The objective of this RFSQ process is to secure one or more qualified Vendors to provide the Los Angeles County Sheriff's Department with Airplane Maintenance, Engineering and Repair services. Specific tasks, deliverables, etc. will be outlined in a work specification (Specifications) at the time the Sheriff's Department requests work.

1.6.1 Agreements will be executed with all Vendors determined to have met the minimum qualifications outlined in [Paragraph 1.4, Vendor's Minimum Qualifications](#).

1.6.2 Upon the Department's execution of these Agreements, and the receipt of required insurance documents, the qualified Vendors will become

County Contractors, and thereafter from time to time they may be solicited under competitive conditions to provide as-needed Sheriff's Airplane Maintenance, Engineering and Repair services under Work Orders to be issued by the Sheriff. Work Orders shall include Specifications which detail the particular project and the work required for the performance thereof. Payment for all work shall be on a fixed-price/not-to-exceed-cost per deliverable basis, subject to the total maximum amount specified on each individual Work Order. The execution of an Agreement does not guarantee a Contractor any minimum amount of business. The County reserves the right to solicit Work on a competitive or non-competitive basis.

- 1.6.3 For Work Order solicitations, only those Contractors qualified for the specific type of work will be contacted to submit bids.
- 1.6.4 The County will be continuously accepting SOQs during the term specified in the Appendix A (Sample Agreement), to qualify additional vendors.

1.7 Agreement Term

- 1.7.1 The Term of this Agreement shall be three (3) years with two (2) one-year renewal options, and thereafter, a six (6) month option, in any increment, from the date the County Board of Supervisors approves the original Sample Agreement, Appendix A, unless sooner extended or terminated, in whole or in part. Renewal options will be executed at the Sheriff's sole discretion.
- 1.7.2 The Agreement will become effective upon the date of its execution by the Sheriff. If, at some later date, additional Vendors become qualified to work under this Agreement, such executed Agreements shall be bound by the Term and respective dates established by the Master Agreement. All Agreements executed under the Master Agreement shall terminate simultaneously with the Master Agreement.

1.8 County Rights & Responsibilities

The County has the right to amend the RFSQ by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available to each person or organization which County records indicate has received this RFSQ. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the SOQ not being considered. Such determination shall be at the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

1.9 Contact with County Personnel

Any contact regarding this RFSQ or any matter relating thereto must be in writing, and may be mailed, e-mailed or faxed to:

1.10 Mandatory Requirement to Register on County's WebVen

1.11 Sheriff's Department Option To Reject SOQs

The Sheriff of Los Angeles County, at his sole discretion, may reject any or all SOQs submitted in response to this solicitation. The County shall not be liable for any cost incurred by a Vendor in connection with the preparation and submittal of any SOQ.

1.12 Protest Process

Any actual or prospective Vendor may file a protest in connection with the solicitation or award of a Board-approved service contract. It is generally accepted that the Vendor challenging the decision of a County department bears the burden of proof in its claim that the department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed award.

Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Vendor protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County to do so.

1.12.1 Grounds for Review

- 1.13.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality, or the marking of each page of the SOQ as confidential shall not be deemed sufficient notice of exception and may subject the entire SOQ to disclosure. The Vendor must specifically label only those provisions of the SOQ which are "Trade Secrets," "Confidential," or "Proprietary" in nature.

1.14 Indemnification and Insurance

Vendor shall be required to comply with the Indemnification provisions contained in [Appendix A, Exhibit A, Additional Terms and Conditions, Paragraph 8.22.](#) Vendor shall procure, maintain, and provide to the County, certificates of proof of insurance coverage for all the programs of insurance along with associated amounts specified in [Appendix A, Exhibit A, Additional Terms and Conditions, Paragraph 8.24.](#)

1.19 Conflict of Interest

No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFSQ, or any competing RFSQ, nor any spouse or economic dependent of such employees, shall be employed in any capacity by a prospective Contractor, or have any other direct or indirect financial interest in the selection of a Contractor. The Vendor shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in [Appendix C, Required Forms, Exhibit C3, Certification of No Conflict of Interest](#).

The Sheriff's Department shall provide the Vendor and/or the Vendor's representative with an opportunity to present evidence as to why the Vendor should be found to be responsible and to rebut evidence which is the basis for the Sheriff's Department's recommendation.

1.20.5 Recommendation to the Board of Supervisors

If the Vendor presents evidence in rebuttal to the Sheriff's Department, the Sheriff's Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. 1.21.2 Notice to Vendor

If there is evidence that the Vendor may be subject to debarment, the Sheriff's Department shall notify the Vendor in writing of the evidence which is the basis for the proposed debarment, and shall advise the Vendor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
