As of the end of July 2014, preliminary reported crime data shows that overall incidents of violent crimes have decreased 5.12% and property crimes have decreased by 9.91% in Sheriff's patrol areas countywide, compared to last year at this time. These numbers combine to show a 9.08% decrease in overall Part I crimes.

In comparison, the preliminary YTD crime data for July shows that overall incidents of violent crimes have decreased by 20.34% and property crimes have decreased by 9.11% in Sheriff's patrol areas countywide, compared to five years ago (2014/2009). These numbers combined to show an 11.37% decrease in overall Part 1 crimes.

As of the end of July 2014, preliminary reported crime data shows that criminal homicides decreased 8.82% in Sheriff's patrol areas compared to July of 2013 (89 YTD in 2014 while there were 99 YTD in 2013), and have decreased by 26.19% compared to five years ago (125 YTD in 2009).

2009 Population Source: LA County Internal Services Department (based on 2000 US Census and CA Department of Finance estimates). 2013 Population Source: LA County Internal Services Department (based on 2010 US Census and CA Department of Finance estimates). 2014 YTD Crime Rates based on 2013 population estimates.

Note: The LASD East Los Angeles Station has policed the unincorporated area of East Los Angeles and the city of Commerce for many years. Beginning July 1, 2010, East Los Angeles Station added the policing of the cities of Maywood and Cudahy. This should be considered when comparing 2013/2014 crime statistics to 2009.

You do not need to wait to see the monthly crime statistics summary. Continuously available expanded crime mapping for Los Angeles County Sheriff's Department patrol areas is available at www.crimemapping.com and www.lasd.org
