The State of California Legislature has enacted Senate Bill 13 (Beall) regarding the California Public Employees' Pension Reform Act of 2013 (the Act). Section 7522.56(b) of the Act (as amended) reads in part, as follows:

(b) A retired person shall not serve, be employed by, or be employed through a contract directly by, a public employer in the same public retirement system from which the retiree receives the benefit without reinstatement from retirement.

As a result of the Act, the County is prohibited from contracting with a retired County employee under this RFSQ.

1.6 Master Agreement Process

The objective of this RFSQ is to secure one or more qualified Vendors to provide as-needed Polygraph Examination Services, on an intermittent, as-needed basis, as specified in Appendix B (Statement of Work) of this RFSQ.

- 1.6.1 Master Agreements will be executed with all Vendors determined to be qualified.

In accordance with Attachment 3 (Guidelines for the Distribution of Work) of Appendix B (Statement of Work) of this RFSQ, Contractors will be selected to perform services on a rotational basis by availability and geographical area, based upon the needs of the Department, as determined by the Department in its sole discretion. However, the County Project Manager has the sole discretion to issue Work to any of the qualified Contractors.
- 1.6.3 The execution of a Master Agreement does not guarantee a Contractor any minimum amount of Work. County does not promise, warrant, or guarantee that County will utilize any particular level of Contractor's services, or any services at all, during the Term of the Master Agreement.

1.7 Master Agreement Term

- 1.7.1 Prior to commencement of a Master Agreement, the Model Master Agreement must be approved by the Los Angeles County Board of Supervisors.
- 1.7.2 Each Master Agreement will become effective January 17, 2015 or upon the date of its execution by the Sheriff, whichever is later, and will terminate on January 16, 2018 ("Initial Term"). Extension options shall be at the County's sole discretion.
- 1.7.3 County will be accepting SOQs until the needs of the Department are met.

1.8 County Rights and Responsibilities

1.8.1 The County has the right to amend the RFSQ by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available to each person or organization which Department records indicate has received this RFSQ and will also be posted on the Department's website at: http://www.lasd.org/lasd_contracts/info.html.

1.8.2 Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the SOQ not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

Prior to executing a Master Agreement, all potential Vendors must register in the County's WebVen. The WebVen contains the Vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at <http://camisvr.co.la.ca.us/webven/>.

1.11 County Option to Cancel this RFSQ and/or Reject SOQs

The County may, at its sole discretion, cancel this RFSQ at any time and/or reject any or all SOQs submitted in response to this solicitation. Additionally, any actual Vendor may request a review of a disqualification under such a solicitation, as described in the Subparagraphs below.

1.12.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of a Master Agreement based on a Vendor protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

1.12.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of any Departmental determination or action should be limited to the following:

1.13.1 Responses to this RFSQ shall become the exclusive property of the County. At such time as when Department recommends the qualified Vendor(s) to the Board of Supervisors and such recommendation appears on the Board of Supervisors' agenda, all SOQ's submitted in response to this RFSQ, become a matter of public record, with the exception of those parts of each SOQ which are justifiably defined and identified by the Vendor as business or trade secrets, and plainly marked as "Trade Secret," "Confidential," or "Proprietary."

1.13.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. **A blanket statement of confidentiality or the marking of each page of the SOQ as confidential shall not be deemed sufficient notice of exception. The Vendor must specifically label only those provisions of their respective SOQ which are "Trade Secrets," "Confidential," or "Proprietary" in nature.**

1.14 Indemnification and Insurance

Vendor shall be required to comply with the Indemnification provisions contained in Appendix A (Model Master Agreement), Exhibit A (Additional Terms and Conditions), Section 13.0 (Indemnification and Insurance). 1.16 Injury and Illness Prevention Program (IIPP)

Vendor shall be required to comply with the State of California's Cal OSHA's regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

1.17 Background and Security Investigations

1.17.1 Each of Vendor's employees and Vendor's examiners performing services under this Master Agreement shall undergo and pass a background check. Such background investigation must be

obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal level reviews, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Vendor, regardless if the member of Vendor's employees and/or Vendor's examiners passes or fails the background investigation.

- 1.17.2 Should any of Vendor's employees and/or Vendor's examiners not pass the background investigation, County may request that the member(s) be immediately removed from performing services under the Master Agreement at any time during the Term of the Master Agreement. County will not provide to Vendor, or to Vendor's employees or Vendor's examiners, any information obtained through the County's background investigation.
- 1.17.3 County, in its sole discretion, may immediately deny or terminate facility access to any Vendor employee or Vendor examiner that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.
- 1.17.4 Disqualification of any of Vendor's employees or Vendor's examiners pursuant to this Paragraph 1.17 shall not relieve Vendor of its obligation to complete all Work in accordance with the terms and conditions of the Master Agreement.

1.18 Confidentiality and Independent Vendor Status

- 1.18.1 As appropriate, Vendor shall be required to comply with the Confidentiality provision contained in Appendix A (Model Master Agreement), Exhibit A (Additional Terms and Conditions), Section 3.0 (Confidentiality) of this RFSQ, and the Independent Vendor Status provision contained in Appendix A (Model Master Agreement), Exhibit A (Additional Terms and Conditions) Section 41.0 (Independent Vendor Status) of this RFSQ.
- 1.18.2 Vendor shall ensure that it obtains and submits to the Department, a signed Exhibit E1 (Contractor Employee Acknowledgement and Confidentiality Agreement) of Appendix A (Model Master Agreement) of this RFSQ for each employee performing services under the Master Agreement before Work begins.
- 1.18.3 Vendor shall also ensure that it obtains and submits to the County, a signed Exhibit E2 (Contractor Non-Employee Acknowledgement and Confidentiality Agreement, of Appendix A (Model Master

Agreement) of this RFSQ for each non-employee performing services under the Master Agreement before Work begins.

1.19 Conflict of Interest

No County employee whose position in the County enables him/her to influence the selection of a Vendor for this RFSQ, or any competing RFSQ, nor any spouse of economic dependent of such employees, shall be employed in any capacity by a Vendor or have any other direct or indirect financial interest in the selection of a Vendor. Vendor shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Appendix D (Required Forms), Exhibit 5 (Certification of No Conflict of Interest) of this RFSQ.

