) Any California inmate who volunteers or is notified that he is eligible for involuntarily transfer to COCF shall be informed of the opportunity to seek legal consultation with an attorney:

1. Prior to the completion of the Institutional Staff Recommendation Summary (ISRS) for Reception Center inmates.

2. Prior to a classification committee for non-Reception Center inmates.

3. Inmates shall have the ability to waive the attorney consultation.

(D) The notification of eligibility, and the notification of opportunity for attorney consultation and interpreter needs, shall be documented on the CDC Form 128-B (Rev 4/74), General Chrono.

(E) The information regarding the attorney consultation or waiver of such consultation by the inmate shall be documented:

1. At the Reception Centers, on the ISRS.

2. For all non-Reception Center inmates, on the CDC Form 128-G (Rev. 10/89), Classification Chrono.

(F) Voluntary Transfer. An inmate who is eligible for transfer to COCF and volunteers for such a transfer shall sign a CDCR Form 2169 (Rev. 8/08), Out Of State Placement Agreement, which is

hereby incorporated by reference. Notwithstanding subdivision (a) (6), COCF inmates are not required to sign a CDC Form 294 (Rev. 7/88). Upon notification of potential involuntary transfer, inmates shall no longer be eligible for voluntary transfer.

1. An inmate who volunteers for transfer to COCF may waive his opportunity to consult with an attorney by signing a CDCR Form 2168 (Rev. 08/08), Attorney Waiver Statement, which is hereby incorporated by reference.

2. Inmates with serious medical or dental conditions as determined by designated Health Care staff, or inmates having any other applicable serious medical condition which appropriately designates them under the supervision of the medical Receiver may volunteer for a COCF transfer upon executing written consent. Those inmates who are presently within the Mental Health Services Delivery System at any level of care may not volunteer for a COCF transfer even upon executing written consent, until and unless their transfer is permitted by court order. An inmate for whom appropriate care out of state is available and for whom such transfer will not have a detrimental impact on the healthcare needs of the inmate, and who has executed written consent to transfer to COCF, will be considered for transfer on a case-by-case basis by designated Health Care staff.

(G) Involuntary Transfer. An inmate is not eligible for involuntary transfer if:

1. The inmate has a serious medical or dental condition as determined by designated Health Care Staff, or the inmate has a serious medical condition as determined by designated Health care Staff operating as applicable under the supervision of the medical Receiver.

2. The inmate has a serious mental disorder as defined by the class certification order (executed October 23, 1991) and Revised Program Guide (2009 Revision, Chapter 1, Section D.1., page 12-1-6) of *Coleman v. Schwarzenegger* and who is a present member of the Mental Health Services Delivery System at any level of care.

3. The inmate is a class member under the federal court decree in *Clark v. Schwarzenegger* at the level of DD1, DD2 or DD3.

4. The inmate is a class member under the federal court decree in *Armstrong v. Schwarzenegger* and has a medical condition related to a disability that renders extended travel unsafe and/or requires active medical intervention.

5. The inmate is a class member under the federal court decree in *Armstrong v. Schwarzenegger* and cannot perform daily living tasks including eating, dressing, and hygiene without personal assistance. Inmates in this group may be housed in Outpatient Housing Units or medical facilities. Inmates who merely require assistance such as another person to carry a tray at meals or read written documents are specifically not excluded from transfer.

6. The inmate is a class member under the federal court decree in *Armstrong v. Schwarzenegger* and is on dialysis.

(H) Involuntary transfer priorities include but are not limited to the following:

1. Inmates who have been previously deported by the federal government and are criminal aliens subject to immediate deportation; or have been convicted of an aggravated felony as defined by federal statute 8 USC section 1101(a)(43) and are subject to deportation. Inmates in these groups are eligible for involuntary transfer when they have an active hold placed by Immigration and Customs Enforcement (ICE) or they have been referred to ICE by CDCR for a determination of whether ICE will place an active hold on them.

2. Inmates who are paroling outside of California.

3. Inmates who are unassigned and had no visit with an immediate family member as defined in Section 3000 during the one year

period prior to the date that the eligibility list with the inmate's name is generated.

4. Inmates in any job assignment, as determined by CDCR, and had no visit with an immediate family member during the one year period prior to the date that the eligibility list with the inmate's name is generated.

5. Inmates who are unassigned. Visiting history will not affect a transfer decision.

6. Inmates in any job assignment, as determined by CDCR. Visiting history will not affect a transfer decision.

7. Any other inmate who is not in any of the groups above but is potentially eligible for a COCF transfer.

(I) Inmates transferred to a COCF program remain under the legal custody of the CDCR and shall be subject to the rules, rights and privileges of the CDCR in accordance with the California Code of Regulations (CCR), Division 3, Title 15.

