** ELECTRONIC AND WEB-BASED COMMUNICATIONS**
(LASD Social Media Policy, Jan. 2013)
Los Angeles County Sheriff’s Department
Manual of Policy and Procedures

3-01/000.10 PROFESSIONAL CONDUCT
All Department members shall be held accountable for their utterances, writings, conduct, and visual representations, including electronic and web-based communications, when they conflict with Our Core Values, Our Mission, or Our Creed and personnel can reasonably be identified as Department members. Personnel who cause undue embarrassment or damage the reputation of and/or erode the public’s confidence in the Department shall be deemed to have violated this policy. Unit commanders shall ensure copies of Our Mission, Our Core Values, and Our Creed are clearly and prominently displayed and maintained in the public lobbies of all Sheriff’s Department facilities. Unit Commanders shall ensure copies of Our Mission, Our Core Values, and Our Creed are clearly and prominently displayed and maintained within a high-traffic work area in all Sheriff’s Department’s facilities (e.g., briefing room) for viewing by assigned personnel.

3-01/000.15 ELECTRONIC AND WEB-BASED COMMUNICATIONS
Electronic and web-based communications include any medium used to deliver information electronically or digitally. Examples of electronic and web-based communications include, but are not limited to, websites, “smart” phone technologies, text messaging, Nixle, electronic mail (email) and “social media” sites such as Facebook, Myspace, Pinterest, and Twitter; photo sharing websites such as Flickr; video sharing websites such as YouTube; and/or any other similar electronic or digital delivery system.
“Social media” includes any electronic medium where users may create, share, and view user-generated content, including uploading or downloading videos or still photographs, blogs, video blogs, podcasts, or instant messages, or online social networking content.

OUR MISSION:
Lead the fight to prevent crime and injustice. Enforce the law fairly and defend the rights of all, including the incarcerated. Partner with the people we serve to secure and promote safety in our communities.
OUR CORE VALUES:
As a leader in the Los Angeles County Sheriff's Department, I commit myself to honorably perform my duties with respect for the dignity of all people, integrity to do right and fight wrongs, wisdom to apply common sense and fairness in all I do and courage to stand against racism, sexism, anti-Semitism, homophobia and bigotry in all its forms.

OUR CREED:
My goals are simple, I will always be painfully honest, work as hard as I can, learn as much as I can and hopefully make a difference in people’s lives. (Deputy David W. March EOW April 29, 2002)

3-01/000.13 PROFESSIONAL CONDUCT - CORE VALUES
Members shall conduct themselves in a manner consistent with the Department's Core Values.
Members shall not ignore nor contradict the Department's Core Values.
Examples of conduct inconsistent with the Department's Core Values include, but are not limited to, the following:
1. Conduct or behavior resulting from a situational outburst of emotion including, but not limited to, the use of profanity and/or other inappropriate, inconsiderate, and/or insensitive language, phrases, or terms of speech;
2. Conduct or behavior that demonstrates a bias, prejudice, and/or intolerance, or demonstrates a trend or pattern of undesirable and/or unprofessional behavior; and/or,
3. Conduct or behavior so egregious that it constitutes a severe and immediate threat to the integrity of the Department and/or jeopardizes the health, safety, and/or welfare of the public including, but not limited to, criminal misconduct of members, and/or the misuse of Department assets, resources, or intellectual property.

3-01/100.46 USE OF PERSONAL COMMUNICATION DEVICES
Absent extenuating circumstances, members shall not use a personal cellular telephone or other similar personal communication/recording device for a Department-related business purpose (i.e., coordinating field units to a radio call, contacting a victim or witness) when an established, Department-authorized communication device/system is available and/or a Department-authorized regulation/protocol has been established (e.g., Department radio/communications systems, field supervisor’s cellular telephone, Station telephone, etc.).
NOTE: This prohibition shall apply to the use of the cellular telephone for both voice communications as well as data (text) communications.
Members shall not use a personal cellular telephone or any other similar personal communication or recording device to record, store, document, catalog, transmit, and/or forward any image, document, scene, or environment captured as a result of their employment and/or while performing official Department business that is not available or accessible to the general public. Official Department business shall include, but is not limited to, confidential, sensitive, or copyrighted information that is printed, audio recorded, photographed, or video recorded; information related to any past, present, or anticipated criminal, civil, or administrative investigation, including reports, declarations, evidence, photographs, videos, or audio recordings; and/or, photographs of suspects, arrestees, defendants, evidence, or crime scenes.
NOTE: A personal cellular telephone or any other similar personal communication or recording device used exclusively to record contacts with members of the public during legitimate Department business (e.g., traffic stops, etc.) are exempt from the provisions of this section.
Revised 03/29/13