1.20 Determination of Vendor Responsibility

- 1.20.1 A responsible Vendor is a Vendor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the requirements of the Master Agreement. It is the County's policy to conduct business only with responsible Vendors.
- 1.20.2 Vendors are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Vendor is responsible based on a review of the Vendor's performance on any agreements, including but not limited to County agreements. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Vendor against public entities. Labor law violations which are the fault of the subcontractors and of which the Vendor had no knowledge shall not be the basis of a determination that the Vendor is not responsible.
- 1.20.3 The County may declare a Vendor to be non-responsible for purposes of this Master Agreement if the Board of Supervisors, in its discretion, finds that the Vendor has done any of the following: (1) violated a term of an agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor's quality, fitness, or capacity to perform an agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

- 1.20.4 If there is evidence that the Vendor may not be responsible, the Department shall notify the Vendor in writing of the evidence relating to the Vendor's responsibility, and its intention to recommend to the Board of Supervisors that the Vendor be found not responsible. The Department shall provide the Vendor and/or the Vendor's representative with an opportunity to present evidence as to why the Vendor should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.
- 1.20.5 If the Vendor presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Vendor shall reside with the Board of Supervisors.
- 1.20.6 These terms shall also apply to proposed subcontractors of Vendors on County agreements.

1.21 Vendor Debarment

- 1.21.1 The Vendor is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Vendor from bidding or proposing on, or being awarded, and/or performing work on other County agreements for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Vendor's existing agreements with County, if the Board of Supervisors finds, in its discretion, that the Vendor has done any of the following: (1) violated a term of an agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor's quality, fitness, or capacity to perform an agreement with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
- 1.21.2 If there is evidence that a qualified Vendor may be subject to debarment, the Department shall notify the Vendor in writing of the evidence which is the basis for the proposed debarment, and shall advise the Vendor of the scheduled date for a debarment hearing before the Vendor Hearing Board.
- 1.21.3 The Vendor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Vendor and/or Vendor's

representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Vendor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Vendor should be debarred, and, if so, the appropriate length of time of the debarment. The Vendor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- 1.21.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Vendor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Vendor Hearing Board.
- 1.21.5 If a Vendor has been debarred for a period longer than five (5) years, that Vendor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Vendor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- 1.21.6 The Vendor Hearing Board will consider requests for review of a debarment determination only where (1) the Vendor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Vendor Hearing Board will provide notice of the hearing on the request. At the hearing, the Vendor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Vendor Hearing Board pursuant to the same procedures as for a debarment hearing.
- 1.21.7 The Vendor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Vendor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt

the proposed decision and recommendation of the Vendor Hearing Board.

- 1.21.8 These terms shall also apply to proposed subcontractors of Contractors on County contracts.
- 1.21.9 Appendix H (Link to Listing of Vendors Debarred in Los Angeles County) of this RFSQ provides a link to the County's website where there is a listing of Vendors that are currently on the Debarment List for Los Angeles County.

1.23 Gratuities

1.23.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Vendor with the implication, suggestion, or statement that the Vendor's provision of the consideration may secure more favorable treatment for the Vendor in the award of a Master Agreement or that the Vendor's failure to provide such consideration may negatively affect the County's consideration of the Vendor's submission. In effect, each person, corporation or other entity that seeks a County permit, license, franchise, or contract must certify compliance with the ordinance. Such evaluation will include assessing Vendor's compliance with all terms in the Master Agreement and performance standards identified in Appendix B (Statement of Work) of this RFSQ. Vendor's deficiencies which the Department determines are severe or continuing and that may jeopardize performance of the Master Agreement will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the Department and Vendor. If improvement does not occur consistent with the corrective action measures, the Department may terminate the Master Agreement in whole or in part, or impose other penalties as specified in the Master Agreement.

- 1.30.1 The County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in the County's contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.
- 1.30.2 The Local Small Business Enterprise Preference Program requires the company to complete a certification process. This program and how to obtain certification are further explained in Paragraph 1.32 (Local Small Business Enterprise Preference Program) of this RFSQ.
- 1.30.3 The Jury Service Program provides exceptions to the program if a company qualifies as a Small Business. It is important to note that each program has a different definition for Small Business. You may qualify as a Small Business in one program but not the other. Further explanation of the Jury Service Program is provided in Paragraph 1.31 (Jury Service Program) of this RFSQ.
- 1.30.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix F (County of Los Angeles Policy on Doing Business with Small Business) of this RFSQ.

1.31 Jury Service Program

The prospective Model Master Agreement is subject to the requirements of the County's Vendor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read Appendix G (Jury Service Ordinance) of this RFSQ, and the pertinent jury service provisions of Appendix A (Model Master Agreement), Exhibit A (Additional Terms and Conditions), Section 33.0, (Compliance with Jury Service Program) of this RFSQ. The Jury Service Program applies to both Vendors and their subcontractors. SOQs that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 1.31.1 The Jury Service Program requires Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the

employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

- 1.31.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has an agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County agreements or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Master Agreement, is less than \$500,000, and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation". The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
- 1.31.3 If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in Appendix D (Required Forms), Exhibit 10 (County of Los Angeles Vendor Employee Jury Service Program Certification Form and Application for Exception), of this RFSQ, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

1.32 Local Small Business Enterprise Preference Program (if applicable)

- 1.32.1 The County will give Local SBE preference to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and; 2) has had its principal office located in Los Angeles County for a period of at least one year. The business must be certified by Internal Services Department as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.
- 1.32.2 To apply for certification as a Local SBE, companies may register at the Internal Services Department's website at: <http://laosb.org>.
- 1.32.3 Certified Local SBEs must request the SBE Preference in each of their Bids (in response to a Work Order solicitation if applicable) and may not request the preference unless the certification process has been completed and certification affirmed. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.
- 1.32.4 Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at <http://www.pd.dgs.ca.gov/smbus/default>.

1.33 Local Small Business Enterprise (SBE) Prompt Payment Program

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County Departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.

1.34 Notification to County of Pending Acquisitions/Mergers by Proposing Company

The Vendor shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Vendor on Appendix D (Required Forms), Exhibit 1 (Vendor's Organization Questionnaire/Affidavit) of this RFSQ. Failure of the Vendor to provide this information may eliminate its SOQ from any further consideration.

