

# How Lighting Can Affect Features of the Face.

Special Victim's Bureau  
Los Angeles County Sheriff's Department  
Detective Tessari  
Sandie Enslow, Forensic Artist

**Fuller Looking Nose**

**Victim  
Description**

**Slimmer Looking Nose**

When comparing a composite drawing to suspect photos, **consider the light sources.** Different lighting can alter how someone looks. These photos show "a different nose" on the same person.
