This PRELIMINARY INFORMATION is used internally by the LASD for strategic planning and as a tactical early warning system. This data is not final, as some of the most recent reports have not been written yet, nor reviewed by investigators and supervisors. Once finalized, the crime data is reported to the FBI/UCR and is available via the pertinent LASD patrol station, pending publication by the FBI/UCR. Once reported by the LASD to the FBI, the FBI/UCR crime data is considered the most accurate.
