This PRELIMINARY INFORMATION is used by the LASD for strategic planning and as a tactical early warning system. This data is not final, as some of the most recent reports have not been written yet, nor reviewed by investigators and supervisors. Once it is finalized, the crime data is reported to the FBI/UCI and is available via the pertinent LASD patrol station, pending publication by the FBI/UCI. Once it is reported by the LASD to the FBI, the FBI/UCI crime data is considered the most accurate.