1.35 Defaulted Property Tax Reduction Program

- 1.35.1 The prospective Master Agreement is subject to the requirements of the County's Defaulted Property Tax Reduction Program "Defaulted Tax Program" (Los Angeles County Code, Chapter 2.206). Prospective Vendors should carefully read Appendix K (Defaulted Property Tax Reduction Program) of this RFSQ, and the pertinent provisions of Appendix A (Model Master Agreement), Exhibit A, (Additional Terms and Conditions), Section 63.0 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program). The Defaulted Tax Program applies to both Contractors and their subcontractors.
- 1.35.2 Contractors shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the Term of any Master Agreement that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Appendix D (Required Forms), Exhibit 11 (Certification of Compliance with the County's Defaulted Tax Reduction Program) of this RFSQ. Failure to maintain compliance, or to timely cure defects, may be cause for termination of an agreement or initiation of debarment proceedings against the non-compliance Vendor (Los Angeles County Code, Chapter 2.202).
- 1.35.3 Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

1.36 Disabled Veteran Business Enterprise Preference Program (DVBE) (if applicable)

- 1.36.1 The County will give preference during the solicitation process to businesses that meet the definition of a Disabled Veteran Business Enterprise, consistent with Chapter 2.211 of the Los Angeles County Code. A Disabled Veteran Business Enterprise Vendor is defined as:
 - 1) A business which is certified by the State of California as a Disabled Veteran Business Enterprise; or
 - 2) A business which is certified by the Department of Veterans Affairs as a Service Disabled Veteran Owned Small Business (SDVOSB).
- 1.36.2 Certified Disabled Veteran Business Enterprise Vendors must request

the preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification is affirmed.

- 1.36.3 In no case shall the Disabled Veteran Business Enterprise Preference Program price or scoring preference be combined with any other county preference program to exceed eight percent (8%) in response to any county solicitation.
- 1.36.4 Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Disabled Veteran Business Enterprise.
- 1.36.5 To request the Disabled Veteran Business Enterprise Preference, Proposer must complete and submit the Exhibit 13 (Request For DVBE Preference Program Consideration), Appendix D (Required Forms), with supporting documentation with their SOQ.
- 1.36.6 Information about the State's DVBE certification regulations is found in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Disabled Veteran Business Certification and Resources Website at <http://www.pd.dgs.ca.gov/>

1.37 Time Off for Voting

Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (California Elections Code Section 14000). Not less than ten (10) calendar days before every statewide election, every Contractor and subcontractor shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of California Elections Code Section 14000.

This Section 2.0 (Instructions to Vendors) contains key project dates and activities as well as instructions to Vendors on how to prepare and submit their Statement of Qualifications (SOQ).

2.1 County Responsibility

The County is not responsible for representations made by any of its officers or employees prior to the execution of the Master Agreement unless such understanding or representation is included in the Master Agreement.

2.2 Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with an SOQ shall be sufficient cause for rejection of the SOQ. The evaluation and determination in this area shall be at the Sheriff's sole judgment and his judgment shall be final.

Each SOQ must respond clearly and comprehensively to all requirements of the RFSQ. Any request lacking a response will be considered "non-responsive". Failure to comply with the SOQ instructions may disqualify the SOQ. Noncompliant, inadequate, incomplete, or otherwise non-responsive SOQs may, in the County's sole discretion, result in disqualification or elimination.

County reserves the sole right to judge the content and presentation of the SOQ. Any SOQ that deviates from the format, sequence, content, or submission procedure may be rejected without review, in the County's sole discretion.

3.0 SOQ REVIEW/SELECTION/QUALIFICATION PROCESS

3.1 Review Process

County will conduct a comprehensive, fair, and impartial review of the SOQs received in response to this RFSQ. The review process will include the following steps:

3.1.1 Adherence to Minimum Mandatory Qualifications

County shall review Exhibit 1 (Vendor's Organization Questionnaire/Affidavit) and Exhibit 12 (Proficiency Exam) of Appendix D (Required Forms) of this RFSQ, and the appropriate supporting documentation, to determine if the Vendor meets the Minimum Mandatory Qualifications as outlined in Paragraph 1.4 (Vendor's Minimum Mandatory Qualifications) of this RFSQ.

Failure of the Vendor to comply with the Minimum Mandatory Qualifications will eliminate its SOQ from any further consideration. The Department may elect to waive any informality in an SOQ if the sum and substance of the SOQ is present.

3.1.2 Vendor's Qualifications (Section A)

County's review shall include the following:

1. Vendor's Background and Experience as provided in Section A.1 of the SOQ.
2. Vendor's References as provided in Section A.2 of the SOQ. The review will include verification of references submitted, a review of the County's Contract Database and Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts, and a review of terminated contracts.

County will review the Vendor's statement accepting the terms and conditions and requirements of Appendix A (Model Master Agreement), including Exhibit A (Additional Terms and Conditions), and Appendix B (Statement of Work) of this RFSQ.

3.2 Disqualification Review

An SOQ may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that an SOQ is disqualified due to non-responsiveness, the Department shall notify the Vendor in writing.

Upon receipt of the written determination of non-responsiveness, the Vendor may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Vendor that submitted an SOQ; and
2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Vendor, in writing, prior to the conclusion of the selection/qualification process.

3.3 Selection/Qualification Process

The Department will select Vendors that meet the requirements outlined in this RFSQ, including Paragraph 1.4 (Vendor's Minimum Mandatory Qualifications), and that are capable of providing the Polygraph Examination Services specified in Appendix B (Statement of Work) of this RFSQ.

ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Master Agreement. Capitalized terms not otherwise defined in this Exhibit A (Additional Terms and Conditions) (this “Exhibit”) have the meanings given to such terms in Section 2.0 (Definitions) of the Master Agreement.

1.0 SUBCONTRACTING

County has relied, in entering into the Master Agreement, on the reputation of, and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Master Agreement, or any portion thereof, shall be subcontracted by Contractor. Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Master Agreement shall be null and void and shall constitute a material breach of the Master Agreement, upon which County may immediately terminate the Master Agreement.

2.0 DISPUTE RESOLUTION PROCEDURE

2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Master Agreement. All such disputes shall be subject to the provisions of this Section 2.0 (Dispute Resolution Procedure), (such provisions are collectively referred to as the “Dispute Resolution Procedures”). Time is of the essence in the resolution of disputes.

2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, which the parties mutually determine should be delayed as a result of such dispute.

2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor’s failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

- 2.2.2 If County fails to continue without delay to perform its responsibilities under the Master Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Master Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to the County Project Manager and Contractor Project Manager for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the County Project Manager and Contractor Project Manager are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the County Project Director and Contractor Project Manager for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the County Project Director and Contractor Project Manager are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Master Agreement and its rights and remedies as provided by law.

