

Music in the Park, and other city events

The City of San Dimas facilitates community events throughout the year. Summer months are an especially good time to get out and enjoy the weather, family, and friends. On Wednesdays throughout the summer, join San Dimas Parks and Recreation for “Music in the Park,” a FREE outdoor concert series on Wednesday Evenings from 7:00-9:00pm at Civic Park. So far this summer, we have enjoyed the San Dimas Jazz Band Ensemble, the San Dimas High School Band, and the Covina Concert Band. The atmosphere was filled joy and excitement. Future events include
