LASD Santa Clarita Valley Sheriff's Station Deputies Conduct Early Morning Probation / Parole Searches in Neenach / Unincorporated LA County. Two Arrests Made.

On Wednesday, January 22, 2014, deputies from the Santa Clarita Valley Sheriff's Station Crime Prevention Unit (CPU), along with deputies assigned to the Santa Clarita Valley Sheriff's Crime Impact Team (CIT) conducted a multiple location parole / probation compliance operation during the early morning hours. All of the locations were in the Neenach area of unincorporated Los Angeles County.

This operation is part of the Santa Clarita Valley Sheriff Station's ongoing proactive efforts to ensure that convicted criminals living in the Santa Clarita Valley including the unincorporated areas are in compliance with the terms and conditions of their probation after release from jail. During a check of a residence located in the 49600 block of 259th Street West, deputies contacted Ms. June Soper, a 55-year-old female currently on probation. During a subsequent compliance check of the residence, numerous items of contraband were recovered including narcotics paraphernalia and methamphetamine.

During a check of another residence located in the 50200 block of 255th Street West, deputies contacted Jorge Jacobs, a 26-year-old male. Mr. Jacobs was found to be in compliance with the terms of his probation; however he was arrested by deputies for an outstanding felony burglary warrant.

These types of operations and others just like it will continue throughout the year to ensure that convicted criminals remain in compliance. Criminals who choose to break the law and are caught will be arrested. It is the goal of all deputies working in the Santa Clarita Valley to send a loud and clear message to criminals, "Commit Crime? - Not in the Santa Clarita Valley!"
