News Release

The Los Angeles County Sheriff's Department (LASD) is aware of the Peruta v. San Diego case which addresses the San Diego County Sheriff's Department's concealed weapons permitting policy, and is in the process of conferring with counsel regarding the impact of the decision on the LASD. The LASD will accept applications from all individuals who meet the required criteria and who believe they have good cause for the issuance of a concealed weapons permit. However, the LASD will not make any final decisions with regard to good cause until either: (1) the Peruta decision is withdrawn by a decision to rehear the case in the Ninth Circuit Court of Appeals; (2) a stay is issued by the Ninth Circuit Court of Appeals or the United States Supreme Court; or (3) the decision becomes final.
