

San Dimas Station Sheriff's Mounted Posse will be patrolling the San Dimas Target center and adjacent business starting on Friday, November 23<sup>rd</sup>, 2012.

A mounted deputy can be seen for blocks, presenting a greater crime deterrent; every mounted deputy is 10 feet tall. Being on horseback enables a mounted deputy to see at greater distances, as well as over privacy fences and other tall barriers. Mounted deputies are also able to ride on horseback into areas where a patrol car cannot go.
