

Can you help find this missing teen girl?

The Los Angeles County Sheriff's Department is seeking clues to the whereabouts of a 17 year old girl, last seen in Covina over one year ago.

Nathalie Jauregui, age 17, was last seen on February 13, 2013 at 7:45 a.m. when her mother, Ana Reyes, dropped her off at Northview High School in Covina. Ana Reyes believed Nathalie ran away from home because of an argument they had the night before. Reyes believed Nathalie was at a friend's home in Covina, or being assisted by friends to find food and housing. Sheriff's detectives have been unable to locate Nathalie using various resources, including the National Center for Missing and Exploited Children (NCMEC) database, and investigation by the Missing Children Investigation Agency (MCIA <http://www.kidfind.org/>). Detectives have followed up on several sightings of Nathalie, but have been unable to locate her. Nathalie has relatives in Mexico, though family members and law enforcement have been unable to locate her there.
