 QUESTIONS AND ANSWERS
 LOS ANGELES COUNTY SHERIFF'S DEPARTMENT

INVITATION FOR BIDS (IFB) NO. 683-SH
 MAPAS MAINTENANCE AND SUPPORT SERVICES

QUESTION NUMBER	POTENTIAL BIDDER'S QUESTION	IFB LANGUAGE (IF PROVIDED)	ANSWER
1.	The price sheet only contains an hourly rate. However, I do not see any documented minimum number of hours associated with the SOW to meet the requirements to support the Maintenance and Support requirements. This infers that the contract is T&M.		Yes, this is an "as-needed" services contract and will be billed on a time and materials basis.
2.	We will be submitting our response as an LLC with two managing members. Please let us know if it is acceptable for either managing member of the LLC to sign the documents or that the response must include both our signatures.		All forms in Exhibit C may be signed by either managing partner. Please name all managing partners on line 2 of Exhibit 1.