(b) Placement in level. An inmate endorsed for any level placement and transferred to an institution with several levels shall be placed in the endorsed level facility within 60 days of arrival or shall be referred to the next scheduled CSR for alternative action. A warden or superintendent may temporarily place an inmate in a facility of an institution for which the inmate has not otherwise been endorsed. Such placement shall not exceed 30 days without CSR review and approval. Reasons for such placement may include protection or medical needs of the inmate, an incompleting investigation, disciplinary action, court proceedings, or a pending transfer.

(c) Disciplinary and security factors. Prior to transfer of an inmate, the sending institution shall resolve any matters related to incomplete disciplinary punishment or establishment of a determinate period to be served in a SHU at the receiving facility. Disciplinary detention shall be completed, suspended, or commuted to time served. If a transfer related to misbehavior does not require SHU placement but the inmate is transferred to an institution of higher level than indicated by the inmate's classification score, the endorsing CSR shall establish a date for follow-up review by the receiving institution.

(d) Medical and psychiatric transfer.

(1) The sending institution shall, prior to any medical or psychiatric transfer, determine whether the inmate has enemies or might be in danger at the receiving facility, and shall:

(A) Inform staff of the receiving facility by telephone prior to the transfer regarding any precautions needed to protect the inmate.

(B) Make an alternate institutional transfer arrangement which will not jeopardize the inmate.

(2) An inmate transferred to CMF for psychiatric treatment because of acute mental illness requiring inpatient psychiatric hospitalization or because of the recency of a major mental illness or when in partial remission of such illness, is entitled to a hearing regarding the necessity for transfer. Upon arrival at CMF, such inmate shall be served with a Notice of Transfer to California Medical Facility for Mental Health Treatment which shall explain the inmate's rights. The inmate may sign the notice waiving his right to a hearing or if opposed to the transfer, may request a hearing.

(3) The hearing shall be held within seven days from arrival at CMF. If the hearing cannot be held within seven days, the inmate shall be informed in writing of that fact, the reason for the delay, and of an estimated date he may expect the hearing. The hearing shall consist of a classification committee review of the case and shall include the following:

(A) Determination that the inmate has received written notice of the transfer to CMF stating that the inmate has a right to a hearing and that such hearings are normally held within seven days after arrival at CMF.

(B) The information relied upon in ordering the transfer to CMF shall be disclosed to the inmate. The inmate shall be heard in person and be permitted to present evidence, including witnesses, in his behalf.

(C) One member of the classification committee shall be a psychiatrist employed by the Department of Corrections. This person shall be an independent decision maker and shall not be the inmate's treating psychiatrist at either the sending or receiving institution.

(D) Following the hearing, the independent decision maker shall inform the inmate in writing of the committee's decision and the information relied upon in arriving at the decision.

(E) The inmate may appeal the decision. A ruling on such appeal shall be returned within 20 working days.

(4) Periodic clinical progress reports on a CDC Form 128-C shall be made at least quarterly. A summary CDC Form 128-C report, classification action and CSR endorsement are required when an inmate's program category is changed.

(a) Definitions. For the purposes of this section, the following terms are defined:

(1) Park means an outdoor public area used primarily for recreational purposes. A determination of whether an area is a park shall not be limited to a consideration of whether the area includes a play structure, athletic field or court, or any other particular characteristic, but shall be based on an overall evaluation of whether the area is used for recreational purposes.

(2) Regularly means occurring on a recurring basis.

(3) Gather means to congregate or come together with one another.

(4) Park where children regularly gather means a park, as described in section 3571(a)(1), where persons under the age of 18 congregate or come together with one another either with or without parental or guardian supervision.

(5) Public Area means an area that any governmental entity owns, operates, leases, rents, or otherwise legally controls as if owned by the governmental entity. "Governmental entity," for the purposes of this section, includes, but is not limited to: the United States, any state, any county, any city, any special district, or any subdivision thereof.

(b) A person released on parole who is required to register pursuant to PC Sections 290 through 290.023, inclusive, may not, during the period of parole, reside in any single family dwelling with any other person also required to register as a sex offender, unless those persons are legally related by blood, marriage, or adoption.

(1) A residential facility located within a single family dwelling which serves six or fewer persons shall be excluded from this restriction.

