Zone Update and Crime Prevention Information for Saugus, Zone 4

Snapshot: 06/04/12-06/10/12

Santa Clarita Valley Sheriff's Station

Crime Prevention Unit

This week Zone 4 had two residential burglaries. One was from the 22000 block of Mason Ct. and the other was from the 27000 block of Ron Ridge. Both locations are only 1.4 miles away from each other and occurred on the same day. The times of both burglaries were between 10:00 am – 9:00pm on Thursday, 06/07/12. There is a strong connection between the burglaries due to the time frame, day and locations being so close.   Just keep in mind that multiple residential burglaries occur during the day. Please make sure that your house is secure when you leave for the day. Try to note any suspicious people in the area that you do not recognize. Report any suspicious persons to the Santa Clarita Sheriff's Station by calling (661) 255-1121.

There was one theft from unlocked vehicle at the 27000 block of Santa Clarita Rd. with possible suspect information. Santa Clarita Station Detectives are actively working the case. This is a lower number than in recent weeks. Please remember to lock your car and move all items of value away from the windows, and out of view.

To report graffiti in the city please call (661) 25-CLEAN (252-5326) or visiting http://www.santa-clarita.com
