

THE UNIVERSITY OF LA VERNE

Founded in 1891, the University of La Verne has earned a reputation for academic excellence, value, convenience and results. La Verne is well known for serving students of all ages, using a student-centered approach and has more than 40 years of successful partnerships with businesses and governmental agencies throughout southern California. In addition to serving students at its main campus, regional campuses and online, **La Verne is an expert in delivering quality, adult, accelerated degree programs ON-SITE at business and government agencies worksites, making it more convenient for so many employees to return to school. Academic advising is also done ON-SITE each term.**

La Verne has been a corporate partner leader since 1968 and understands that providing quality, convenient, and affordable educational opportunities enables working adults the ability to return to school. The prestigious, private, non-profit University of La Verne is annually ranked "One of America's Best Colleges" (Tier1) by US News & World Report and Forbes Magazine. The University of La Verne is WASC accredited and also one of the few National Comprehensive Universities in the country.

Tuition Discount of \$100.00 off per UNIT is now available to all LASD sworn and professional staff and is good at all locations!

The University of La Verne recognizes the importance of providing affordable, quality educational opportunities. The large tuition discount represents approximately 25% off on a Bachelor's degree program and approximately 18% off of the Master's degree programs.