2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Paragraph 2.3 (Dispute Resolution Procedures), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Master Agreement, County's right to terminate the Master Agreement pursuant to Section 4.0 (Termination for Insolvency), Section 5.0 (Termination for Default), Section 6.0 (Termination for Convenience), or Section 7.0 (Termination for Improper Consideration), in each case, of this Exhibit, or any other termination provision under the Master Agreement, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

3.0 CONFIDENTIALITY

3.1 General

- 3.1.1 Contractor shall maintain the confidentiality of all records and information, events or circumstances which occur during the course of Contractor's performance under the Master Agreement, in accordance with all applicable Federal, State, and local laws, rules, regulations, ordinances, guidelines, policies and procedures, and directives relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.
- 3.1.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this Section 3.0 (Confidentiality), as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Section 3.0 (Confidentiality) shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

- 3.1.3 Contractor shall inform all of its directors, officers, shareholders, employees, subcontractors and agents providing services hereunder of the confidentiality provisions of the Master Agreement. Contractor shall provide to County an executed Exhibit E1 (Contractor Employee Acknowledgment and Confidentiality Agreement) of the Agreement for each of its employees performing Work under the Master Agreement, and an executed Exhibit E2 (Contractor Non-Employee Acknowledgment and Confidentiality Agreement) of the Master Agreement for each of its non-employees performing Work under the Master Agreement. Notwithstanding anything herein to the contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person, or entity to which Contractor discloses such confidential information.

3.2 Disclosure of Information

- 3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Master Agreement, Contractor shall: (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Master Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Master Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Master Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.
- 3.2.2 Without limiting the generality of Subparagraph 3.2.1 of this Exhibit, in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of the Master Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as “proprietary” or “confidential.” County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as “proprietary” or “confidential.” Notwithstanding any other provision of the Master Agreement, County shall not be obligated in any way under the Master Agreement for:

- 3.3.1 Any of Contractor’s proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;
- 3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and
- 3.3.3 Any materials indicating the volume, frequency and type of goods and services provided by Contractor, including, but not limited to use under Section 25.0 (Resolicitation of Bids, Proposals, SOQ’s, or Information).

3.4 Use of County Name

In recognizing Contractor’s need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Master Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.
- 3.4.2 During the Term of the Master Agreement, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of County Project Director, which shall not be unreasonably withheld or delayed.
- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Master Agreement with County, provided that the requirements of this Paragraph 3.4 (Use of County Name) (other than the requirements set forth in Subparagraph 3.4.2) shall apply.
- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County’s name and Contractor shall cure promptly and prospectively any use of County’s name that has been objected to by County.

3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this Section 3.0 (Confidentiality), may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Master Agreement and at law and in equity, County shall have the right to injunctive relief to enforce the provisions of this Section 3.0 (Confidentiality).

4.0 TERMINATION FOR INSOLVENCY

4.1 County may terminate the Master Agreement immediately at any time following the occurrence of any of the following:

4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;

4.1.2 The filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) calendar days) regarding Contractor under the United States Bankruptcy Code;

4.1.3 The appointment of a receiver or trustee for Contractor; or

4.1.4 The execution by Contractor of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.

4.2 The rights and remedies of County provided in this Section 4.0 (Termination for Insolvency), shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Master Agreement.

4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Master Agreement, County may elect to retain its rights under the Master Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow County to exercise all of its rights and benefits under the Master Agreement. The foregoing shall survive the termination or expiration of the Master Agreement for any reason whatsoever.

5.0 TERMINATION FOR DEFAULT

- 5.1 County may, by written notice to Contractor, terminate the whole or any part of the Master Agreement, if, in the judgment of County's Project Director:
- 5.1.1 Contractor has materially breached the Master Agreement; or
 - 5.1.2 Contractor fails to timely provide and/or satisfactorily perform any service, or other work required either under the Master Agreement; or
 - 5.1.3 Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under the Master Agreement, or of any obligations of the Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) Business days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.
- 5.2 In the event that County terminates the Master Agreement in whole or in part as provided in Paragraph 5.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of the Master Agreement to the extent not terminated under the provisions of this Paragraph.
- 5.3 If, after County has given notice of termination under the provisions of this Section 5.0 (Termination for Default), it is determined by County that Contractor was not in default under the provisions of this Section 5.0 (Termination for Default), the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 6.0 (Termination for Convenience).
- 5.4 The rights and remedies of County provided in this Section 5.0 (Termination for Default), shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.

6.0 TERMINATION FOR CONVENIENCE

6.1 Termination for Convenience

The Master Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. Termination of Work hereunder shall be effected by delivery to Contractor of a notice of termination specifying the extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) calendar days after notice.

6.2 No Prejudice; Sole Remedy

Nothing in this Section 6.0 (Termination for Convenience), is deemed to prejudice any right of Contractor to make a claim against County in accordance with the Master Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this Paragraph 6.2 (No Prejudice; Sole Remedy), shall be the only remedy available to Contractor in the event of a termination or suspension pursuant to this Section 6.0 (Termination for Convenience) by County.

7.0 TERMINATION FOR IMPROPER CONSIDERATION

- 7.1 County may, upon written notice to Contractor, immediately terminate the right of Contractor to proceed under the Master Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Master Agreement or securing favorable treatment with respect to the award, amendment or extension of the Master Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 7.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.0 INTENTIONALLY OMITTED

9.0 EFFECT OF TERMINATION

9.1 Remedies

In the event that County terminates the Master Agreement in whole or in part as provided in Section 4.0 (Termination for Insolvency), Section 5.0 (Termination for Default), Section 6.0 (Termination for Convenience), Section 7.0 (Termination for Improper Consideration), in each case, of this Exhibit, then:

- 9.1.1 Contractor shall (a) stop performing Work under the Master Agreement on the date and to the extent specified in such notice, (b) promptly transfer and deliver to County copies of all completed Work and Work that is in process, in a media reasonably requested by County, (c) promptly transfer

and deliver all items previously paid for by County, and (d) complete performance of such part of the Work as shall not have been terminated by such notice;

- 9.1.2 Unless County has terminated the Master Agreement pursuant to Section 6.0 (Termination for Convenience), of this Exhibit, County shall have the right to procure, upon such terms and in such a manner as County may determine appropriate, goods, services, and other Work, similar and competitive to those so terminated, and Contractor shall be liable to County for, and shall promptly pay to County by cash payment, any and all excess costs reasonably incurred by County, as determined by County, to procure and furnish such similar goods, services, and other Work;
- 9.1.3 Contractor shall promptly return to County any and all of County's confidential information that relates to that portion of the Master Agreement or Work terminated by County;

- 9.1.5 Contractor and County shall continue the performance of the Master Agreement to the extent not otherwise terminated.

