Walnut/Diamond Bar station detectives served a multi-location search warrant in the cities of Pasadena, Rancho Cucamonga, Ontario and Riverside. The investigation began when several expensive appliances were stolen from a residence in a gated community located in Diamond Bar.

Over 200 appliances were seized along with cash and an illegal assault rifle. Initially six persons were placed under arrest and several vehicles were also seized.

It is believed that most of the seized appliances were stolen from residences in cities throughout Southern California. The investigation is ongoing and we are asking for the public's help in identifying possible stolen property recovered from several warehouses used by the suspects.

Due to further investigation, detectives identified two more suspects and subsequently arrested them after tracking them to a county services building in El Monte.