(c) A person released on parole on or after November 8, 2006, who is required to register pursuant to PC sections 290 through 290.023, inclusive, shall not reside within 2,000 feet of any public or private school, kindergarten through 12th grade, or park where children regularly gather.

(e) Residence Verification and Approval. The Division of Adult Parole Operations (DAPO) shall monitor compliance with the residence restrictions contained in this section.

(1) Parolees subject to residence restrictions are responsible for finding compliant housing.

(2) During the initial interview between the parolee and the parole agent upon release from custody, and before any change of residence while under parole supervision, the parolee shall provide

his or her parole agent with the address where he or she intends to reside upon verification and approval of the parole agent.

(3) The parole agent shall utilize available resources to identify any public or private schools, and parks where children regularly gather, located approximately within 2,000 feet of the parolee's proposed residence. Available resources that may be considered include, but are not limited to:

(4) If any public or private school, or park where children regularly gather, is identified approximately within 2,000 feet of the parolee's proposed residence, the parole agent shall use a Global Positioning System (GPS) handheld device to determine whether any boundary of the public or private school, or park where children regularly gather, is within 2,000 feet of the threshold of the primary entrance of the proposed residence "as the crow flies," as a direct point-to-point aerial transit path, not as a street or path route.

(5) Parolees shall be advised whether the proposed residence is compliant. If the residence is noncompliant based on the GPS verification, the actual distance and name of the prohibited public or private school, or park where children regularly gather, and method of measurement shall be disclosed to the parolee upon his or her request.

(f) DAPO shall report to the Board of Parole Hearings any parolee who is reasonably believed to have violated a residence restriction contained in this section.

Any restriction on this parolee's residence in addition to this subsection and subsection (b) above is allowed only if that residence restriction is supported by circumstances found in the parolee's criminal history.

(e) A high risk sex offender released on parole on or before November 7, 2006 who is required to register pursuant to PC sections 290 through 290.023, inclusive, and who has a current or prior conviction for a violation of PC section 288, inclusive of any subsection, or PC section 288.5, may not reside within one-half mile of any public or private school, kindergarten through grade 12, inclusive.

(f) A high risk sex offender released on parole on or before November 7, 2006 who is required to register pursuant to PC sections 290 through 290.023, inclusive, and who does not have a current or prior conviction for a violation of PC section 288, inclusive of any subsection, or PC section 288.5, shall not be subject to a residence restriction in addition to subsection (b) above unless that residence restriction is supported by circumstances found in the parolee's criminal history.

(1) Parolees subject to residence restrictions are responsible for finding compliant housing.

(2) During the initial interview between the parolee and the parole agent upon release from custody, and before any change of residence while under parole supervision, the parolee shall provide his or her parole agent with the address where he or she intends to reside upon verification and approval of the parole agent.

(3) In addition to the residence verification and approval process described in section 3571(e) to determine whether the parolee's proposed residence is located within 2,000 feet of a public or private school or park where children regularly gather, the parole agent shall utilize available resources to identify any public or private schools located approximately within one-half mile of the parolee's proposed residence. Available resources that may be considered include, but are not limited to:

(5) Parolees shall be advised whether the proposed residence is compliant. If the residence is noncompliant based on the GPS verification, the actual distance and name of the prohibited public or private school and method of measurement shall be disclosed to the parolee upon his or her request.

3590. Transient and Residence Determination.

(a) To establish a residence pursuant to Penal Code (PC) section 290.011, a parolee must regularly reside at a location or locations. The complete set of circumstances will be considered to determine whether a parolee has established a residence or whether the parolee is a transient sex offender as defined in section 3000. For the purposes of this section, a parolee who spends one day or one night in a shelter or structure that can be located by a street address, including but not limited to houses, apartment buildings, motels, hotels, homeless shelters, and recreational and other vehicles, may be determined to have established a residence if other circumstances are present. These circumstances include, but are not limited to:

(1) The parolee resides one day or night at the same address every week, for multiple consecutive weeks, thus establishing a pattern of residency.

(2) The parolee resides two or more consecutive days or nights at the same address, or two or more days or nights at the same address in a period that would appear to establish a pattern of residency.

(3) The parolee is in possession of a key to an address where he or she is located and there is evidence of a pattern of residency.

(4) Upon contacting the parolee at an address where he or she is located or has been residing, evidence exists that he or she has established residency. Evidence would include, but is not limited to, clothing in a closet or drawer, toiletries in a bathroom, or information from occupants and/or neighbors. Such evidence may establish a pattern of residency.

