# Summer

Summertime means Life After High School for the Temple YAL teens. This year, six High School students were selected to head to Fresno State for 4 days of classes, seminars and meeting new friends. The youth attend classes such as: Creating a resume, Budgeting, and College applications. This event sponsored by CALPAL gives the teens the chance to experience college life and teaches them to be better prepared for life after graduation.

## Upcoming Events

- August 7<sup>th</sup>  
Raging Waters
- August 10<sup>th</sup>  
Basketball Clinic @Norwalk
- August 19<sup>th</sup>  
Knott's Berry Farm
- August 26<sup>th</sup>  
School Starts
- August 29<sup>th</sup>  
Hollywood Bowl

Deep Sea Fishing was another excursion that the Temple YAL took this month. A group of youth boarded a fishing boat and were able to try the luck out on the ocean. For many of the kids, this was their first time out on a boat in the ocean and catching a fish!

The Santa Clarita YAL presented a great opportunity for some of our Temple teens to attend a CERT Training course. Over the span of 2 days our teens learned how to respond in case of emergency and natural disasters. They learned basic first aid, how to triage and the best way to assist their communities in case of emergencies.

FamCamp is a huge part of the Temple YAL. This month Temple, along with East LA and West Hollywood YAL traveled up north to Calaveras for 5 days of camping. The group enjoyed, hiking, kayaking, team building, and swimming while making new friends from other YAL's.
