

Los Angeles County Sheriff  
RFSQ 245SH  
Bulletin #4 – Q&As  
Helicopter Maintenance, Engineering and Repair Services

Questions and Answers

**Q: Our quality department would like to know what FAA regulation your aircraft are being operated under, i.e. public use or part 91?**

A: Both.

n.b. –

The DEADLINE has passed for submitting questions – In this instance, however, the County found it necessary to address this particular question.

All future questions will be deferred until such time that individual Vendors sign an Agreement with the County.