(b) When determining whether a residence has been established, the parole agent shall utilize all available resources and information. If the review of the complete set of circumstances indicates residency has been established, and a reasonable and prudent parole agent reviewing the same information would draw the same conclusion, then a residence has been established. After a transient sex offender establishes a residence, he or she is no longer recognized as transient, and:

(1) Continues to have a lifetime obligation to register as a sex offender, but is subject to the registration requirements as provided under PC section 290.010.

(2) May be subject to one or more residency restrictions as described in sections 3571 and 3582.

Parole Violation Decision-Making Instrument.**

(a) The purpose of the Parole Violation Decision-Making Instrument (PVDMI) is to enable parole staff to uniformly determine, recommend, and impose proportionate and consistent sanctions for parole violators. These sanctions will be based on the risk level of the offender and the severity of the violation. The risk level of the offender is determined by the California Static Risk Assessment, as described in section 3768.1. The severity of the violation is based on the department's analysis of all technical and criminal violations. Severity rankings were developed in conjunction with, the California Department of Justice, the Board of Parole Hearings, and the department.

(b) The PVDMI shall be used to assess all violations of parole except as noted in section 3768.2.

(c) For the purposes of this section, "severity rankings" are determined by rating all known parole violation codes, as provided in the Violation Code Descriptions (new 12/09), which is incorporated by reference, in a numerical value from 1 to 4.

HISTORY:

1. Amendment of article heading and new section filed 1-7-2010 as an emergency; operative 1-25-2010 pursuant to Penal Code section 5058.3(a) and Government Code section 11346.1(d) (Register 2010, No. 2). 3768.1. California Static Risk Assessment.

(a) The California Static Risk Assessment (CSRA) (new 12/09), which is incorporated by reference, is a validated risk assessment tool that utilizes a set of risk factors which are most predictive of recidivism. The tool produces a risk number value that will predict the likelihood that an offender will incur a felony arrest within a three-year period after release to parole.

Risk factors utilized include, but are not limited to, age, gender, criminal misdemeanor and felony convictions, and sentence/supervision violations.

(b) CSRA risk number values fall in one of following five categories:

- (1) Low Risk, with a risk number value of "1".
- (2) Moderate Risk, with a risk number value of "2".
- (3) High Risk Drug, with a risk number value of "3". High Risk Drug means that the offender has a greater risk of reoffending with a drug offense.

(4) High Risk Property, with a risk number value of "4". High Risk Property means that the offender has a greater risk of reoffending with a property offense.

(5) High Risk Violence, with a risk number value of "5". High Risk Violence means that the offender has a greater risk of reoffending with a violent offense.

(c) For the purposes of this section, the CSRA is defined as an actuarial tool that computes the likelihood to re-offend (incur a felony arrest within a three-year period after release to parole), and uses static indicators that do not change. These indicators include gender, age and offense history of the offender.

(d) The responsible parole agent will complete the following sections of the automated CDCR Form 1500, PVDMI:

(1) Section A, Offender Information. Section A requires manual entry for those portions that do not auto-populate upon entry of the offender's prison number.

(2) Section B, California Static Risk Level. Section B shall auto-populate. When a California Static Risk Assessment (CSRA) risk number value, as described in section 3768.1, is unavailable, the parole agent is responsible for requesting a CSRA risk number value upon discovery of the violation.

(3) Section C, Violations. Section C requires manual entry for those portions that do not auto-populate.

(4) Section D, Circumstances of Charges. Section D requires manual entry clearly articulating the facts and circumstances for each charged violation.

The Most Intensive A Response Level could include a referral to an In-Custody Drug Treatment Program or placement into Mental Health Services.

(D) Most Intensive B. Most Intensive B responses are those responses to a violation that impose the highest range sanction and are based on the severity of the violation and the risk score of the offender who committed the violation. The Most Intensive B Response Level would result in a recommendation for revocation by the parole agent.

(E) Most Intensive C. Most Intensive C responses are those responses to a violation that impose the highest range sanction and are based on the severity of the violation and the risk score of the offender who committed the violation. The Most Intensive C Response Level would result in a recommendation for revocation by the PVDMI.

(7) Section G, Recommended Responses. Section G requires the parole agent to select a recommended response level as provided for in Section F, or the parole agent may select an alternative response level. An alternative response selection will require the completion of the "Parole Agent Override Section."

(2) The unit supervisor shall print and sign the completed CDCR Form 1500, PVDMI document, attach any supporting documents, and forward the completed PVDMI packet for processing.

(f) Upon receipt of the completed PVDMI packet, the Decentralized Revocation Unit parole administrator shall review the parole unit's response level on the CDCR Form 1500, PVDMI.