9.2 Transition Services

Contractor agrees that in the event of any termination of the Master Agreement, as a result of the breach hereof by either party, or for any other reason, including expiration, Contractor shall fully cooperate with County in the transition by County to a new contractor so that there shall be no interruption of County's day to day operations due to the unavailability of the Work during such transition. Contractor agrees that if County terminates the Master Agreement pursuant to Section 6.0 (Termination for Convenience) of this Exhibit or Paragraph 5.3 of this Exhibit, Contractor shall perform transition services, and shall invoice County for such transition services determined in accordance with the rates specified in Exhibit C (Rate of Compensation) of the Master Agreement, and the agreed upon maximum amount in accordance with a transition plan to be agreed upon, in advance, by County Project Director and Contractor Project Manager. Contractor further agrees that in the event that County terminates the Master Agreement for any other breach by Contractor, Contractor shall perform transition services at no cost to County. In connection with the provision of any transition services pursuant to this Paragraph 9.2 (Transition Services), Contractor shall provide to County Project Director, upon request by County Project Director, documentation that reasonably details the source and amount of

the expenses Contractor purports to have incurred in the provision of such transition services.

9.3 Remedies Not Exclusive

The rights and remedies of County set forth in this Section 9.0 (Effect of Termination) are not exclusive of any other rights and remedies available to County at law or in equity, or under the Master Agreement.

10.0 WARRANTY AGAINST CONTINGENT FEES

10.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

10.2 For breach of this warranty, County shall have the right to terminate the Master Agreement and, in its discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

11.0 AUTHORIZATION WARRANTY

Contractor and the person executing the Master Agreement on behalf of Contractor hereby represent and warrant that the person executing the Master Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of the Master Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

12.0 FURTHER WARRANTIES

In addition to the warranties elsewhere in this Master Agreement, Contractor represents warrants and further covenants and agrees to the following:

12.1 Contractor bears the full risk of loss due to total or partial destruction of all or any part of any goods acquired from Contractor, as applicable, until acceptance by the County.

12.2 At the time of delivery to and acceptance by County, all goods shall be new, in good working order, in conformity with manufacturer's published specifications and descriptions, and free from defects in workmanship and materials, as determined by County.

12.3 Contractor shall, in the performance of all Work, strictly comply with the descriptions and representations (including performance capabilities, accuracy, completeness, characteristics, specifications, configurations, standards,

functions, and requirements) as set forth in the Master Agreement, including Exhibit B (Statement of Work).

- 12.4 All Work shall be performed in a timely and professional manner by qualified personnel.

In the event any dispute exists as to nature of County Indemnitees' conduct with respect to any loss or damage referenced above, Contractor shall defend County Indemnitees until such dispute is resolved by final judgment."

13.2 General Provisions for All Insurance Coverage

Without limiting Contractor's indemnification of County, and in the performance of the Master Agreement and until all of its obligations pursuant to the Master Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 13.2 (General Provisions for All Insurance Coverage) and 13.3 (Insurance Coverage) of the Master Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to the Master Agreement. County in no way warrants that the Required Insurance is sufficient to protect Contractor for liabilities which may arise from or relate to the Master Agreement.

13.2.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under Contractor's General Liability policy, shall be delivered to

County at the address shown below and provided prior to commencing services under the Master Agreement.

- Renewal Certificates shall be provided to County not less than ten (10) calendar days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.
- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference the Master Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of Contractor identified as the contracting party in the Master Agreement. - Neither County's failure to obtain, nor County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.
- Certificates and copies of any required endorsements shall be sent to:

Los Angeles County Sheriff's Department
Contracts Unit
4700 Ramona Boulevard, Room 214
Monterey Park, California 91754
Attention: Contract Compliance Manager

- Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its sub-Contractors which arises from or relates to the Master Agreement, and could result in the filing of a claim or lawsuit against Contractor and/or County.

13.2.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of County. County and its Agents additional insured status and their entitlement to insurance benefits including defense of suits, shall apply with respect to any claims or proceedings asserting any liability arising out of Contractor's acts or omissions, whether such liability is attributable in whole or in part to Contractor or to County. The full policy limits and scope of protection also shall apply to County and its Agents as an additional insured, even if they exceed County's minimum Required Insurance specifications herein. 13.2.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Master Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate the Master Agreement. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

Contractor shall include all subcontractors as insureds under Contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

13.2.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate County to pay any portion of any Contractor deductible or SIR. County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

13.2.10 **Claims Made Coverage**

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of the Master Agreement. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Master Agreement expiration, termination or cancellation.

13.3.3 **Workers Compensation and Employers' Liability** insurance or qualified self-insurance satisfying statutory requirements, which includes Employers' Liability coverage with limits of not less than \$1 million per accident. If Contractor does not have employees, a written statement will be acceptable acknowledging that Contractor does not have employees and therefore, Worker's Compensation Insurance does not apply.

13.3.4 **Professional Liability/Errors and Omissions** insurance covering Contractor's liability arising from or related to the Master Agreement, with limits of not less than \$1 million per claim and \$2 million aggregate. Further, Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following the Master Agreement's expiration, termination or cancellation.

14.0 INTELLECTUAL PROPERTY INDEMNIFICATION

14.1 Indemnification Obligation

Contractor shall indemnify, hold harmless and defend County, its agents, officers, and employees from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, but not limited to, defense costs and legal, accounting and other expert, consulting or professional fees and attorney's fees, as such are incurred, for or by reason of any actual or alleged infringement of any third party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure or misappropriation, arising from or related

to software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder or the operation and utilization of Contractor's work under the Master Agreement (collectively in this Section 14.0 (Intellectual Property Indemnification) "Infringement Claim(s)"). Any legal defense pursuant to Contractor's indemnification obligations under this Section 14.0 (Intellectual Property Indemnification), shall be conducted by Contractor and performed by counsel selected by Contractor and approved in writing by County (which approval shall not be unreasonably withheld). Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as required by law or the Master Agreement, County shall be entitled to reimbursement for all such costs and expenses.

14.2 Procedures

County shall notify Contractor, in writing, as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure. Upon such notice, Contractor shall, at no cost to County, as remedial measures, either: (i) procure the right, by license or otherwise, for County to continue to use the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder, or part(s) or component(s) thereof, to the same extent of County's license or ownership rights under the Master Agreement; or (ii) to the extent Contractor is unable to procure such right, replace or modify the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder, or part(s) or component(s) thereof, with another software or product of services, or part(s) or component(s) thereof, of at least equivalent quality and performance capabilities, in County's determination, until it is determined by County that the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder and all parts and components become non-infringing, non-misappropriating and non-disclosing.

