## **News Release**

**Leroy D. Baca, Sheriff**

Saturday, June 21, 2014 the Los Angeles Sheriffs Department had their explorer class 92 graduation. One hundred and twenty three explorers graduated from the S.T.A.R.S academy class 92. The Norwalk explorer post was proud to congratulate their very own explorer for earning the title of honor recruit. Not only did the Norwalk explorer post receive a well rounded honor recruit, but they also gained a very intelligent explorer who earned the highest academic grade in the entire class. This explorer will be headed back to the academy to be a drill instructor for class 93, to share his motivation and intelligence. Twenty one long weeks of waking up early in the morning and working hard all day along side your partners paid off for the these two hard working and dedicated explorers.