14.3 Remedial Acts

If Contractor fails to complete the remedial measures in Paragraph 14.2 above within forty-five (45) calendar days of the date of the written notice from County or County has not approved in writing (such approval not to be unreasonably withheld) Contractor's plan of completing such remediation, then, County shall have the right to take such remedial acts as County determines to be reasonable to mitigate any impairment of its use of the software or services or damages or other costs or expenses (in this Paragraph 14.3, "Remedial Acts"). Contractor shall indemnify County under Paragraph 13.1 (Indemnification), for all amounts paid and all direct and indirect costs associated with County's Remedial Acts. Failure by Contractor to pay such amounts within ten (10) calendar days of invoice by County shall, in addition to, and cumulative to all other remedies, entitle County to immediately withhold payments due to Contractor under the

Master Agreement up to the total of the amounts paid in connection with County's Remedial Acts.

15.0 BUDGET REDUCTIONS

In the event that the Board adopts, in any fiscal year, a County budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation correspondingly for that fiscal year and any subsequent fiscal year during the Term of the Master Agreement (including any extensions), and the services to be provided by Contractor under the Master Agreement shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentences, Contractor shall continue to provide all of the services set forth in the Master Agreement.

16.0 FORCE MAJEURE

Except with respect to defaults of any subcontractors, Contractor shall not be liable for any such excess costs, if its failure to perform the Agreement arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by Contractor or any of Contractor's subcontractors), freight embargoes, or other similar acts to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without any fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. Contractor agrees to use commercially reasonable best efforts to obtain such goods or services from other sources, and to mitigate the damages and reduce the delay caused by any of the above mentioned *force majeure* events. As used in this Section 16.0 (Force Majeure), the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

17.0 CONTRACTOR RESPONSIBILITY AND DEBARMENT

17.1 A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

17.2 Contractor is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, if County acquires information concerning the performance of Contractor on this or other Agreements which indicates that

Contractor is not responsible, County may, in addition to other remedies provided in the Master Agreement, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which will not exceed five (5) years, but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements Contractor may have with County.

- 17.3 County may debar a Contractor if the Board finds, in its discretion, that Contractor has done any of the following: (a) violated a term of an Agreement, including the Master Agreement, with County or a nonprofit corporation created by County, (b) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform an Agreement with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (c) committed an act or offense which indicated a lack of business integrity or business honesty, or (d) made or submitted a false claim against County or any other public entity.
- 17.4 If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 17.5 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- 17.6 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 17.7 If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after

debarment was imposed; or (4) any other reason that is in the best interests of County.

17.8 The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

17.9 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

Notwithstanding any other provision of this Exhibit or the Master Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically possible without related danger to Contractor's

33.2.1 Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the Los Angeles County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the Los Angeles County Code), Contractor shall have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employees' regular pay the fees received for jury service.

33.2.2 For purposes of this Section 33.0 (Compliance with Jury Service Program), "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means forty (40) hours or more worked per week, or a lesser number of hours if: (a) the lesser number is a recognized industry standard as determined by County, or (b) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing

short-term, temporary services of ninety (90) days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Master Agreement, the subcontractor shall also be subject to the provisions of this Section 33.0 (Compliance with Jury Service Program). The provisions of this Section 33.0 (Compliance with Jury Service Program) shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Master Agreement.

33.2.3 If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Term and at its sole discretion, that Contractor demonstrate to County’s satisfaction that Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” or that Contractor continues to qualify for an exception to the Jury Service Program.

33.2.4 Contractor’s violation of this Section 33.0 (Compliance with Jury Service Program) of this Exhibit may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

34.0 BACKGROUND AND SECURITY INVESTIGATIONS

34.1 Each of Contractor’s staff performing services under the Agreement shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under the Agreement. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor’s staff passes or fails the background investigation.

34.2 If a member of Contractor’s staff does not pass the background investigation, County may request that the member of Contractor’s staff be immediately removed from performing services under the Agreement at any time during the

term of the Agreement. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.

34.3 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

34.4 Disqualification of any member of Contractor's staff pursuant to this Section 34.0 (Background and Security Investigations) shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of the Agreement.

35.0 ACCESS TO COUNTY FACILITIES

Contractor, its employees, and agents will be granted access to County facilities, subject to Contractor's prior notification to and approval by County Project Director or County Project Manager or their designee, for the purpose of executing Contractor's obligations hereunder. Contractor shall have no tenancy, or any other property or other rights in County facilities. While present at County facilities, Contractor's personnel shall be accompanied by County personnel at all times, unless this requirement is waived in writing prior to such event by County Project Director.

36.0 COUNTY FACILITY OFFICE SPACE

In order for Contractor to perform services hereunder and only for the performance of such services, County may elect, subject to County's standard administrative and security requirements, to provide Contractor with office space and equipment, as determined at the discretion of County Project Director, at County facilities, on a non-exclusive use basis. County shall also provide Contractor with reasonable telephone service and network connections in such office space for use only for purposes of the Master Agreement. County disclaims any and all responsibility for the loss, theft or damage of any property or material left at such County office space by Contractor.

37.0 PHYSICAL ALTERATIONS

Contractor shall not in any way physically alter or improve any County facility without the prior written approval of County Project Director, and County's Director of Internal Services Department, in their discretion.

38.0 DAMAGE TO COUNTY FACILITIES, BUILDINGS, OR GROUNDS

38.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made promptly after Contractor has become aware of such damage, but in no event later than thirty (30) calendar days after the occurrence.

- 38.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand, or without limitation of all County's other rights and remedies provided at law or equity, or under the Master Agreement, County may deduct such costs from any amounts due to Contractor from County under the Master Agreement.

39.0 FEDERAL EARNED INCOME TAX CREDIT

Contractor shall notify its employees and shall require each subcontractor to notify its employees that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015. Copies of the Notice can be obtained by calling 1-800-829-3676 or from the IRS website at www.irs.gov.

40.0 ASSIGNMENT BY CONTRACTOR

- 40.1 Contractor shall not assign its rights or delegate its duties under the Master Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph 40.1, County consent shall require a written Amendment to the Master Agreement, which is formally approved and executed by the parties, and which may be executed by the Sheriff, on behalf of County with the written concurrence of County Counsel. Any payments by County to any approved delegate or assignee on any claim under the Master Agreement shall be deductible, at County's discretion, against claims which Contractor may have against County.
- 40.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person, corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with Paragraph 40.1 of this Exhibit.
- 40.3 Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Master Agreement which may result in the termination of the Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

41.0 INDEPENDENT CONTRACTOR STATUS

- 41.1 The Master Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent Contractor.
- 41.2 Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to the Master Agreement all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 41.3 Contractor understands and agrees that all persons performing Work pursuant to the Master Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. County shall have no obligation to furnish, or liability for, workers' compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor pursuant to the Master Agreement.
- 41.4 Contractor shall adhere to the provisions stated in Section 3.0 (Confidentiality) of this Exhibit.

42.0 RECORDS AND AUDITS

- 42.1 Contractor shall maintain accurate and complete financial records of its activities and operations relating to the Master Agreement, including any termination hereof, in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of the Master Agreement. Contractor agrees that County, or its authorized representatives, shall, with reasonable notice and during regular business hours, have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, or records of Contractor relating to the Master Agreement. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received pursuant to an audit or examination under this Section 42.0 (Records and Audits), Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure Master Agreement shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to Work performed specifically for the benefit of County. All such material, including all financial records, bank statements,

cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term of the Master Agreement and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then at Contractor's option, Contractor shall either (a) provide County with access to such material at a mutually agreed upon location inside Los Angeles County, or (b) pay County for travel, per diem, and other costs and expenses incurred by County to examine, audit, excerpt, copy or transcribe such material at such outside location.

- 42.2 If an audit is conducted of Contractor specifically regarding the Master Agreement by any Federal or State auditor, or by an auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor Controller and County Project Director within thirty (30) calendar days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under the Master Agreement.
- 42.3 If, at any time during or after the Term of the Master Agreement, representatives of County conduct an audit of Contractor, as and to the extent permitted hereunder, regarding the Work performed under the Master Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Master Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) calendar days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) calendar days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to County Project Director and Contractor Project Manager. If Contractor fails to notify County of any objection it has to the findings of County's audit within the thirty (30) calendar day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of County Project Director, deducted from any amounts due to Contractor from County. If such audit finds that County's dollar liability for such Work is more than the payments made by

County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum.

Failure on the part of Contractor to comply with any of the provisions of this Section 42.0 (Records and Audits) shall constitute a material breach upon which County may terminate or suspend the Master Agreement.

43.0 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATIONS

Contractor shall obtain and maintain in effect during the Term of the Master Agreement all licenses, permits, registrations, accreditations, and certifications required by all Federal, state, and local laws, ordinances, rules, and regulations, which are applicable to Contractor's services under the Master Agreement, including but not limited to licenses and board certifications. Contractor shall further ensure that all of its officers, employees, and agents who perform services hereunder, obtain and maintain in effect during the Term of the Master Agreement all licenses, permits, registrations, accreditations, and certifications which are applicable to their performance hereunder. If and to the extent requested by County, Contractor shall provide a copy of each license, permit, registration, accreditation, and certificate, in duplicate, to:

Los Angeles County Sheriff's Department
Contracts Unit, Room 214
Attn: Contracts Manager
4700 Ramona Boulevard
Monterey Park, CA 91754

44.0 NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of the Master Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of the Master Agreement, except that this Section 44.0 (No Third Party Beneficiaries) shall not be construed to diminish Contractor's indemnification obligations hereunder.

45.0 MOST FAVORED PUBLIC ENTITY

If Contractor's prices decline, or should Contractor, at any time during the Term of the Master Agreement, provide the same goods and/or substantially similar services under similar quantity, delivery, and other applicable terms and conditions to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Master Agreement, then such lower prices shall be extended immediately to County.

46.0 COUNTY'S QUALITY ASSURANCE PLAN

County or its agent will evaluate Contractor's performance under the Master Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and conditions and performance standards of the Master Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate the Master Agreement or impose other penalties as specified in the Master Agreement.

47.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require additional or replacement personnel after the effective date of the Master Agreement to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of the Master Agreement.

48.0 INTENTIONALLY OMITTED

49.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF MASTER AGREEMENT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under the Master Agreement, after the expiration or other termination of the Master Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of the Master Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of the Master Agreement.

50.0 SAFELY SURRENDERED BABY LAW

50.1 Notice to Employees

Contractor shall notify and provide to its employees performing Work under the Master Agreement to notify and provide to its employees a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit G (Safely Surrendered Baby Law) of the Master Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

50.2 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

51.0 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Contractor and County agree that, during the term of the Master Agreement and for a period of one (1) year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

52.0 PUBLIC RECORDS ACT

52.1 Any documents submitted by Contractor, all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records, pursuant to Section 42.0 (Records and Audits) of this Exhibit, as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for the Master Agreement, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "Trade Secret," "Confidential," or "Proprietary." County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

52.2 In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid/proposal marked "Trade Secret," "Confidential," or "Proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

53.0 TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM (if applicable)

- 53.1 The Master Agreement is subject to the provisions of the County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.
- 53.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.
- 53.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.
- 53.4 If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded the Master Agreement to which it would not otherwise have been entitled, shall:
1. Pay to County any difference between the Master Agreement amount and what County's costs would have been if the Master Agreement had been properly awarded;
 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the Master Agreement; and
 3. Be subjected to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a Master Agreement award.

54.0 WAIVER

No waiver by County of any breach of any provision of the Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of the Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Master

Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Master Agreement.

55.0 GOVERNING LAW, JURISDICTION, AND VENUE

The Master Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to Master Agreements made and to be performed within that state. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

56.0 SEVERABILITY

If any provision of the Master Agreement is adjudged void or invalid for any reason whatsoever, but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective. In the event that one or more of the provisions of the Master Agreement is found to be invalid, illegal or unenforceable in any respect, such provision shall be deleted here from and the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the Master Agreement fails of its essential purpose because of such deletion.

57.0 RIGHTS AND REMEDIES

The rights and remedies of County provided in any given Section, as well as throughout the Master Agreement, including throughout this Exhibit, are non-exclusive and cumulative with any and all other rights and remedies under the Master Agreement, at law, or in equity.

58.0 NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. The Master Agreement shall not restrict County or the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

59.0 FACSIMILE

Except for the parties initial signatures to the Master Agreement, which must be provided in "original" form, and not by facsimile, County and Contractor hereby agree to regard facsimile representations of original signatures of authorized officials of each party, when appearing in appropriate places on change notices or in other

correspondence, notices, etc. requiring signatures, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed thereto, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

60.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 60.1 The Master Agreement is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 60.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 60.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 60.4 If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded the Master Agreement to which it would not otherwise have been entitled, shall:
 - 1. Pay to County any difference between the Master Agreement amount and what County's costs would have been if the Master Agreement had been properly awarded;
 - 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the Master Agreement; and
 - 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and

Internal Services Department of this information prior to responding to a solicitation or accepting a Master Agreement award.

61.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PROMPT PAYMENT PROGRAM

Certified Local SBEs will receive prompt payment for services they provide to County departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.

62.0 TERMINATION FOR NON APPROPRIATION OF FUNDS

Notwithstanding any other provision of the Master Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of the Master Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for the Master Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for the Master Agreement, then the Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

63.0 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

63.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through Master Agreements are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

63.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the Term of the Master Agreement will maintain compliance, with Los Angeles County Code Chapter 2.206, attached as Exhibit H (Defaulted Property Tax Reduction Program) of this Master Agreement.

64.0 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Section 63.0 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) above shall constitute default under the Master Agreement. Without limiting the rights and remedies available to County under any other provision of the Master Agreement, failure of Contractor to cure such default within ten (10) calendar days of notice shall be grounds upon which County may terminate the Master Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

65.0 TIME OFF FOR VOTING

Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (California Elections Code Section 14000). Not less than ten (10) calendar days before every statewide election, every Contractor and subcontractor shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of California Elections Code Section 14000.

STATEMENT OF WORK

Capitalized terms used in this Statement of Work (SOW) without definition herein shall have the meanings given to such terms in Section 2.0 (Definitions) of the Master Agreement.

1.0 SCOPE OF WORK

- 1.1 This SOW defines specific tasks and responsibilities of Contractor in providing Polygraph Examination Services for the Los Angeles County (County) Sheriff's Department (Department) Polygraph Examinations Unit, on an intermittent, as-needed basis.

Contractor shall only perform pre-employment polygraph examinations on Polygraph Examinees referred by the Department.

2.1 Observance of the rights of Polygraph Examinees.

- 2.1.1 Contractor shall not render a conclusive diagnosis when the physiological records lack sufficient quality and clarity. This may include, but is not limited to, excessively distorted recordings, records with insufficient response capability, or records with tracing amplitudes below those generally accepted by the profession.
- 2.1.2 Contractor shall afford each Polygraph Examinee a reasonable opportunity to explain questionable responses, both verbally and in writing.
- 2.1.3 Contractor shall not disclose to any person, any personal information gained during the course of a polygraph examination which has no connection to the relevant issue, and which may embarrass or unnecessarily violate the privacy of the Polygraph Examinee, except where such disclosure is required by law, or is a part of the pre-employment examination information.

2.2 Pre-test interview for polygraph examinations.

- 2.2.1 Contractor shall conduct a pretest interview with the Polygraph Examinee to determine if the subject is testable. The pretest interview will provide a baseline for body language and neurolinguistics, and psychologically prepare the Polygraph Examinee for the examination.
- 2.2.2 Contractor shall make a reasonable effort to determine the fitness of the Polygraph Examinee for testing. Where allowed by law, basic inquiries into the medical and psychological condition of the Polygraph Examinee, as well as any recent drug use, should be made. Contractor shall not conduct an examination if valid results cannot be reasonably foreseen.
- 2.2.3 If the Contractor has a reasonable doubt concerning the fitness of the Polygraph Examinee to safely undergo a polygraph examination, based on medical disclosures, the Background Investigator will request a release from the Polygraph Examinee's physician.

2.3 Polygraph examinations.

- 2.3.1 Contractor shall conduct comprehensive interviews with Polygraph Examinees in order to gather background information relevant to the polygraph examination.
- 2.3.2 Contractor shall develop questions for the examination and review the questions with the Polygraph Examinee.

- 2.3.4 Contractor's examination questions shall be balanced in terms of length and impact for each category of questions utilized. Questions used in the assessment of truth and deception shall be preceded and followed by time intervals of not less than twenty (20) seconds. When approved and validated research supports the use of another time interval, that time span shall prevail.
- 2.3.5 Contractor shall collect a sufficient number of charts so as to acquire sufficient data for proper evaluation, in conformance with a validated testing technique.

2.3.6 Contractor shall use standardized chart markings that are recognized and utilized as “accepted practice” within the polygraph profession.

2.3.7 Contractor shall conduct no fewer than four polygraph charts for each examination, including a Stimulus test or Calibration and verification of Sensitivity question set.

2.3.8 All polygraph examinations shall be reviewed for quality and accuracy prior to submission of the final report to the Polygraph Examination Unit.

2.4 Polygraph Examination Scoring.

2.4.1 Contractor shall employ quantitative, numerical, and algorithm scoring for all polygraph examinations.

2.4.2 Contractor shall analyze the Polygraph Examinee’s physiological responses and form an opinion as to the subject exhibiting “Significant Response”, “No Significant Response”, “Deception Indicated”, “No Deception Indicated”, “Inconclusive” or “Countermeasures”.

2.4.3 Contractor’s notes of the polygraph examination evaluation shall have sufficient clarity and precision so that another examiner could read them.

2.4.4 Contractor shall not disclose the results of the polygraph examination until it has been adequately and sufficiently analyzed.

2.4.5 Contractor shall maintain the confidentiality of Work conducted until a release by the Polygraph Examinee is obtained, and approval for any disclosure of information is obtained, by the County Project Manager.

2.5 Post-Examination Notifications of Results.

Contractor shall afford each Polygraph Examinee a reasonable opportunity to explain, verbally and in writing, questionable responses to relevant questions in the recordings, except in instances where time or operational necessity dictate otherwise.

2.6 Restriction on Rendering Opinions.

Contractor shall not provide any report or opinion regarding the medical or psychological condition of the Polygraph Examinee for which he is not professionally qualified to make. COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESS

POLYGRAPH EXAMINATION SERVICES

COUNTY OF LOS ANGELES
POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE. . . .

The importance of small business to the County. . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow. . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable, and highly motivated to carry out the letter and spirit of this policy.

JURY SERVICE ORDINANCE

POLYGRAPH EXAMINATION SERVICES

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

 - 3. A purchase made through a state or federal contract; or

A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-3700 or a successor provision; or

- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2012.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2011 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2011 and owes no tax but is eligible for a credit of \$829, he or she must file a 2011 tax return to get the \$829 refund.

Can My Employees Get Advance EIC Payments?

After 2010, your employees can no longer get advance payments of the credit in their pay during the year as they could in 2010 and earlier years, because the law changed. However, if they are eligible, they will still be able to claim the credit on their tax return.

Form W-5, Earned Income Credit Advance Payment Certificate, is no longer in use.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
